

Gardening and Giving: Summer 2026

Almost 80,000 of our neighbors in the Lehigh Valley are predicted to go hungry this year. You can help:

- with donations from your own garden or produce purchased from the grocery store, farm market or farm stand
- by volunteering in the Blank Slate CommUNITY garden (located on our campus)

Growing extra / buying extra

- Bring to Sunday worship. We'll have a cart in the North Link – bring some and / or take some (watch for an announcement of when we'll begin). Any extra will be donated to New Bethany, as part of the CommUNITY garden's donation.
- Check out the Plant-a-Row Lehigh Valley website for other locations around the area to drop your donations, like the main library of the Bethlehem library: plantarowlv.org

Volunteer in the Blank Slate garden

- If you have an hour a week to work in the garden and/or to deliver produce to New Bethany, contact Bob Yoder at 610-762-5379 or drbob@ptd.net.
- New to gardening? This is a great opportunity to learn from Penn State Master Gardeners, who also volunteer with this program.

***Thanks for considering how you can help make a difference
for our neighbors!***
