CELEBRATING 150 YEARS | FIRST PRESBYTERIAN CHURCH OF BETHLEHEM

1,510 Acts of Service

During our 151st year of ministry at FPCB, we are aiming to complete 1,510 Acts of Service before **Nov. 14, 2026**. That may sound like a huge number, but with an average of 125 people in worship most Sundays, that's basically **one Act of Service per person each month.** And we know that y'all are service-minded people of faith, so we're confident that we can reach this goal!

It doesn't matter how small or large each Act of Service may be, just that we're intentional about serving others—holding the door for someone with their hands full, volunteering with a nonprofit partner, helping a neighbor, offering a needed ride, donating unused clothing or household items, etc.

Track your progress at home with this chart, and using the ***Heart Chart*** at the church building, too (located in the main hallway off the South Entrance, by the library)! Let us know if you'd like us to add your stickers to the Heart Chart each month if you're unable to attend in person; contact us at info@fpc-bethlehem.org or 610-867-5865.
