Our Lenten Wilderness Journey: The Wilderness, a Place of Rebirth

Session Three Prayer

A Prayer for Rebirth and Renewal

Dear Lord:

I struggle.

I seek the gift of Your perspective.

Beckon me to expectation, hope, and rebirth.

The promise of spring sunlight and rain are reminders of Your renewing work on this earth.

Renew my heart, and soul and body, as well.

Open my eyes and life to the needs and struggles of those around us.

Remind me that I belong here in this time and place.

You are my foundation.

My tempters are no match for your transforming love.

I hold that promise in my heart.

In your holy name. Amen
