SESSION REPORT – FEBRUARY 2024

Session was pleased to approve Aileen Williams for membership by Reaffirmation by Faith and to approve the Baptism of Harper Pierce, daughter of Khara and Daytin Pierce.

Session approved requests for transfers of membership:

- Patricia O'Connell, to First United Church of Christ in Hellertown
- David and Patricia Mowen, to Christ Church of Bath, UCC

Session was pleased to conduct the examination of new officers and to support the ordination (or, in the case of Trustees, the commission) and installation of the new Elders, Deacons, and Trustees on March 17, 2024.

Capital campaigns typically occur approximately every seven years. Our congregation has not held a capital campaign in over 25 years. Session approved the formation of a Capital Campaign Exploratory Team.

Session granted the Personnel Committee authority to take action to discipline non-director level employees up to and including termination upon recommendation of the head of staff.

The program committees have been unified into a new collaborative program committee, the Community Life Super Committee. Session approved a plan developed for Elders to serve as the leadership of the individual committees and the Super Committee.
