

Welcome to Summer at West Valley Christian Preschool!

Our Theme this Summer is going to be...

"Kidstruction Zone"

The Summer Program this year is 9 weeks beginning June 10th and ending August 9th. We have lots planned for your little one. Some of our fun happenings are...

FUN! Water Play **FUN!** Reviewing **FUN!** Science
FUN! Arts & Crafts Academic Gym Days
Skills
Chapels **FUN!** **FUN!** Cooking **FUN!**

We also have a brand new Bible Plan that will really reinforce some of the Character Traits that we need to instill in our little ones.

Some Important Things to Know:

Naps— Children who stay for nap need to have a crib sheet and small blanket. Items need to be stored in a zippered backpack with their name on it.

Extra Clothing— Please be sure your child has extra clothing in their cubbies at all times.

Water Play Days— Children will need to come to school dressed in their regular clothing over their swimwear. Please be sure to apply sunscreen to your child as well. Children will need to wear water shoes in addition to their regular footwear. We will change them into dry clothing after water play so be sure they have extra clothes. All children are to be able to participate in water play days as this is part of our schedule for the day, so please be sure to note the dates on the calendar.

Drop Off— Please make sure children arrive at school no later than 9:00 each day.

Teachers will be rotated throughout the summer in order to give everyone a bit of a summer break. We have staffed the program according to the number of children registered for the summer. Any changes to your child's schedule will incur a \$15.00 Contract Change fee. Unless noted on your Summer Camp Intention form, there is no reduction in tuition for any missed days due to illness, vacation, or other days off.

Lunches— Due to the low number of children participating in the summer hot lunch program over the last few years, the decision was made to not have it available this summer. Please be sure to bring a lunch for your child each day.

Summer is such a fun time in the preschool and we can't wait to continue to learn and play each day!
