Dear South Olive Christian Families,

In a time where it is often challenging to find appropriate videos to enjoy as a family, I'm excited to introduce you to South Olive Christian School's new extensive online Christian video library called RightNow Media. All for free! You'll find that RightNow Media has great Christian media choices for everyone—kids, youth, parents, teachers, married couples, college students, single adults, working professionals—all aimed at helping you to grow in your faith.

As a member of our South Olive Christian School community, you will have access to our online media library starting on Friday, October 16th, at 4:30 p.m. Look for an email invitation from our school tomorrow. Once you find the email, simply click the link, sign up to create your account, and you will be all set to explore more than 20,000 Christian videos from your phone, tablet, or computer, as well as in a group setting through your TV. If you don't receive our invite by Friday evening, check your email filter or call the SOCS school office for assistance. Your access to our school's media library will last for the duration of our school's annual subscription even after your children have graduated from our school!

I hope that you find our new media library to be a real blessing to you and your loved ones.

"So that your faith might not rest on human wisdom, but on God's power."

Sincerely,

Mark Rozeboom, principal
