

NO ETHANOL FERNANDINA

FORUM SERIES

"No Ethanol Fernandina", in an effort to keep the Community informed, is hosting a series of informational forums. Each forum will begin with a synopsis of the topic by a member of our Board followed by a moderated discussion with ample time for questions and discussion.

FORUM 1

The history and background of the proposed RYAM ethanol project along with the emphasis on the Fernandina Beach Comprehensive Plan history, development, and authority. The Moderator will be Len Kreger who served 7 years on the city commission, 6 years on the city Planning Advisory Board, and 5 years on the Northeast Florida Planning Council.
