**Description:** We are delighted to return to our annual non residential retreat IN PERSON (conditions permitting) at the co-housing community in North Amherst.

Please join us in the quiet of winter in the company of beloved Sangha as we open to whatever is in our hearts and touch into the innate wisdom and compassion that is our true home. We will sit and walk in meditation together, listen to and contemplate the wisdom of the dharma, and share together in large and small groups.

There will be a potluck meal on Saturday evening and a prepared lunch offered on Sunday. To support the container of our retreat please plan to attend the full retreat from Friday evening through Sunday afternoon. Covid protocols will be followed, including requiring vaccination, limiting the number of participants, rapid testing upon arrival, and possible masking depending on conditions.

Please plan to bring a rapid test and mask, a dish for the Saturday evening potluck (refrigeration available), and an individual lunch for Saturday.

We look forward to this sacred time together with you.

\*Everyone is welcome at all of our offerings, regardless of ability to donate.
