## **Insight Meditation Community of Western Massachusetts (IWM)**

**IWM offerings at the  
Group Room, 40 Center St, Northampton MA**

**Watch for updates on our website and in our email blasts in case things change about IWM's COVID protocols, hybrid capacity, or how we manage logistics.**

**The Group Room at 40 Center St is a beautiful space with air conditioning and an improved air filtration system. When a/c isn't required, there are windows we can open to provide fresh air and cross-ventilation. Chairs and cushions available. Please bring your own covered water bottle.**

### **COVID Protocols:**

- Proof of vaccination required.
- N95/KN95 masks required (please bring your own)
- If you have been traveling or caring for unvaccinated children or people, we ask that you take an antigen test before attending.
- A Field Control Trio Plus portable air purifier (H13 HEPA with an ultraviolet light component) will be running.

### **Parking:**

There is no on-site parking, please do not park in the big lot behind the building. 40 Center St is close to Masonic Street public parking, which is free after 6:00pm. TD bank closes at 5pm, so if there isn't an attendant in the box, you can park there. There is also ample street parking.

*(As of 7/21/22)*
