"CBI Group has had the privilege of being a Premier Platinum member of CREW now for four years. CREW has been a great way for us to continue to build our connections in the San Antonio Commercial Real Estate community. The support between members and the passion of the leadership of CREW to help one another has been very impressive to see. CREW has some of the hardest working volunteers that I have seen in a business networking group and this has led to the continued growth and strength of the organization. I would highly recommend any Commercial Real Estate focused business or individual to join CREW and be a part of a dynamic, fun and productive network."

Brent Warrilow
Director | CBI Group

"The CREW Mission of "TRANSFORMING THE COMMERCIAL REAL ESTATE INDUSTRY BY ADVANCING WOMEN GLOBALLY" has been in action over the 25+ years that I have been involved. Texas Capital Bank has had the opportunity to support CREW in the five major markets in Texas and I am proud of our San Antonio sponsorship. Without the leadership training that I obtained from my participation with CREW, I would not have achieved as much as I have in my career. CREW San Antonio continues to be one of the leading networking organizations.."

Laurie Griffith
Executive VP | Texas Capital Bank

"Sol Schwartz & Associates, P.C. values their sponsorship in CREW San Antonio. Our investment provides access to attend high quality presentations and events throughout the year, with ample marketing and networking opportunities. With CREW's great programs and well attended events, we know we are reaching the right audience."

John Gilbert, CPA
Shareholder | Sol Schwartz & Associates, P.C.
