

## COVID-19 Protocol Information

**CREW Network is providing you with the following information in preparation for a safe and successful event. Please review and plan your participation accordingly.**

We ask all attendees to adhere to the following guidelines at the CREW Network In-Person Spring Leadership Summit:

- If not already, become familiar with the Center for Disease Control and Prevention (CDC) guidance to avoid the spread of COVID-19, including mask wearing, hand washing and social distancing. Follow this guidance and all additional instructions of CREW Network while at the Spring Leadership Summit.
- Do not greet fellow attendees with hugs or handshakes. We recommend waving.
- Do not circulate business cards. We recommend you utilize the new CREW Network app to exchange contact information.
- Masks will be provided and must worn at all times during the event, except when eating or drinking. If you must remove your mask for any other reason, please exit the room to do so.
- Do not move chairs from tables. They are set at four per table for proper distancing.
- Remain seated while eating during all food functions.

### Onsite Waiver

To pick up badges onsite, participants must sign a COVID-19 waiver. The waiver requires each participant to confirm the following:

- They do not believe they have been exposed to a person with a confirmed or suspected case of COVID-19 in the past 14 days;
- They are not currently awaiting results from a recently administered COVID-19 test;
- They have not been diagnosed with COVID-19 and not yet cleared as noncontagious by state or local public health authorities;
- They are not experiencing symptoms of COVID-19 (i.e., cough, shortness of breath, or fever);
- They agree to wear a mask at all times and abide by CDC guidelines.

If any of the above statements are not true upon entry, participants will not be permitted to attend.
