RE: Support CREWtini's Virtual Raffle Fundraiser Benefiting  
The San Antonio Food Bank & UTSA and Member Scholarships

Dear Community Partner,

CREW (Commercial Real Estate Women) San Antonio is pleased to announce our 10th CREWtini Signature Fundraising Event. Due to the COVID-19 pandemic, we are going virtual this year, with an online raffle. CREW is a 501(c)6 not for profit organization celebrating 37 years in San Antonio in 2020.

A LIVE virtual event will be held on Thursday, September 10, 2020. Proceeds from this event will benefit The San Antonio Food Bank and UTSA Scholarships for the Embrey Real Estate Finance and Development (REFD) Program.

We greatly appreciate the help that has been given in the past and hope we can count on you for support of this worthwhile cause. We are currently looking for raffle item donations to support our virtual raffle.

Our fundraising efforts are dedicated to supporting the Food Bank and enhancing learning and leadership opportunities for college students at UTSA pursuing a career in commercial real estate. There are many disciplines in commercial real estate including architecture, engineering, finance, interior design, construction and office furnishings to name a few. This industry contributes largely to the overall economic development of our community, state and nation. We are dedicated to continuing the efforts of enhancing our community and future leaders. CREW is an organization that promotes women who are professionals in the commercial real estate industry. CREW San Antonio paves the way, breaking barriers for women to enter and excel as leaders in Commercial Real Estate. We provide unsurpassed connections, innovative resources and education to enhance the real estate community. We envision an inclusive industry which empowers women and their achievements.

Thank you for your consideration, generosity and time. Please feel free to call or email me should you have any questions.

Sincerely,

Kristin Savage  
Director: Charity & Community Outreach
