

SAVE THE DATE

9.16.21

Join CREW San Antonio for a fun-filled afternoon of friendly competition, networking and fundraising. Profits will benefit UTSA's Embrey REFD Program and CREW San Antonio Scholarships.

The tournament will feature three hours of golf play with various competitions and prizes, so practice that golf swing!

No golfing ability? No problem! Topgolf is a game that anyone can play (and win). Score points by hitting micro-chipped golf balls at giant dartboard-like targets.

Why has our signature event changed...?

The COVID-19 Pandemic has changed the way we work and interact. Our changing environment on how we can safely gather in conjunction with the request to shake up our annual fundraiser has sparked us to try something new.

We have heard from previous participants that although CREWtini is a great event, it is a LOT of work and added expense for our teams and volunteers.

We are not saying the CREWtini we all know and love will never make a comeback, but as an organization, we feel that an outdoor event that allows our participants to choose their comfort level: stay in their bay with co-workers or mingle with others, was a more appropriate event for this year and is in line with the chapter's continuing efforts to offer educational, exciting, and fun events while keeping our members and guests safe.

We hope you and your company will join us to help raise much needed funds for the UTSA Embrey REFD Program and CREW San Antonio Scholarships.
