

# Viewing Your Student's Report Cards

Step-by-step guide on viewing report cards via the Educate Parent Portal

Updated on December 15, 2022

## Viewing Your Student's Report Cards in the Educate Parent Portal

Educate allows you to view your student's report cards once the school has completed and published them. This allows you to access the report cards at **any** time after they are distributed.

### How to View Your Student's Report Card:

Log into [Educate.tads.com/Educate/](https://educate.tads.com/Educate/) <<https://educate.tads.com/educate/>>

1. Click on School and select Students from the left-hand menu.
