Pair Up  
With Us!

Remember the excitement of shopping  
and getting new shoes to start the  
school year?

Almost 25% of children in Indiana  
County live below poverty level and  
**NEVER** get new shoes!

School districts have reported that  
some children in our community  
have shoes that are:

**Ill-fitting** - too large or too small  
**Worn out** - wrapped with duct tape  
or stuffed with cardboard  
**Inappropriate** for the weather  
(i.e. wearing sandals or slippers in the  
winter)

Every child  
deserves new

shoes that  
fit!

Cut Here

**"Kicks for Kids"** began in 2012 with the purpose of providing children in need with new shoes so they can attend school in comfort and with dignity -- better prepared to learn and play.

Since that time, more than 1,000 pairs of shoes have been given to **children in our county!**

In 2018, we hope to **provide shoes to 300 (or more) children!** We have partnered with Payless Shoes to provide them at \$25 per pair. To accomplish this, we need to raise \$7,500.

**300 pairs of shoes x  
\$25/pair = \$7,500**

**Studies have proven that new school shoes help:**

*Remove the stigma of poverty*

*Build confidence*

*Increase self-esteem*

*Improve school performance*
