Moving Light Dance Company Requirements

Pay the Company Fee at the Audition.

Attend the audition and do your best.

Commit to being present at all **rehearsals**.

Rehearsals: Rehearsals are mandatory to ensure a productive and enjoyable process and successful performance. We understand that dancers have other responsibilities and prefer to have a full commitment. One missed rehearsal will be excused. Please communicate in advance for any planned missed rehearsals. This factor will affect casting.

Commit to attending Company Class or the technique class prior to rehearsals and follow the **Moving Light Dance Codes of Conduct**.

Company Class: Youth Level 2 & 3, Junior & Senior Teen Company members are required to attend class prior to rehearsals. Adults are required to attend class as well. Company class is mandatory for the health and safety of the dancers.

Honor the Process by following the **Principles of Company Member Behavior**.

Junior & Senior Company Members are required to participate in **STRIKE**.

Strike: Dancers will sign up for a strike job during production week. At the end of the performance run dancers will have 20 minutes to connect with family and friends. Dancers will be excused at 6pm.

Moving Light Dance Codes of Conduct and Principles of Company Member Behavior may be found online and will be distributed at the Audition.
