## Completing Orders Online

Read Below Carefully

The prepayment form and payment depicted on this form is due on the day of the photo-shoot to lock in current pricing. After photo day, pricing increases by 20% for those who did NOT prepay on photo day. All pictures taken will be viewable online in a private gallery 3 weeks after photo day. We will communicate via email at that point with the gallery link and password. The prepay amount below will turn into a credit code and will be emailed to you. You will be able to go online and recreate your prepayment or completely change it up when ordering online. You will need to apply your credit code at the time of checkout. Additional items are available for purchase online if desired. **Additional Tax and shipping will be charged to your online order at checkout. Tax/Shipping should NOT be included in the prepayment sub-total payment below.**

A **package purchase is required** before buying additional add-ons. Each print package is for one image only. Please make checks payable to Still Light Studios.
