ELIGIBILITY AND CAPACITY

- Qualified players are **boys or girls who are in 3rd – 8th grade** for the 2019-20 school year. There are a limited amount of player slots per grade. Please take advantage of the registration dates reserved for St. Isidore students (now through June 30) to ensure your child's spot.
- Players must live within the St. Isidore Parish boundary or be enrolled in St. Isidore School or Faith Formation (Faith Formation - enrolled this year and attended last year).
- Preference is given to St. Isidore School and Faith Formation students and returning players. The eligibility of all players will be confirmed before they are placed on a team.
- We try our best to get all children on a team. Unfortunately we are not able to accomplish this all the time due to the number of children who register. Decisions are made based on August 18th registration information. Our program each year is at capacity of around 900 players.

SEASON

- Player evaluations are held in September. Dates and times will be posted on the website. Practices will start in October and league play and playoffs go through the end of February.
