

# *Take me out to the Book Fair*

Dear Parents,

You know what they say...if we build it, you will come. Well, it is time! Our fall book fair runs Sept. 24 - Oct. 2 and scores big with our students and families. Even with your busy schedules, we have many times for both you and your sluggers to attend. Seeing all the new affordable books in one fun ballpark makes it easy to select engaging, customized books for anyone.

- Students will be given time during their school day to preview and create wish lists for you to review.
- The book fair is open to parents all day.
- We have 3 special family events providing family time to visit the fair (see below).
- e-wallet will be back for students and teachers for easy, secure, predetermined purchasing.

Please remember, this is the sole fundraiser for the SIS library and all classroom libraries. The book fair brings books the students want to read right to our school and raises money to purchase new classroom and library books. It's a win-win!

Family event, "Books and Balls:" September 27, 2:50-5:00 pm  
"Take me out to the Book Fair:" Sept. 28, 29, after all masses  
"Batter up" Dad's Breakfast: Oct. 2, 6:45-7:50 am Bensen Coliseum

Please swing by and enjoy our all-star event.  
We know you will have a ball!
