

# *Take me out to the Book Fair*

Hit a homer at the book fair! Please join us after school for the seventh inning stretch, "Books and Baseballs" on Sept. 27, Friday, from 2:50-5:00. With no PM carpool, gather up your sluggers and come over to the Bensen bullpen - a field of dreams. There will be a drawing, treats, drinks, AND the greatest collection of books on the playing field. Bring those wish lists to see what your all star kids have scored. There are so many books in play - come for the incredible lineup of books for all.

Our after school event is also loaded with the perfect reads for your child's classroom libraries. The classroom libraries always need some fresh new reads - a gift of reading that makes the world series!

Students can wear their fave baseball jersey with their uniform bottoms during classes that day (SIS jerseys for mass please) AND FREE DRESS PASSES given with book purchases will score a home run.

## *Thank you for being an All Star*

After school treats are nut free but home baked.  
Alternatives will be available.

## *Score with Reading*
