

# Coins for Campers

Hello St Isidore families,

During the month of April, autism awareness month, St. Isidore will be participating in a fundraiser for the Exceptional Needs Network, or ENN. ENN holds an overnight camp for kids with disabilities, ages 6-22, once in the fall, and again during the summer every year. Each campers is assigned a counselor to take care of them and most of all make sure they have fun. These programs give parents a much needed break, and most importantly kids to not need to worry about paying.

Your support is greatly appreciated as ENN relies entirely on generous donations from the community. Each classroom will have a box where students can place their donations. For more information about ENN visit <http://ennetwork.org/enn/Home.html>.
