2024-25 drive

HELP STUDENTS GET READY FOR BACK TO SCHOOL!

Pando is excited to gear up for the 2024-25 school year, and we are doing things a bit different this time. This year we are requesting backpacks with items to help prepare students for back to school for both at school and at home. Check out the suggestions below!

ESSENTIALS

While school supplies are important, there's so much more that goes into getting ready. These essential items can include **deodorant, combs/brushes, shampoo/conditioner, body wash, toothpaste, laundry detergent, other hygiene items, and more**. Consider stuffing a backpack with some essential items for a PandoKid!

SUPPLIES

And of course, a backpack stuffed with school supply essentials is always handy. Consider things like **pencils, paper, headphones, disinfecting wipes, tissues, or other classroom items**.
