

# Core Values

**We must be:**

## Prayerful

We pray God will give us courage to implement IWC in our congregation  
and for hearts that reflect God's gracious invitation.

## Intentional

To purposely nurture a commitment to implementing the ministry of IWC  
and commit to its purpose.

## Relational

To truly know each other and work beside each other;  
to understand and listen to newcomers and each other and honor them.

## Accountable

To hold both laity and clergy responsible for following through on the intentionality of IWC;  
to be responsible to God and the gospel, then to each other,  
and to those in our communities of faith.
