New Opportunity

FREE COMPLETE STREETS OUTREACH AND TECHNICAL ASSISTANCE PROGRAM

Complete Streets help improve health and safety for people walking and biking. They create better places to live, work, play, learn, and do business by balancing the needs of drivers, pedestrians, bicyclists, transit riders, emergency responders, and goods movement based on the local context.

A new program for municipalities within the South Jersey Transportation Planning Organization's (SJTPO) 4 county region – **Salem, Cumberland, Cape May and Atlantic** – will help advance Complete Streets with a new technical assistance and training opportunities.

Join us for two events to launch this initiative:

WEBINAR: DECEMBER 5, 2024 FROM 12:00PM-1:00PM

A lunchtime webinar to learn about a new grant opportunity to receive free technical assistance towards solving a local transportation safety need. During this one-hour webinar, participants will learn how to apply as well as how New Jersey municipalities have used guidance from a similar program to secure funding for lasting change.

WORKSHOP: DECEMBER 9, 2024 FROM 10:00AM-3:00PM

A free half-day interactive in-person only workshop on Complete Streets covering policies, design, funding and implementation at the Rowan College South Jersey – Cumberland Campus.
