

Travel Without Limits

Accessible Travel

Thursday,
November 5th
2:00 P.M.

- **Learn practical tips and helpful suggestions that will give you the confidence to finally plan that bucket-list trip you've been dreaming about.**
- **Don't put off taking well-deserved vacations because you're concerned about traveling with mobility challenges or the medical equipment you rely on every day to stay safe, comfortable, and independent.**
- **Learn about the many resources available to you that are designed to make your journey easier.**
- **Find out how to choose experiences that match your abilities... not someone else's expectations.**
- **With the right planning, resources, and support, you'll be ready to start turning your travel dreams into unforgettable experiences.**
