GO-NJ ECHO

Getting Older in New Jersey

Join a multidisciplinary discussion led by New Jersey Adult Protective Services (APS), healthcare professionals, and advocates who are dedicated to ensuring the safety of vulnerable and older adults.

What can you expect?

- **Learn the Role of APS as a Collaborative Community Partner**

  Participants will gain a comprehensive understanding of APS's role, services, and processes in New Jersey and how collaboration with APS can enhance safety and care continuity for individuals.

- **Steps to Identify and Address Abuse**

  Learn what it means to be a mandated reporter, along with practical steps to recognize and address abuse, neglect, and exploitation.

- **Understand Person-Centered Care for Protecting Vulnerable Adults**

  This series examines person-centered approaches to caregiver burnout, cultural safety, trauma, and bias to support more equitable and effective APS interventions across all adult populations.
