Camps run from **9am-12pm**.

June 24-28

SCIENCE CAMP

Would you like to become a “goo-ologist”? Melt Elsa’s frozen hands? Make “worms” dance? Create bubble bombs? If so....Science Camp is the place for you! We will have fun, get a little messy, and do exciting experiments to learn about the world God created. So put on your lab coat and come join us as we blast-off into Science Camp!

July 15-19 **Camping Adventures!**

Join us for a fun-filled week of learning about and experiencing God’s creation. During this camping themed week, we’ll explore things like animal tracks, campfire safety, taking care of nature, and more. At the end of the week your child will be begging for “s’more” crafts, fun games, and creative snacks!

July 15-19

Venture Camp, Jr

Get to know your new school or hang out with some old friends! This week will be a great introduction to Preschool classes and teachers for our youngest learners!

Especially designed for the younger campers- aged **2-3 years old**, each day we will look at a new *Pete the Cat* book and explore it with crafts, songs, games and snacks!

August 12-16

By The Book

Come have fun with us as we explore books from favorite children’s authors each day! Our crafts, snacks, big and little activities, movement, and academics will center around each book!

We will meet Clifford the Big Red Dog, Llama, Llama, Elephant, Piggie and more!

What a great way to wrap up the summer and prepare for our new Preschool year!
