

Breaking News: Margot Stepping Down

The Board of Directors of IPPS-ER announces Margot Bridgen's 2020 retirement. There are heavy hearts all around, but we're also happy that she will soon have more time for fun. Margot has served as Eastern Region's Executive Secretary-Treasurer for almost 26 years with much grace, integrity and humor. We would not be the dynamic organization we are if Margot had not held her position so competently and diligently.

A hiring process has begun, and you can see the position announcement [HERE](#). Margot will be assisting in the transition, which we hope to implement in June. IPPS-ER Board President and Chair of the Transition Committee Win Dunwell said, "Even though we've known this day would eventually come, we are still getting used to the idea of Margot's retirement. The Board will be calling on all of you to be patient and understanding as we go through this transition as smoothly as possible."

We are planning to honor Margot at the IPPS-ER Conference in Hamilton, Ontario in September. There will be an opportunity to show your appreciation of all Margot's efforts. Ways to do that will be announced soon.
