Board of Developmental Disabilities

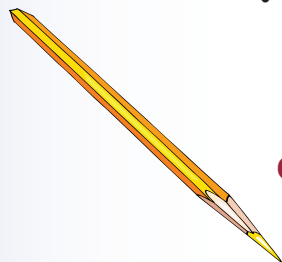

Winter Card Contest

The Cuyahoga County Board of Developmental Disabilities would like to have a festive image to share with other organizations, businesses and people in the community during the holiday season. We are inviting individuals with developmental disabilities to help with its design. The artwork will be shared in electronic greetings, along with a bio of the winning artist.

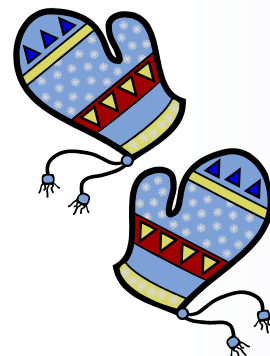

The winning artist will receive \$100. So get out those paints, pencils, markers or cameras and think winter!

Here are the rules:

- Submit artwork on 8.5 x 11 paper or send in a photograph.
- *Please do not represent any one holiday.* Stick with winter scenes or symbols that represent the season or create an abstract, colorful design.
- Attach the artist's information form carefully to the back of art.
- Send your artwork to CCBDD. Please do not fold.
