To continue, all students are expected to participate online utilizing their student Google and Canvas accounts as they are the primary format for communicating, assigning, and submitting coursework. Some teachers may choose to offer a virtual meeting. There are many who have started this practice already.

As a reminder to students, please make sure to logout of ClassLink each night and login again at the beginning of each day for attendance purposes.

Thank you students and families for your continued patience, support, and focus as we continue through learning in this virtual format.

Sincerely,

Amanda Pound
