SAINT CECELIA

INTERPAROCHIAL CATHOLIC SCHOOL

Hearts to God... Minds to Learning... Talents to Service

August 2022

Dear St. Cecelia School Parents,

This handbook is intended to serve as a resource for school policies and procedures. I strongly encourage you to review the appropriate sections of the handbook with your child(ren). All students should have a general understanding of key areas, such as expectations for student behavior, uniforms and personal appearance, iPad use, etc.

If you need to refer to the Parent- Student Handbook during the school year, it can be found on the school's website under the Parent tab. As the year progresses, you will be notified if there are any handbook updates.

In order to complete the registration process, please sign and return the Handbook Form by Thursday, July 28th indicating your understanding of and compliance with all school policies. Your signature represents a very important commitment to support the policies and procedures in this handbook throughout the year. Thank you in advance for your partnership.

Thank you for trusting SCS to educate your child. We value and appreciate each and every family. It is our prayer that each of us will remain strong in our commitment to keep St. Cecelia Interparochial Catholic School an outstanding Christian educational community.

Peace,

A handwritten signature in black ink that reads "Ms. Wostbrock".

Valerie Wostbrock
Principal

ST. CECELIA CATHOLIC SCHOOL MISSION STATEMENT

St. Cecelia Catholic School creates an environment with high academics, grounded in the Catholic faith, which inspires globally minded students to become compassionate leaders.

INTERNATIONAL BACCALAUREATE MISSION STATEMENT

As an International Baccalaureate Middle School, St. Cecelia Catholic School, aims to develop inquiring, knowledgeable and caring young people who help to create a better and more peaceful world through intercultural understanding and respect. To this end the organization works with schools, governments and international organizations to develop challenging programmes of international education and rigorous assessment. These programmes encourage students across the world to become active, compassionate and lifelong learners who understand that other people, with their differences, can also be right.

CATHOLIC PHILOSOPHY OF EDUCATION

The document To Teach as Jesus Did is the foundation on which St. Cecelia Catholic School bases its philosophy.

"Catholic Education is an expression of the mission entrusted by Jesus to the Church He founded. Through education the Church seeks to prepare its members to proclaim the Good News and to translate this proclamation into action. Since the Christian vocation is a call to transform oneself and society with God's help, the educational efforts of the Church must encompass the twin purposes of personal sanctification and social reform in light of Christian values."

(To Teach as Jesus Did)

St. Cecelia Catholic School maintains a commitment to teaching Catholic doctrine, encouraging prayer, building community, and rendering service. This integrated approach provides a value-permeated curriculum. In the context of our Catholic tradition and with a firm commitment to academic excellence, the students are prepared academically, spiritually, morally, emotionally, physically, and socially to make the "Kingdom of God" a reality. In the unique setting of St. Cecelia Catholic School, students have the opportunity to develop and share their many talents and gifts. Recognizing individual differences, the teachers provide activities and experiences in which all students can succeed and reach their full potential. In their success, students are challenged to respond in faith and compassion to the contemporary world.

SCHOOL IMPROVEMENT PLAN

St. Cecelia Catholic School's Administration has been dedicated to providing a setting for student learning which is based in the belief of educating the children in a Catholic environment- preparing them spiritually and academically for their high school years. We believe the parents are primary teachers in the faith development of the child, but the existence of SCS allows the children to openly profess and practice their beliefs. The administration encourages the faculty and staff to be involved in all areas of faith enrichment at the Diocesan, parish, community, and school level.

St. Cecelia Catholic School implements a variety of strategies to measure the needs of our school to ensure student success. Fifth and eighth graders participate in the Province's annual ACRE assessment tool which helps diagnose and analyze their Catholic faith formation on subject matter. Our students demonstrate cognitive knowledge ratings much above the Province's standards in almost all areas. We are very proud of their successes on this assessment tool.

All students in grades 2-8 participate in a nationally standardize test called Terra Nova. Another Florida Catholic Conference assessment tool is the ARCA. In reviewing the last two years of ARCA objectives from the areas of Catholic Identity to Administration and Professional growth, we have either accomplished or have made great strides in accomplishing our objectives. In our current ARCA plan we have created specific goals to continue improving in the areas of student responsibility, curriculum mapping, technology, and the physical plant. Student responsibility is observed by teachers through daily observations and is measured through our discipline policy, as well as, student involvement in service commitments. We have accumulated historical data to use as baselines for the improvement in student behavior and acceptance of responsibility. This continues to be documented and monitored to assess the strategies and their effectiveness.

Curriculum mapping develops a baseline of our Pre-K – 8th grade curriculum offerings in the core subjects. The desired result will be for students to demonstrate contiguous growth in subject areas. Grade level core curriculum committees are established. These committees create subject mastery indicators by grade level and measure student growth. Yearly summative reports are prepared for review and are submitted to the Office of Catholic Schools and Centers and the Florida Catholic Conference. The Administration has made a statement about the physical plant and how a safe, healthy, and clean environment positively impacts student learning. The Administration closely monitors the school environment to encourage these desired results.

The Administration and the Development Director along with the assistance of the SAC Public Relations Committee have developed strategies to encourage and retain enrollment at St. Cecelia Catholic School. The Development department has focused on the establishment of an alumni database, Actual Cost Initiative (ACT), a strong marketing campaign, and admissions coordination. The School Administration use interim surveys within the school community, local community partners and alumni recognizing the valuable information which can identify our strengths, areas for improvement and supporting St. Cecelia's mission and goals. St. Cecelia Catholic School Administration and School Advisory Commission has actively engaged in a five-year Strategic Plan.

HISTORY OF ST. CECELIA CATHOLIC SCHOOL

On September 13, 1948, three Sisters of the Holy Names opened St. Cecelia Catholic School (SCS) with 59 students in grades one through six in what is now the St. Cecelia Parish Rectory. Grades seven and eight were added during the next two years, bringing the student population to 94 students.

On October 7, 1951, ground was broken for a permanent building at the present site at Hillcrest and Court Streets. The school now had eight classrooms, a clinic, and administrative offices. Five classrooms were added on February 1, 1959. By September of that year, 511 students were enrolled. A cafeteria was added during the early part of 1961. Along with additions to the physical plant, the curriculum was expanded. A temporary central library came into being in September 1964 with a part-time librarian added to the staff. A music department was added in 1966, with a part-time instructor.

1968 saw program changes. Electives were added to the junior high curriculum. Specialized reading teachers were added to the staff. In 1969, an art teacher was added, thus enhancing the fine arts program. A year later, the library was expanded, and a full-time librarian was added to the staff. Planning for the adoption of a new concept in education was begun in 1971. In the fall of 1972, the middle school was established. Grades 6-8 were included. The middle school concept meant smaller class sizes and additional classroom space was required; therefore, the "red building" of Butler metal construction was erected behind the office complex. In 1972 the school was fully accredited by the Florida Catholic Conference (FCC).

In 1974, two full-time physical education (PE) teachers further enhanced the faculty thereby expanding the PE program. This allowed St. Cecelia Catholic School to become involved in an interscholastic athletic league, the Pinellas Youth Conference, with area private and parochial schools. Inclusion in this league provides students in grades 5-8 an opportunity to compete in various varsity and junior varsity sports for boys and girls.

Between 1976 and 1978 the music department was expanded, a much-needed religion coordinator joined the staff, and a youth center was added. This enabled the PE department to expand the curriculum and improve staff and extracurricular programs. Additionally, the center created a suitable environment for cultural activities and an interscholastic athletic program. In 1980, an addition to the youth center included PE offices, lavatories, boys' and girls' locker rooms, storage space, and two classrooms.

Growth continued with the addition of two modular buildings and 50 kindergarteners in the fall of 1981. Five TI computers were added during the 1982-1983 school year. During the 1984-1985 school year additional language arts time was allocated to the first and second grades and a part-time school counselor was hired. That same year, a development program was added to assist with planning and development. In 1986, the third through fifth graders began receiving more instructional time for creative writing, and Spanish was added to the curriculum. Additionally, that fall, an extended care program for students in kindergarten through fifth grade was added to school services.

In 1987, a full-time computer teacher and a learning needs program were initiated. The federally funded Title I Program provided extra assistance in reading and math to qualifying students in kindergarten through third grade. During the school year of 1987-1988, the US Department of Education recognized St. Cecelia Catholic School for outstanding progress toward excellence in education.

The summers of 1988 and 1989 brought to fruition multiple phases of the Long-Range Building Renovation Plan with renovations to the main bathrooms and twenty-one classrooms, which were carpeted, painted and refurbished. Additionally, in 1988, under the direction of the Diocese of St. Petersburg and local pastors, a Family Life component was added to the religious curriculum.

During the 1989-1990 school year, the National Catholic Education Association (NCEA) presented Susan Guss, the resource teacher, the Miriam Joseph Farrell Award for Distinguished Teaching in Elementary Schools. NCEA also selected the St. Cecelia Catholic School Board as one of the outstanding school boards in the country. Additionally, an improved and more complex computer system was implemented in the administrative office allowing for more efficient handling of the increased student population, which numbered 685 students in 1990.

Over the next several years, building renovations were completed in order to update the campus and to accommodate the growing student population. Guidance was expanded to full time and the first through fifth grades received extended language arts time for a more integrated approach to language arts. Beginning in the spring of 1995, to keep pace with changing technology, the computer room was renovated, thirty new Macs were purchased and networked, software was added and accompanied by necessary staff development.

Between 1996 and 1998, laser disc players and computers were added to the fifth through eighth grade science classrooms, Spanish was added to all grade levels, and a new Discovery Works (hands-on science program) was added to the third through fifth grades. The school buildings were wired for the Internet and the Mac computers were moved to primary classrooms in order to upgrade the computer room with new PCs.

During the summer of 1999, plans were well underway for a three-phase building program. An architect was hired in the spring of 2000 and final authorization was given to begin Phase I and Phase II. During the summer of 2001, ground was broken for Phase I (nine classrooms, a computer room and a science lab) and Phase II (Administrative/Student Services). These phases were completed in April of 2002. The school's administration continued its effort to effectively integrate technology into the learning process. The Accelerated Grammar and Spelling Programs were added to the existing Accelerated Math and Reading programs. An Administrative Software Program was purchased for better communication between the families of SCS and the school's administration, faculty and staff.

St. Cecelia Catholic School received FCC Accreditation during 2004-2005 with a favorable report. That spring a brick campaign project was launched to enhance our courtyard area, as well as to address drainage and safety issues in the courtyard. From that project sprang the design of our current Garden of Peace & Prayer. The project was completed in two Phases -- the prayer garden between the primary building and cafeteria and the interior courtyard, Stations of the Cross, and a covered walkway. In the summer of 2005, Cable in the Classroom was installed in all classrooms, giving TV access to all classrooms, the cafeteria and gymnasium. An intermediate science lab was also created to better facilitate hands-on learning.

During the 2005-2006 school year a comprehensive safety plan was created. All areas of the campus were reviewed, repairs were completed, the primary playground was refurbished, and the Raptor (security screening) system was put in place. The kindergarten through fifth grade computer lab was refurbished with brand new computers and an LCD screen. Parents and students gained access to academic information and grades through Rediker Software, Inc., our main source of communication.

During the 2006-2007 school years we prepared for the third year of our School Improvement Plan. The faculty immersed themselves in curricular mapping in Language Arts and Mathematics, the school community participated in character development programs to further our progress toward our SIP goal of respect for ourselves and others, and as part of our efforts to be good stewards of the environment, the SCS community made a commitment to become a designated "Green School". All faculty members completed the basic modules of Catechist studies of faith enrichment. Phase II of our Garden of Peace and Prayer continued.

During the summer of 2007, a second cycle of our Strategic Planning Process began as St. Cecelia Catholic School created a second five-year plan to look ahead to the year 2012. A planner came onboard in the fall of 2007 and guided the School Advisory Commission in creating the process and developing a plan. Input from the entire school community was gathered by way of electronic surveys, group and personal interviews, collection of research data on demographics, parish and school data, along with a review of projected trends. Committed parents, faculty, and staff attended a weekend workshop which summarized the data. The team divided the data into five areas: Catholicity, curriculum, technology, finance and parental involvement. Each committee formulated short, intermediate, and long-range goals with recommendations. A Steering Committee was established to review the on-going process. As a testimony to the dedication of the people involved, several of the short-term recommendations were addressed and accomplished before the end of the school year. One long awaited recommendation—the hiring of a Development Director was fulfilled in August of 2008.

In the spring of 2009, the St. Cecelia Catholic School Advisory Commission received a very prestigious award in Anaheim, CA from the FCC. They were chosen as one of nine school boards in the United States to receive **The Outstanding Board Award for 2009** for the SCS Strategic Plan and their efforts to keep SCS innovative and compliant with best practices. In 2009-2010, the St. Cecelia Alumni Association came to fruition. A dinner dance reception was held to welcome all St. Cecelia Alumni. An alumni database was created and a Facebook account was opened to communicate with all former and present. In the fall of 2009, the first 5K Gallop took place as an Alumni

fundraiser event supporting St. Cecelia Catholic School's operating costs and tuition assistance. Strategic planning called for an intense branding campaign. A school crest and school website were designed, school colors of red, white, and powder blue were chosen, and new student uniforms displayed the crest and colors. During the summer of 2009, the first full day/eight-week, summer camp was launched and well-received. The summer camp provided fun-filled days with a Christian environment. The school year also saw a dramatic rise in the St. Cecelia Catholic School students' opportunities for involvement in music and drama. A robed choir began singing at all-school masses and a drama club began producing two major productions. A program of enrichment was begun for students who meet gifted qualifications in the State of Florida and SCS gifted criteria. St. Cecelia Catholic School students continued their effort to be a "green" school and stewards of the gifts God has given us.

The year 2010-2011 was a momentous year for St. Cecelia Catholic School as we were awarded the prestigious **National Blue Ribbon Award** as a School of Excellence. SCS was one of seven public and private schools in Florida and one of 50 private schools nationwide to receive this recognition. The principal and a teacher representative traveled to Washington D.C. to be recognized by the US Department of Education. This award recognized St. Cecelia as a School of Excellence and its commitment to ensuring students learn and succeed. Additionally, St. Cecelia Catholic School's Principal was awarded the Diocesan Distinguished Principal of the Year Award by the National Catholic Education Association. The faculty and staff continue their dedication to providing their students and school community with the best educational experience. In July of 2011 St. Cecelia became an International Baccalaureate Candidate School for the Middle Years Programme (IB MYP). The blending of St. Cecelia Catholic School's mission and the IB philosophy ensures our students' preparedness to be faith-filled, knowledgeable citizens in the world community. As a response to a school-wide survey, a full day three-year-old program was opened to complement the existing PreK-4/VPK program.

In 2011-2012, a number of major projects were completed. Green space next to the blacktop was created with trees, flowering plants, benches, and statuary. More bathrooms were remodeled and several covered walkways were erected. IB training for middle school teachers continued as teachers collaborated on unit plans. Many long hours of collaboration, curriculum mapping, participation in character building activities and research were rewarded with a very favorable recommendation for FCC Accreditation.

The year 2012-2013 was packed with changes. We welcomed our new school pastor, Fr. Dermot Dunne and our new principal, Valerie Wostbrock to our school community. In addition to the weekly Tuesday Masses, a weekly all-school Mass was added to our schedule. The seating for the all-school Mass was reconfigured. Progress was made in meeting the goals for our Strategic Plan; meetings were also held for preliminary work on our School Improvement Plan. Middle School teachers continued to train for IB and implement what they learned. Our IB consultant visited, observed and made recommendations for the upcoming accreditation visit. Covered walkways and gym renovations were completed. The eighth grade students participated in the Character GPS program which encourages students to develop life skills. Two new programs were begun - Junior Achievement for grades 2 and 4 and a Junior Thespian Society.

In 2013-2014 a new School Advisory Council (SAC) Technology Committee was formed. This committee, made up of parents, faculty, and local consultants, spent numerous hours investigating other schools' technology programs, meeting with specialists, and creating a new Technology Plan. The Technology Plan for the 2014-2015 school year included: creation of a Technology Department; a 1:1 iPad Initiative for grades 4-8; a 3:1 iPad Initiative for third grade students; a 3:1 Net Book Initiative for Pre-K4 through second grade students; smart projectors or Smart Boards were installed in every classroom; and additional electrical outlets were installed in the Hillcrest Wing classrooms. The Olweus Bullying Prevention Program was initiated schoolwide to empower students to speak up against bullies and bullying behaviors, and to learn more positive ways to interact with each other. Off the blacktop area a new playground and swings were installed for the kindergarten through middle school students. A large covered outdoor learning space with ten picnic tables was created behind the media center. The IB Visiting Team met with teachers, parents, and students and made recommendations for our school's IB authorization.

In the 2014-2015 school year we received two notable designations from the community: "Best in Class School" and a "Top Workplace." A Technology Department was created with a Coordinator, an Assistant, an Integration Specialist and Teachers. The 1:1 and 3:1 initiatives continued to succeed in engaging our students in many new learning environments and experiences. Smart projectors were installed throughout the school to further our technology initiative. In January 2015 a pep rally was held to celebrate our designation as an official IB World School Middle Years Programme (IB-MYP). Construction began in March on the Primary Playground to eliminate the drainage and

run-off issues. New additions include artificial turf, picnic tables and a new playhouse. One of the original classrooms on the Hillcrest Wing was remodeled with plans to renovate five additional classrooms to include new: ceilings, lighting, bulletin and dry erase boards, built in cabinets, cubbies and a large storage closet. Our student's standardized test scores on the Iowa Assessment (IA) and the religion ACRE test increased. The goals of our third five-year Strategic Plan, Engage, Enrich, Empower provided a clear and unified vision for our school's continued tradition of success.

The opening of the 2015-2016 school year began with the dedication of the newly remodeled Primary Playground by our School Pastor, Fr. Dermot Dunne. The students and families love this beautiful space and it is used not only during the school day, but many families stay after school to play. Our IA and ACRE scores increased, and students continued to perform above both the Diocesan and Province scores. Our students participated in a wide variety of academic and sports competitions and received First through Fifth Place distinctions and/or trophies. We were accepted as an International Baccalaureate Candidate School for the Primary Years Programme (IB PYP). Completing the candidacy phase will make SCS the only private school in all of Pinellas County with the distinction of being IB from Pre-K3 through eighth grade. The tradition of St. Cecelia's being a strong Catholic school with a reputation of high academics continued. Over the summer five more classrooms on the Hillcrest wing were completely renovated and new roofs were installed on the cafeteria and media center.

In August of the 2016-2017 school year all of our elementary teachers, classroom assistants, and specialists attended mandatory PYP training to begin the implementation process. Our school's Iowa Assessment scores were again higher than both the Diocesan and Province of Florida's scores. Our students were shining as they competed in numerous academic, athletic, and drama competitions. In the summer of 2017, new air conditioning units were installed in the cafeteria and the middle school classrooms. The teachers' lounge was painted, new carpeting was installed, and two large shade structures were installed on the elementary playground. The middle school computer lab was renovated with computer tables donated by World Wide Technology. Thank you for this very generous donation! We said goodbye to Father Dermot Dunne, such a strong supporter of Catholic education and our SCS programs, who served as our School Pastor for five years.

At the beginning of the 2017-2018 school year, we welcomed Monsignor Michael Carruthers as our new School Pastor. We are very grateful for his continued presence and support on our campus. We began planning for the summer renovation of the Pre-K3 classroom and the new STREAM Center. The STREAM Center provides our students with multiple opportunities to dream, learn, and create. Alternative seating areas encourage student collaboration, exploration, and problem solving. This area also provides a wide variety of books for both study and recreational reading.

During the 2018-2019 school year, St. Cecelia Catholic School became an authorized IB World School for the Primary Years Programme, (PYP), making us the first private school in Pinellas County to be an IB World School Prek3 through eighth grade. In addition, a successful school reaccreditation visit was completed and we received full accreditation status from the Florida Catholic Conference.

During the 2019-2020 school year, St. Cecelia Catholic School was honored with receiving our second National Blue Ribbon School of Excellence Award from the U.S. Department of Education for high student achievement and overall academic excellence. Spring of 2020 brought a sudden change to normalcy. On March 13th, as we responded to the news of a worldwide pandemic, our school campus closed. Teachers and students shifted to virtual teaching and learning overnight. Who would have known we would not return to on-campus learning until the start of the following school year?

The 2020-2021 school year was one we will never forget -- a return to on-campus learning as our world-wide pandemic continued. A major new School Reopening Plan was implemented for the health and safety of everyone on campus. As a result, the campus underwent numerous changes. The campus was closed to parents and visitors and the new arrival and dismissal car lines were implemented. Students and staff wore masks and stayed in cohorts throughout the day. A completely new Distance Learning Program was developed. Teachers spent the first half of the school year teaching students in the classroom with many students simultaneously learning virtually from home. In January of 2021, all students returned to campus. Everyone continued working together to continue learning and working in the safest environment possible.

The 2021-2022 school year had a cautious opening with everyone working hard to stay healthy and to prevent the spread of germs. Changes were gradually made to allow for more movement amongst the classes as more normalcy was built into the school day. Eventually, our after-school sports program and other after school activities were in full swing. We finally (after almost three years) got to perform Disney's production of Frozen Jr. We took baby steps throughout the year in the way guests were invited to various campus activities. In the spring our campus was finally open to all parents, volunteers, and guests. What a wonderful feeling that was to see our families on campus, in the hallways, and volunteering in the classrooms. We said goodbye to our dear friend, Roy Kessler, who passed away on May 11th. Roy loved our students and all of his coworkers, and he will forever be greatly missed. It was quite a memorable year which we ended with a fantastic field day. We look forward to 2022-2023 and what the future holds for St. Cecelia Catholic School.

REGISTRATION INFORMATION

Admissions

Students are registered at St. Cecelia Catholic School by invitation only. Reenrollment is not automatic. Letters of invitation are sent to families in February. Reasons for not receiving an invitation to register may include, but are not limited to the following: unsatisfactory discipline history, excessive tardiness or absences, educational needs beyond what the school can meet, lack of parental support for school policies, and not adhering to the tuition policy.

The open admission policy of the Catholic Schools of the Diocese of St. Petersburg allows no person to be discriminated against or denied admission based on the basis of race, color, or ethnic origin if space is available. Nor is the staff hired or assigned on the basis of race, color, or ethnic origin. The principal, in consultation with the staff and pastors, is responsible for the acceptance of new students.

The application of new students includes a 150.00 processing fee. St. Cecelia Catholic School's programs may not meet the needs of every student and therefore every new student is evaluated on the basis of prior academic performance, behavior performance, and standardized test scores.

Probationary Period

All students entering St. Cecelia Catholic School do so on a probationary basis for a minimum of 90 days. During this period the student's performance will be reviewed. Reasons for dismissal may include, but are not limited to the following: unsatisfactory discipline history, tardiness, excessive absences, educational needs beyond what the school can meet, not adhering to the tuition policy. St. Cecelia Catholic School reserves the right to ask any student to leave at any time during the school year should it be deemed necessary by the school administration team.

Order of Acceptance for Pre-K Admissions – Students are accepted in the following order:

1. Full time sibling
2. Full time parish affiliated
3. Full time
4. Part time sibling
5. Part time parish affiliated

Applications

Applications for the general public are available after our November Open House. **If there is a sibling of a current student coming to the school for the first time, it is necessary to file an application. This is particularly important in pre-kindergarten and kindergarten. Applications are available in the office and at www.st-cecelia.org** Re-enrollment for current St. Cecelia Catholic School students takes place in January.

Registration

One registration fee per family will be paid for all current students or new students approved in advance for admission, for reservation of their space for the following year. This payment is due no later than February 19th; or, for newly accepted students, upon acceptance to SCS. Failure to make this payment when due will make the space(s) available to the first children on the waiting list for that grade. **THE FEE OF 150.00 IS NON-REFUNDABLE.**

Age Requirements

- A child must be three (3) years of age to be admitted to the Pre-K3 program.
- A child must be four (4) years of age on or before September 1st to be admitted to the Pre-K4.
- A child must be five (5) years of age on or before September 1st to be admitted to kindergarten.
- In order to enter first grade, a child must have satisfactorily completed kindergarten and be six (6) years of age on or before September 1st of the school year. Exceptions – out of state transfers.

Florida Health Certificate

Health Requirements Pre-K

Each child must have current health records on file in the school office which include a current Student Health Examination and a Florida Certificate of Immunization.

Immunization Records and Health Requirements - Grades Pre-K – 8

The State of Florida requires each student to have a current record of immunization on file in the school office. Each student entering Pre-K must have a current Student Health Examination and a Florida Certificate of Immunization on file. Parents are asked to help us comply with this regulation by providing this information each year. A health exam by a Florida physician is also required to be in each student's folder. This is a requirement upon entering school in Florida; this is not required to be repeated each year. Children attending kindergarten through eighth grade are required to have a second dose of measles vaccine, preferably MMR. Students attending kindergarten are required to have the Chicken Pox vaccine. Students attending kindergarten through first grade and seventh through ninth grade are required to have the hepatitis B vaccine series. Students attending seventh through ninth grade are required to have a tetanus diphtheria, or Td booster. Students are not permitted to start school until these health requirements are completed and the school has received the immunization forms. Meningitis inoculations are considered for 7th and 8th grade students. Please discuss this with your pediatrician.

Immunization Exceptions

Some students may be exempt from immunizations due to medical reasons. A medical exemption form must be completed by a licensed medical physician and be renewed each school year. **A religious exception is not recognized by the Diocese of St. Petersburg.**

However, notwithstanding these exemptions, in the event the school or center believes in good faith that a greater risk exists to the faculty, staff and/or students, the principal, upon consultation with the pastor and superintendent of schools, may reject the exemption for the greater good of the school or center.

FINANCES

Tuition Payment Policy

There are two options for tuition payment:

- 1) FACTS Tuition Management System
- 2) Tuition may be paid in full directly to SCS. Any tuition paid in full must be received by August 1st.

Tuition is payable through FACTS Tuition Management Company. An account can be set up through the following link: <https://factsmgt.com/signin/3V4VC> . Contact Facts with any questions at 866-412-4637. There are a variety of payment dates and payment methods to choose from, as well as the frequency of payments from monthly, quarterly, or semi-annually.

It is important to stay current with tuition payments as there is a late fee assessment of \$25 for any payments made after the due date. Past due tuition after 60 days may put your child's continued attendance in jeopardy if satisfactory alternative arrangements are not made after consultation with the Business Office and approved by Administration. If students are withdrawn, no report cards or student records will be released until all outstanding financial obligations are met. In order for students to return to SCS, all past financial obligations must be current.

Per student fees are due at specified times during the registration /re-registration process and are non-refundable.

Finance Policies:

1. New family application fee: \$150.00
2. In order for eighth grade students to sit for final exams and participate in graduation activities all tuition, fees, and Mandatory Hours of Service/fees must be paid in full by May 5, 2023. Any eighth-grade student whose is not current with tuition payments, including siblings, and any other financial obligations including Mandatory Hours of Service/fees will not sit for final exams nor will they be allowed to participate in the graduation activities.
3. Parents of students in grades Pre-K-5 who are not current with tuition payments and other financial obligations including Mandatory Hours of Service/fees will not receive a Letter of Invitation to re-register their child for the following year.
4. Parents of sixth and seventh grade students who are not current with tuition payments, including siblings, and any other financial obligations including Mandatory Hours of Service/fees will not receive a Letter of Invitation to re-register their child for the following school year nor will these students be allowed to sit for final exams.
5. Report cards are mailed once all financial obligations are met including Mandatory Hours of Service/fees.

Tuition Rates for 2022 – 2023

Pre-K3	Times	Tuition	10 Month Payment Plan	12 Month Payment Plan Current Families Only
Full Day	7:50 – 3:00	\$7,774	\$777	\$648
Half Day	7:50 – 12:00	\$5,830	\$583	\$485

Pre-K4	Times	Tuition	VPK Funding	Parent Resp.	10 Month Payment Aug. - May
Full Day	7:50 – 3:00	\$7,774	\$2,803	\$4,971	\$497*

* VPK funding applied.

Tuition Rates for 2022 – 2023

2022-2023	Yearly	Monthly-Payable over 12 months
Actual Cost Per Year		First payment due July 1 st
Parish Affiliated (with parish verification form)		
1 Student	\$7,774	\$648
2 Students	\$14,876	\$1,240
3 Students	\$21,236	\$1,770
Non-Affiliated		
1 Student	\$8,645	\$720
2 Students	\$16,625	\$1,385
3 Students	\$23,866	\$1,989

Feeder Parishes are: St. Brendan, St. Catherine, St. Cecelia, and Light of Christ

It is important to realize if you are paying the Parish Supported Student tuition rate, your parish is contributing \$871 per child to the school on your behalf as an active parish member. Please check with your own parish to determine what is expected to receive monetary parish support and bring a completed Parish Verification Form to the school office.

Non-feeder parishes

If you are a registered member of a non-feeder parish, you are eligible for the Catholic Student tuition rate with a completed Parish Verification Form.

Parish Verification Form

Each new school year, during re-enrollment, a Parish Verification Form (PVF) must be completed by the pastor for each parish student applying to St. Cecelia Catholic School. Parents are responsible for getting a PVF from the school office and delivering it to their pastor. **Family support for tuition is determined by each feeder parish.**

Tuition Assistance / Scholarships for K-8 Students:

Tuition Assistance is available. Applications for tuition assistance begin in the spring of the year preceding the school year of which you are seeking assistance.

1. **AAA Income Based Scholarship** – The AAA foundation is another tax credit scholarship administrator in addition to Step Up. AAA also administers the income-based scholarship that provides scholarships for qualifying families with students in grades K-12. The scholarship currently covers a maximum of \$7,972 for grades K-3 and \$7,393 for grades 4-8 toward private school tuition. Income eligibility guidelines based on the size of your family, and are the same as Step Up for Students. You can find additional information under the following link: [Florida Parents - AAA Scholarship Foundation \(aaascholarships.org\)](http://Florida Parents - AAA Scholarship Foundation (aaascholarships.org))
2. **CSTAG** – (Grades K-8) Catholic Schools Tuition Assistance Grant is a financial need based scholarship available to active and participating Catholic families. The application period is open beginning in February for the following school year and applications can be made through FACTS Grant and Aid. <https://online.factsmgt.com/signin/3v4vc> Please note: If you receive any state scholarship, you are not eligible for CSTAG.
3. **Step Up For Students Family Empowerment (FES) and Florida Tax Credit Scholarships (FTC)** are income based scholarship that provides scholarships for qualifying families with students in grades K-12. The scholarship currently covers a maximum of \$7,972 for grades K-3 and \$7,393 for grades 4-8 toward private school tuition. Income eligibility guidelines are based on the size of your family, and other information can also be found at: www.stepupforstudents.org.

4. **FES UA** – Formerly the Gardiner and McKay scholarships are now under FES-UA and are special needs scholarships that can cover over \$10,000.
5. **Mary C. Forbes Foundation** (Grades K-8) - This scholarship is financial need based and only available to active and participating members of their Catholic parish. Applications are available in the spring for the following school year. Applications can be made at: [Home - Mary C. Forbes \(marycforbesfoundation.org\)](http://Home - Mary C. Forbes (marycforbesfoundation.org))
6. **St. Cecelia Tuition Assistance Fund** – (Grades PK3-8) Each year funds are set aside in the school's operating budget to help families keep their child(ren) in Catholic school. Applications are made through FACTS Grant and Aid <https://online.factsmgt.com/signin/3v4vc> beginning in February of each year for the following school year.

For Pre-K 4 students: The State of Florida participates in the Voluntary Pre-K (VPK) program. All four year old students regardless of income are eligible to receive VPK funding. More information is available on the following website: elcpinellas.net

SCS Financial Assistance may be available mid-year to families in need with students in grades K – 8 only. Requests should be made by contacting the school Business Office, then applying at <http://factsmgt.com/parentresources/apply-for-financial-aid/>

Delinquent Accounts

Our school's main source of income is tuition. When accounts become delinquent, it has a direct negative impact on the school. Any outstanding tuition after 60 days will put your child's continued attendance at SCS in jeopardy. Please contact the Business Office if you are experiencing financial difficulties. If financial obligations are not met, students will not be allowed to return to school until acceptable terms are agreed upon. Payment of all financial obligations for eighth grade students, including June tuition and Mandatory Hours of Service, are due before the student sits for final exams.

In order for sixth and seventh grade students to sit for final exams tuition, fees, and Mandatory Hours of Service /fees must be current to date. Financial obligations **MUST** be completed for all students before report cards are sent and transcripts released to other schools. Financial obligations include tuition, fees, Mandatory Hours of Service, all books returned, and any other fees owed to the school. **Without exception, no student will be reregistered until all financial obligations from the previous school year have been met.**

Late Registration

For new students enrolling after school has started, the full registration fee, general fee, and first tuition payment are due the month a student enters school. The balance of tuition due to the school will be prorated based on the enrollment date and the number of school days remaining.

Withdrawal

If a student withdraws from school, it is the responsibility of the parent to request a transfer from the school office in writing. A forwarding address and withdrawal date must be provided at the time of the transfer request. All fees are due to the school regardless of early withdrawal. Tuition payments must be current and parents are also required to pay 20% of the remaining balance due for the school year upon withdrawing their child.

**All financial responsibility to St. Cecelia Interparochial Catholic School and any other related organizations must be fulfilled before a student is withdrawn. No transfer of records will be given or released until all financial settlements have been secured.*

SCHOOL HOURS

Office Hours

The school office is open Monday through Friday from 7:30am - 6:00 pm.

Student Instructional Hours

7:50 am - 3:00 pm

The student's school day begins when the first bell rings at 7:50am with announcements, the pledge of allegiance, and prayer.

Student Arrival and Dismissal

Student Arrival

7:30 – 7:50

Student Dismissal

3:00 p.m.

Parents who do not arrive by 3:15 will need to pick up their child in the Extended Day Program. Parents will be charged a fee to be paid at the time of pick up.

Before Care & Extended Day Programs

A before care program is offered for students in grades Kindergarten through eighth grade from 6:30 am – 7:30 am. School personnel will meet students and their parents at the gate in the morning. The family registration fee if using before care only is \$25 per year. The monthly fee for students attending regularly is \$68 per student. For students occasionally attending before care, the daily drop in rate is \$7.00 per day.

SCS offers an after school care program for students in grades pre-kindergarten through eighth grade until 6:00PM. An SCS staff member coordinates this program. There is a family registration fee each year of \$65.00. For students attending regularly, the annual fee is \$2,100 per student and is divided over 12 monthly payments of \$175.00 each month and should be paid with the tuition. For students attending occasional aftercare, the daily drop in rate is \$17.00 per day.

Half-Days: On half days, the fee is \$20.00 per day for occasional students. The annual amount will be pro-rated on a daily basis for late admissions or early withdrawals. Please address specific questions to the business office. Any student picked up after 6:00 pm will be charged \$5.00 for every 5 minutes after 6:00pm. homerooms after their last class. Students are called for extra-curricular activities and car line begins at 12:30 pm for general pick-up. Students should be picked up by 12:45 pm. *Any student on school grounds after 12:55 pm will be sent to the Extended Day Program and the parent will be charged a fee to be paid that day, at the time of pick up.*

ATTENDANCE

K-8 Attendance Policy

The St. Cecelia Catholic School Attendance Policy was written to help parents understand how absences are recorded and the procedures for requesting make-up work.

All absences are recorded as either excused or unexcused. Once a student reaches a total of 15 absences, either excused or unexcused, a teacher-parent conference is required.

St. Cecelia Catholic School reserves the right to decline reregistration for students with absences for 10% or more of the academic school year. This is 18 school days.

Excused Absence

- For 1-3 days of absence(s) due to illness, parent must email the school office, *reportanabsence@st-cecelia.org*, by 9:00 am. each day the student is absent. Students may be absent for illness 3 consecutive school days without a doctor's note, as long as the parent notifies the school office each day to verify their child is sick.
- For 4 or more consecutive days of absence due to illness, the parent must provide a doctor's note documenting the illness. If the school office does not receive a doctor's note for 4 or more consecutive days of illness, these days will be documented as unexcused absences.
- Funeral – Parents are to notify the school office for absences due to a funeral.
- Eighth grade High School shadow days and other school sponsored events off campus, such as Science Fair.
- Saint Cecelia Catholic School reserves the right to request doctor's documentation for multiple random absences.

Unexcused Absence

- Absence without same-day parent notification.
- Absence for illness for 4 or more consecutive days without a doctor's note Vacation or recreational time outside of school

Students absent from school, whether excused or unexcused, shall not attend or participate in school sponsored after-school events on the same day as the absence. This does not include eighth grade students shadowing High Schools or students attending off-campus school sponsored events.

Students arriving late or leaving early must be present for at least four hours of the school day to be eligible to attend same-day after school events.

Make-Up Work

Make-up work for students will never replace teacher instruction or the learning experiences of the classroom. With that in mind, teachers will provide make-up work under the following conditions:

- Make-up work is not provided prior to absences.
- Make-up work is gathered on a daily basis during the student's absence and provided to the student upon their return to school.
- Make-up assessments are scheduled with the teacher.
- Excused Absences:
- Make-up assessments are scheduled with the teacher.

- The number of days absent equals the number of days students have to make-up an assessment. For example, if a student misses two days of school, the student will have two school days to make up the assessment.

Unexcused Absences:

- Students will be required to take missed assessments on the day they return to school. **Test re-takes of these assessments are not permitted** should the student score poorly.
- All formative work not completed will be given the grade of a zero.
- The **Voluntary Pre-K Program (VPK)** reduces funding for excessive absences. A set number of absences are built into the funding. Excessive absences may result in being withdrawn from the program.

Required Attendance Policy Changes for all DOSP Schools

- Excused absences include having, being suspected of having, or being quarantined for a communicable disease or infestation, including, but not limited to Covid-19, head lice, or conjunctivitis.
- Students out of school for an approved period of time due to a medical concern may be recorded as “Present-Medical” if they successfully cooperate with the school in a distance learning program. Approval for the extended time away from school will only be granted with medical documentation approved by school administration.

Homeroom

All students are assigned to a homeroom and are expected to arrive each morning no later than 7:45. Middle School students travel throughout the day as this homeroom group with the exception of the middle school mathematics and language and literature classes. Student placement is determined by the school. Students report to homeroom at the beginning and end of each day for a variety of activities such as whole school announcements, attendance, news/paperwork to take home, collections, and prayer. Middle School students also have Academic Extension class once a week in their homeroom.

Tardy Policy for Grades 1-8

The students’ school day begins when the first bell rings at 7:50 am. Frequent tardiness is unacceptable and detrimental to teaching and learning.

Tardy students must be accompanied to the school office by a parent to receive an admit slip. The admit slip is given to the classroom teacher. If the student is in grades 1-5 the parent may be asked to sign in and walk the student to class.

- All students will be given a grace of ten tardies for the entire year. Tardies due to appointments, with written notes provided to the school office, such as doctor/dentist appointments, are “excused” and do not count towards the ten “unexcused” tardies.
- On the 11th unexcused tardy, student will be sent to the office to pick up a mandatory overnight assignment. Students who arrive the following school day without turning the completed assignment into the office will not be permitted to attend class until the assignment has been completed in the school office.
- The school understands not all tardies are the student’s fault. Sometimes parents are the reason students are late. However, the policy is enforced the same way in all circumstances. Parents who do not want their child sent to the office for an overnight assignment should adjust their morning routines, rather than ask the school to make exceptions to the policy.

Dismissal/Early Dismissal

Regular School Day: 3:00 pm

Early Dismissal Day: 12:30 pm

Requesting students 5-10 minutes before dismissal is strongly discouraged. If students are picked up early, they **must** be signed out in the office. The parent must sign in as a guest and pick-up the child at their classroom.

All arrangements for transportation should be made prior to the student coming to school. It is extremely difficult to give a last minute message to a child about a change of plans. Messages **must** be communicated to the office no later

than 2:15pm in order to give sufficient time for the message to be relayed to the child. In an emergency, we will always do what is reasonably possible for a child to receive a message.

Doctor Appointments

Parents are encouraged to schedule all doctor and dentist appointments after school hours. When emergency demands, the appointment should be made as early or late in the school day as possible.

Signing your child out early is done in the office lobby at the computer station. Only adults may legally sign a student in or out. Sign in as a guest and pick up your child in his/her classroom. If you know in advance your child has an appointment, please send the teacher a note one day ahead of time. Students must make up all work missed due to appointments.

CURRICULUM

The SCS Curriculum Guide is available to all parents through our school website under the “Academics” tab. SCS provides an excellent academic education within the context of a faith-filled environment. Students receive strong academic and spiritual formation throughout their years with us. The Catholic faith is consistently infused into all subject areas, while the instructional practices and assessments are aligned to standards and high achieving outcomes. In addition, learning takes place within an International Baccalaureate Programme to help students become faith-filled young adults with a genuine understanding of how their learning applies to their lives as Christians and to the rest of the world.

Faith Formation and Instruction

Our schools are at the very heart of the evangelizing mission of the Catholic Church because they are called to proclaim the “Good News” of the Gospel to all — to the children who attend, and to the parents of those children, as well as their surrounding communities. We need strong Catholic schools ready for the Holy Spirit to strengthen the lives and faith of children and families, especially in our world today with its secularism and many difficulties. As articulated at a recent Synod of Bishops, *“If evangelization is to be true to itself, it cannot take place apart from education; it is directly related to it.”*

Students receive religious instruction each day and attend weekly school wide Masses. They learn the foundations of our faith, such as prayer, the Eucharist, and the sacraments. They learn about the Old Testament, the New Testament, Church history, and how to live their lives as Catholic Christians. Each school day begins and ends in prayer.

Faith formation is a partnership between parents and the school. Priests visit classrooms occasionally to speak on age appropriate topics and/or give students an opportunity to ask questions. Parents are strongly encouraged to attend Sunday Mass, reception of the sacraments, and prayer a regular part of their family’s life. In addition, school Masses are scheduled for 8:00 am every Thursday, except when a Holy Day of Obligation falls on another day of the week. Students have the opportunity to participate by planning the Liturgy or becoming lectors, cantors, altar servers, or singing in the choir. Our students also participate in school wide Rosaries and Adoration of the Blessed Sacrament. Parents are encouraged to join us whenever possible.

Reconciliation: Catholic students in second grade receive instruction during the school year, as support to the parishes, in preparation for their first reception of the Sacrament of Reconciliation. Initial reception of the sacrament is in the parish. Please be sure to contact your parish about the reception of this sacrament. Reconciliation is offered to our students twice a year with our school pastors and priests.

Eucharist: Catholic students in second grade receive instruction during the school year, as support to the parishes, in preparation for the reception of the First Holy Communion. Immediate preparation and reception of First Communion takes place in the students’ home parish. Please be sure to contact your parish about the reception of this sacrament at the beginning of second grade. A special May Crowning Mass is celebrated in May with the students who have received their First Communion as recognition of the importance of this sacrament. A May Procession is part of the liturgy. Please forward a copy of your child’s First Communion and Reconciliation Certificates to be included in their permanent school record.

Confirmation: This sacrament is offered to most 8th grade Catholic students through the family’s parish.

International Baccalaureate World School (IB)

St. Cecelia Catholic School was authorized as an IB World School in December 2014. IB World Schools commit to an educational philosophy aimed at developing inquiring, knowledgeable, and caring young people who understand the responsibility of caring for others and the world around them. As a Catholic school community with similar goals, the International Baccalaureate Programme is a perfect fit.

In an effort to offer the best education for the students of SCS the school administration, faculty, and board ensure our teachers receive IB training on a regular basis and stay up to date with the latest research influencing the process of learning. Our teachers are the intellectual leaders who empower our students to develop confidence and

emphasize the aspect of “learning how to learn.” This along with community and parent participation makes the spiritual and academic education of our children our most important focus.

Learning with IB is inquiry-based, meaning the focus is on how students learn rather than what they learn. Research suggests most of the content we teach students now will become irrelevant over time, but the process by which they learn won’t.

At the center of the IB education is the student, with their own learning styles, strengths, and limitations. The IB learner is exhibited in the IB learner profile. These ten attributes are what we require our SCS IB learners to strive to become. Through the IB framework students become inquirers, knowledgeable, thinkers, communicators, principled, open-minded, caring, risk-takers, balanced, and reflective. The school community with the help of our parents looks for these attributes in our students and encourage any opportunity to help students grow in these areas. These ten attributes will stay with our students throughout their lifetime.

Safe Environment Curriculum

The Safe Environment Curriculum for Students at St. Cecelia Catholic School is delivered in a comprehensive, integrated approach. The main components of the program consist of Guidance and religion/family life classes and the resources of outside agencies. Students learn how to maintain a healthy mind, body, and spirit through the lens of the Catholic Church. Lessons are introduced as early as Early Childhood with topics such as hand washing. As students move into the higher grades, they discuss caring for God’s creation, healthy relationships, and making good choices. The Administration and School Counselor oversee the Safe Environment Curriculum. For questions regarding the Safe Environment Program or Curriculum, please contact the School Counselor.

Eighth Grade Student Service Hours

As an integral part of their spiritual and moral development, eighth grade students are required to complete a community project. Each project requires a minimum of 15 hours of community service for an approved organization and a formal digital presentation.

Subjects:

The following subjects are included in the curriculum at St. Cecelia Catholic School:

Religious Studies	Mathematics	Sciences
Reading	Pre-Algebra 7	Physical Education
Writing	Algebra I Honors 8	Spanish (Florida Virtual School)
Language Arts	Individuals & Societies	Visual Arts
LA & Literature 6-8	Social Studies	Performing Arts
Handwriting K-2	Florida History 4	Digital Media

*Honors classes are offered in Middle School for Mathematics and Language & Literature.

Middle School Mathematics Classes

- Sixth grade: Grade level or Honors
- Seventh grade: Grade level/Advanced or Pre-Algebra (Honors)
- Eighth grade: Pre-Algebra or Algebra 1 Honors

Criteria for Middle School Mathematics Honors Placement

One of the criteria used for honors placement is a Placement Test. All students are given the Placement Test in May. These test results are used to ensure proper student placement. There are three criteria which must be met in order to qualify for honors math.

1. Passing Score on the Placement Test
2. Terra Nova Assessment Stanine Score of a 7, 8, or 9 in math for two out of the last three years.
3. Final math grade of a “90” for current year

Students who do not pass the Placement Test in May, but have met the other two criteria, may be eligible to retake the placement test during the first week of school in August. To be eligible for a retake the student must complete a portfolio over the summer. The summer portfolio will be provided by the teacher and designed to include work on

the specific concepts and skills each individual student missed on the Placement Test. The portfolio must show evidence the student has mastered these specific concepts and skills. A completed portfolio with evidence of mastery will qualify students to retake the placement test in August. Initial placement in the on-level course does not prevent a student from moving to honors in future years should they meet the above criteria at the end of the year.

Once placed in the Honors math class students are required to:

- Receive a final grade of 80% or higher each grading period.
- Maintain 3s and 4s in all math class ATLs.

Honors class students who are not meeting the above requirements will be placed on probation for the remainder of the trimester. Students on probation who do not receive a final trimester grade of 80% or higher will be moved to the grade level math class. A student will only be given one probationary period during middle school.

Middle School Language & Literature Classes

Sixth Grade: Grade Level/Advanced or Honors

Seventh Grade: Grade Level/Advanced or Honors

Eighth Grade: Grade Level/Advanced or Honors

Criteria for Middle School Language & Literature Honors Placement

One of the criteria used for honors placement is a Placement Test. All students are given the Placement Test in May. These test results are used to ensure proper student placement. The Language Arts Placement Test is a timed writing that requires a student to creatively write a story about a visual prompt. There are three criteria which must be met in order to qualify for honors language arts.

1. Passing Score on the Placement Test (A rubric is used to score the writing.)
2. Terra Nova Assessment Stanine Score of a 7, 8, or 9 for two out of the last three years.
3. Final language arts grade of a “90” for current year

Students who do not pass the Placement Test in May, but have met the other two criteria, may be eligible to retake the placement test during the first week of school in August. In order to be eligible for a retake, the student must complete a portfolio over the summer. The summer portfolio will be provided by the teacher and designed to include work on the specific concepts and skills each individual student missed on the Placement Test. The portfolio must show evidence the student has mastered these specific concepts and skills. A completed portfolio with evidence of mastery will qualify students to retake the placement test in August. Initial placement in the on-level course does not prevent a student from moving to honors in future years should they meet the above criteria at the end of the year.

Once placed in the Honors language arts class students are required to:

- Receive a final grade of 80% or higher each grading period.
- Maintain 3s and 4s in all language arts class ATLs.

Honors class students who are not meeting the above requirements will be placed on probation for the remainder of the trimester. Students on probation who do not receive a final trimester grade of 80% or higher will be moved to the grade level language arts class.

Diocesan and Florida Standards:

St. Cecelia's instruction and assessments are aligned to the Diocesan and Florida Standards. As a Catholic school our learning expectations exceed the Florida Standards, so these standards are considered to be the minimum expectations students must meet at each grade level. Detailed information about the standards can be found at the links below and at cpalms.org.

These documents from the Florida Department of Education show the Florida Standards and indicate which standards have been added, deleted or amended.

- [Language Arts Florida Standards](#)
- [Mathematics Florida Standards](#)

These road maps help inform parents what their children will be learning from Kindergarten through 12th grade.

- Parent Road Maps for English Language Arts
- Parent Road Maps for Mathematics

Textbooks

Textbooks are the property of the school and distributed to students for their academic use. Students may receive other school owned trade books and/or consumable materials for their classes. Students are expected to have a protective cover on their textbooks at all times. Textbooks and school owned trade books must be returned at the end of the school year in good condition or an additional 25% fee will be charged. The replacement cost of a textbook is based on the current year's cost for the book. It is the responsibility of the student to purchase other supplies as the need arises during the year and according to teachers' instructions.

Planners

To encourage and develop organizational skills, students in second through fourth grade use a daily planner provided by the school and students in fifth through eighth grade use an iPad app as their planner

Physical Education

If a student cannot participate in PE because of an illness or injury, an email or written note from a parent or guardian will excuse the student.

STUDENT SUPPORT AND CAMPUS RESOURCES

Guidance

St. Cecelia Catholic School provides a comprehensive guidance program designed to assist students, faculty, and families in promoting highest academic achievement and personal growth. Individual and group counseling techniques are used in conjunction with conferences with parents, faculty, and appropriate agencies to promote optimal conditions for personal growth of individual students. Routine concerns may be handled by the School Counselor. Subsequent sessions may take place as soon as parental permission has been granted. Parents and students are encouraged to contact the School Counselor when any educational, personal, or social difficulties arise at home or at school and are interfering with the student's ability to work to his/her potential. Problems of a more serious nature which are outside the scope of school counseling services, should be handled by outside agencies and are the financial responsibility of the individual family seeking the services.

Guidance Program services also include assistance to the academic support program, interpretation of test scores, study help, organizational skills, student social interactions, and peacemaking initiatives. A character development program is addressed in whole group sessions at each grade level through regular guidance lessons. General and specific services are available for all students, faculty and staff through the school counselor.

Academic Support Services

Student Intervention Team

The Student Intervention Team (SIT) is a team of SCS school personnel who meet regularly to discuss ways to assist students who are experiencing learning or behavior difficulties. The SIT is comprised of SCS school staff. Students are typically referred to the SIT when classroom accommodations have been unsuccessful and additional support is needed. Parents are invited to attend these meetings. Additional testing may be recommended or required.

Parents who suspect their child may have a specific learning disability should know Federal Law requires public school districts to evaluate any student who is suspected of having a learning disability. Parents are the only ones who can request an evaluation through the public school system. After a request for testing, the school district contacts the private school to learn more about the student and determine if he/she meets the criteria for being evaluated. A specific process must be completed prior to a student being evaluated. This process is called Response to Intervention (RTI). RTI is implemented by the private school classroom teacher. The teacher implements research-based strategies and tracks the student's progress for a predetermined amount of time. If a student goes through RTI without making adequate progress then a district evaluation is typically the next step. The results of this evaluation are discussed at a meeting with the parent, the classroom teacher, and a district representative. When a student is eligible for Exceptional Student Education (ESE) Services, through the public school system, a Service Plan is written for the student. The Service Plan includes the type and amount of special education services the local school district personnel will provide the student throughout the school year. The district ESE teacher provides these services either before or after the private school hours for no more than 60 minutes per week.

ADD/ADHD students may also receive accommodations if there is a doctor's letter stating the student has been diagnosed with ADD/ADHD on file with the school.

Academic Support Teachers (AS)

St Cecelia Catholic School has two full-time certified academic support teachers to assist our students with diagnosed learning disabilities. Students have a Student Support Plan (SSP) listing specific accommodations to be implemented in order to ensure a student's success. The Student Support Plan is reviewed annually with the academic support teacher, classroom teacher, and the student's parent. The academic support teachers work closely with the classroom teachers and parents to provide a unified team of support for each student. Depending on the needs of the individual student these teachers may meet with them individually or in small groups in the Academic Support Room or in the regular classroom setting.

Enhanced Learning

Enrichment opportunities are offered to students in first through fifth grade who have been identified as "gifted" under the specifications of the State of Florida and who meet the gifted qualifications of St. Cecelia Catholic School. Please schedule an appointment with a academic support teacher or school counselor for additional information.

Tutoring & Extra Help

All teachers are expected to provide extra help to students who may be struggling or who just need a little extra time to master a skill or understand a concept. Requests for extra help may be initiated by a parent or a student. There is no cost for these extra help sessions and they are never more than 15 minutes. They occur on campus, either before or after school, and are available for any student a teacher currently has in class. Employees of the Catholic schools in the Diocese of St. Petersburg *may not* tutor students for money (\$) if those students are in their current classes or if they are students they may presumably teach in the future.

STREAM (Science, Technology, Religion, Engineering, Arts, Math) Center

As a Catholic school we take STEM two steps further by incorporating religion and the arts to prepare our students to be responsible, faith filled members of the world community. *STREAM...changing the world one innovation at a time.*

The STREAM Center provides our students with multiple opportunities to dream, learn, and create. There are seating areas which encourage collaboration, exploration, and problem solving. There are also areas with a wide variety of books for both study and recreational reading.

STREAM Center Hours:

- Passes are available from the STREAM Center during recess and lunch.
- During the entire school day individuals and small groups are always welcome.
- Please check the posted STREAM Center schedule. Classes will be scheduled jointly by teachers and the STREAM Coordinator.

Borrowing books rules:

- Two week loan: All fiction and nonfiction books except reference books.
- Overnight loan: All reference books including encyclopedias.
- Books may be renewed if there is no hold on the book.
- Damaged and/or lost books will have a fine.

St. Cecelia uses a complete library management system called Destiny. Students and parents may access the school catalog by going to the school website and selecting the student tab at the top, then click Destiny on the left. There you will find the inventory of books available. Third through eighth grade students have login Id numbers they use to sign in to place a particular book on hold. Students may also use the One Search option when completing research.

STUDENT PERFORMANCE

Standardized Testing

TerraNova: Beginning in 2019, The Catholic Schools in the Diocese of St. Petersburg began using the TerraNova standardized achievement test for students in grades 2-8. The TerraNova is a series of standardized achievement tests published by CTB/McGraw-Hill and administered each spring.

ACRE: The Assessment of Catechetical Religious Educations (ACRE) is administered in the spring to the fifth and eighth grade classes. A copy of the testing report is included in the student's file and a report is sent to the parent/guardian.

Assessments

- **Purpose of Assessments:** An assessment is defined as any instrument that is able to indicate or provide feedback on student achievement or performance. The purpose of an assessment may be summarized as follows:
 - To provide information to students in regard to their progress towards mastery of a learning standard(s). In addition, it provides information for self-evaluation and the incentives to learn.
 - To provide information to teachers on the individual student's level of mastery of the content/skill.
 - To allow teachers to use assessment data to plan instruction that will meet the needs of students.
 - To communicate information to parents about student achievement and performance in school.
- **Types of Assessments:** While assessments will take many forms and types, they will be grouped under two broad categories.

- **Formative**

Whenever a student learns new material, he or she needs time to practice and gain familiarity with the material. It is expected that the student will make mistakes during this learning process. Any work done during this learning period is considered *formative*. The purpose of a *formative* assessment is to evaluate where a student is in the learning process, diagnose any problems, and motivate and help the student learn the material. Formative assessments also inform the teacher of learning areas that may need reinforcement or re-teaching. Middle School students are required to submit all assignments by the end of each unit. Assignments turned in after a unit has been completed will not be accepted.

- **Summative**

After a student has had instruction and practice on a topic, including assessments of a formative nature, it is then necessary to evaluate mastery of understanding, content or skills. The purpose of a summative assessment is to evaluate how well a student knows and understands the material.

- **School Wide Assessments**

Students throughout the school use STAR and I-Ready assessments. These are very short tests that students take on the computer. The tests adapt to the students answers and response pattern as the student is taking the test. Teachers are able to use assessment results to learn what students already know, what they are ready to learn next, and monitor student growth.

C. Purpose of Grades

A grade is a recorded score derived from an assessment or assessments. The purpose of grades may be summarized as follows:

- To provide information to students with regard to their performance relative to the learning standard(s).
- To provide information to teachers on the individual student's level of mastery of the content/skill.
- To communicate information to parents about student achievement and performance in school.
- To document student performance for transcripts.

D. The Grade Composition

In order to represent an accurate measure of student performance, the academic trimester grade needs to be based on work that is evaluated for an appropriate level of mastery of the standards. Summative assessments will

therefore be the primary constituent of the trimester grade. They will account for no less than 80% of the trimester grade. Formative assessments will account for no more than 20% of the trimester grade.

- All grading is done using the 100-point scale.
- The lowest “earned” grade is 50.
- An “earned” grade is derived from any assessment that is attempted and handed in.
- An attempted assessment is one where the student has made a diligent attempt to follow the instructions and complete the assessment.
- Assessments not attempted or not handed in will receive zero points.

Completed student work will be assessed and is a direct measure of student learning.

E. Academic Grades

Pre-Kindergarten grades are aligned with assessments shared with the parents.

Kindergarten the following grading scale is used: S=Satisfactory P=Making Progress N=Needs Strengthening

<u>Grade 1</u>		<u>Grades 2 - 8</u>		<u>ATL Grades K-8</u>	
E	Excellent	A	89.5 - 100	4	Exceeds
VG	Very Good	B	79.5 - 89.4	3	Meets
S	Satisfactory	C	69.5 - 79.4	2	Developing
N	Needs Strengthening	D	64.5 - 69.4	1	Rarely

In grades 3,4,5 the following designations may be used for Art, Music and Technology: E = Excellent VG = Very Good S = Satisfactory N = Needs Improvement U = Unsatisfactory for specific electives and /or specials.

Approaches to Learning (ATL) – Middle School

- Self-management - Mindfulness, emotional management, self-motivation, perseverance, resilience, reflection, organization time management, safety, healthy lifestyle, codes of behavior, informed choices
- Social - Accepting responsibility, respecting others, cooperating, resolving conflict, group decision making, adopting a variety of group roles
- Communication - Speaking, listening, reading, writing viewing, presenting, non-verbal communication
- Thinking - Acquisition of knowledge, comprehension, application, analysis, synthesis, evaluation, dialectical thought, metacognition, critical thinking, creative thinking, transfer
- Research - Information and media literacy, academic honesty, formulating questions, observing, planning, collecting data, recording data, organizing data, interpreting data, presenting research findings
- Behavior – Consistently meets, classroom and school wide behavior expectations.

Approaches to Learning (ATL) – Primary & Intermediate

- Self-management - Consistently meets classroom behavior expectations, School supplies, desk, and personal spaces are neat and organized, Turns in completed work on time, Arrives to school/class on time, Uses technology appropriately, Manages emotions at an age appropriate level, Respects uniform and personal appearance requirements, Manages physical movement to not distract self or others
- Social - Respects others in words and actions, Accepts personal responsibility for behavior, Resolves peer-conflict appropriately, Works well with others in any group setting, Ensures others are included.
- Communication - Uses respectful tone, body language, and facial expressions in all interactions, Expresses him/herself clearly in verbal and written forms, Thinks before speaking, Asks for help when needed, Speaks clearly during classroom presentations.
- Thinking - Shares acquired knowledge in verbal and written forms in their own words, Makes connections between acquired knowledge and real-life situations, Summarizes and teaches others what they have learned, Asks thought-provoking questions that are aligned and contribute to classroom discussions, Evaluates their personal learning process.
- Research - Observes, collects, and records data, Organizes data, Interprets and presents data/research findings, Uses a variety of resources to research information.
- Behavior – Consistently meets, classroom and school wide behavior expectations.

Homework

Homework may be assigned as reinforcement or to enrich the learning experience that takes place in school. Parents are asked to cooperate with teachers in supervising these home assignments. The amount of homework at each grade level will vary based on the child, subject matter, and the teacher's requirements.

- At the discretion of the teacher, a child may be asked to remain after school to complete any missing assignment
- *If a student is absent, the school requires the parent to give the school office a 24 hour notice to prepare and gather all missed assignments for that student.*

Parents should not expect homework to be prepared and ready for pick-up the day the student is actually absent.

Late Work Policy

All late work must be completed *by end of each academic unit*. Once the unit and summative assessment is completed, teachers will no longer accept formative assessment assignments for that unit.

Make-Up Work - Students must make-up all work missed due to absence. The student should contact the teacher for information as soon as possible. If a student is absent for two days or less, work should be made up as soon as possible. If a student is absent for more than two days, work must be completed within one school week. If a student has an extended illness, assignments may be requested through the office. Please allow two days for this material to be compiled. **Please know it is the student's responsibility to speak with their teachers regarding make-up of all missed work, including tests. Teachers are very willing to assist students with make-up work but the student must be responsible** (extended absences work will be given out at the teacher's discretion). Incomplete grades may be given under special circumstances at the end of a grading period. **Work not completed within two weeks of the trimester's end will receive no credit and the grade will reflect that average.**

1. Retakes

*The focus of our Catholic schools is to always encourage and support the learning process that leads to mastery. This retake policy supports this emphasis on learning and relearning. Teachers have the discretion to refuse retakes to students who do not fully engage in the learning process prior to the summative.**

The following retake policy is designed to encourage relearning on the part of the student.

Criteria for Retakes Grades K-5

1. The retake process is initiated by the teacher. The teacher will communicate with the parent when a retake is necessary.
2. A student may retake a summative once.
3. Students may be required to participate in additional practice in order to qualify for a retake.

Grades 6-8

1. The retake process **must** be initiated by the student.
2. A student may retake a summative once.
3. The Application for a Retake should be completed by the student (with parent, if needed), signed by student and parent, and returned to the examining teacher no more than five (5) school days after the grade has been posted.
4. On the Application for a Retake, the student will identify the deficient standards/topics and include a clear learning plan and timeline to close the learning gap.
5. Students may be required to participate in additional practice in order to qualify for a retake.

Limitations and Deadlines

1. Only one retake will be allowed per summative.
2. Absences may impact the availability of a retake.
3. All graded formative assessments must be completed prior to the original summative.
4. The retake for any summative in a unit must be completed before the date of the first summative of the following unit.

5. Semester/Trimester exams and summatives which are extended projects with ongoing feedback and clear completion deadlines, do not qualify for retakes.
6. The student will forfeit the retake opportunity if either the scheduled retake date or a scheduled teacher required additional practice is missed, unless excused or rescheduled by the teacher.

Teacher Facilitations

1. Teachers will group summative assessments around specific learning standards to help the student identify deficiencies and plan a successful retake. Teachers will post retake dates when the summative assessments are returned.
2. The retake will only assess the deficient standards, allowing the student to focus on closing the learning gap and improving the assessment score. The higher grade (out of the retake or the original grade) will be recorded for credit in the grade book.
3. Teachers have discretion and may require that a student complete missing ungraded assignments correlated to the deficiencies before the retake is administered.
4. Teachers have discretion over the format of the retake assessment.

*Teachers reserve the right to deny a student from a retake before, during, or after the retake form is completed if the teacher can show due cause as to why there should not be a retake. This may include, but is not limited to, situations that involve academic dishonesty.

Progress Reports

Parents have access to student's grades through the Parent Portal. Teachers will update student records on a weekly basis. Please monitor your child's progress and contact the teacher if there are questions or concerns. A progress report is issued midway through the trimester to any student with a D or F.

Report Cards

Report cards are issued at the end of each trimester and posted on the parent portal. Report cards can be found by selecting E-Locker.

AWARDS AND RECOGNITION

Middle School Honor Roll Qualifications

Principal's List: Grade average is between 95 – 100% in each class. No Conduct or Approaches to Learning Grade lower than a 3.

First Honors: Grade average is between 90 – 100% in each class. No Conduct or Approaches to Learning Grade lower than a 3.

Second Honors: Grade average is between 85 – 100% in each class. No Conduct or Approaches to Learning Grade lower than a 3.

A Conduct or Approaches to Learning grade lower than a 3 will eliminate a student from Honor Roll.

Christian Spirit Award

This award is given once a trimester to two (2) boys and two (2) girls in grades 6, 7, and 8. These students have been nominated and selected by the middle school faculty and staff. Students are chosen for exhibiting Christian spirit in the school in word and deed by standing for his/her faith, demonstrating acceptance of everybody, reaching out to others, and helping fellow students. They have shown maturity in learning and practicing the Catholic faith and sharing their Catholic values with the school community.

IB Learner Profile Award

The IB learner profile represents 10 attributes valued by IB World Schools. These 10 attributes, Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-minded, Caring, Risk-takers/Courageous, Balanced, and Reflective represent the values and characteristics IB and St. Cecelia Catholic School believe help students learn to respect themselves, others, and the world around them. This award is given monthly to a student who in each class

PK 3-5th grade and each grade level in middle school exhibits the attribute of the month. These students are selected by their teachers, PK-5th grade and middle school recipients are nominated and selected by the middle school faculty and staff.

Service Recognition

Students participating in SCS service groups are recognized for the gift of time and talent in service to the school community.

Eighth Grade Graduation

Graduation occurs in May at one our four feeder parishes. Awards are presented at graduation by faculty for outstanding achievement, followed by the awarding of diplomas.

Promotion/Retention/Remediation Policy

Grades K-1

In determining whether a student will be promoted or retained, the teachers and administration will consider how the needs of the student can be met most effectively. If the teachers and administration feel that it is not in the best interest of the student to advance to the next grade based upon criteria listed, retention may be considered. In such cases, a great deal of communication will take place between parents and the school staff. Parents will be given ample opportunity to express their concerns regarding the academic needs of the student. The final decision will rest with the principal as advised by the student's teacher.

Some questions that would influence the staff's decision regarding promotion are:

- 1) Has the student mastered basic concepts and skills in the core subjects (language arts and math)?
- 2) Has the student met Diocesan Standards & Benchmarks?
- 3) Is the student consistently able to complete class work independently?
- 4) Does the student assume responsibility for homework assignments?
- 5) Has the student received multiple N's, I's, U's?

Promotion/Retention Policy: Grades 2-8:

- 1) Any failed core subject (an average of "F" at the end of the year) must be repeated in an approved summer program in order to pass into the next grade at St. Cecelia Catholic School. Florida Virtual School is an approved option.
- 2) Failures in two (2) core subjects at the end of the year constitute a failure in that grade for the year. The subjects need to be successfully completed in an approved summer program or the student may not return to St. Cecelia's. The Administration and teacher will evaluate summer success and make the final determination using evaluation tools. If 3 or more subjects are failed, the student must repeat that grade.
- 3) If an eighth grade student fails two (2) core subjects at the end of the year, he/she cannot graduate. If the student is able to successfully complete these courses in an approved summer program, his/her diploma will be awarded at that time. He/she cannot participate in the graduation ceremony. He/she may or may not repeat at St. Cecelia's at the discretion of the principal.

Remediation Guidelines

The core subjects in the Catholic Schools of the Diocese of St. Petersburg are Religion, Math, Language Arts, Science, and Social Studies. Failure of two core subjects will result in remediation or retention at the discretion of the principal. Failure of three or more core subjects will result in retention.

The following criteria must be met with regard to the remediation process:

- 1.) Remediation must take place in a program which has been approved by administration.
 - 20 contact hours must be completed in the summer with a teacher certified in the subject area contacted by the parent and approved by administration.
**Neither the student's current teacher nor any teacher who presumably will be the Subject area teacher in the near future may tutor/provide remediation for a student.*
- 2.) Prior to the beginning of the next school year the administration must receive:
 - Validation of attendance
 - Proof of proficiency in the subject area(s) including work samples and test scores **Failure to meet remediation guidelines will result in retention.*

- 3.) After above criteria has been met, a student must pass a subject area assessment given by the St. Cecelia Catholic School subject teacher.
- 4.) The following documentation guidelines will be followed after meeting remediation guidelines:
 - the original failing grade is recorded on the permanent record and may not be altered
 - proof of proficiency in the subject area must be recorded separately on the permanent record card
- 5.) *Transfer Rule:* Any student who fails one or more core subject must meet the remediation guidelines of the originating school.

***Note:** Situations involving students with an existing student support plan will be reviewed individually utilizing the student support team process.

Graduation

Graduation at St. Cecelia Catholic School is a public celebration of a student's successful completion of elementary and middle school. Graduation ceremonies for the eighth grade are held at a participating parish. Dress for graduation and May Procession is an academic robe. A reception, given by the seventh grade, follows in the parish hall for graduates, relatives, and friends. An afternoon luncheon and dance are held for the graduates. Awards are presented at graduation by the faculty for outstanding achievement. A student in grade 8 who fails 2 (two) subjects at the end of the year will not graduate and may not participate in the ceremony.

Behavior Expectations

Expectations for Parents and Guardians:

Early intervention and positive working relationships are the key to helping students succeed. Teachers have support from the school administration when it comes to managing student behavior. For this reason, the school administration often gets involved early in the process of working with children who need to improve their behavior. The school administration reserves the right to speak with students during school hours without parent permission or notification. Parents are notified of any student interactions with administration which are considered serious in nature. Many conversations between students and the administration are not serious and are not followed-up by a parent phone call.

Parents are expected to be respectful of the school rules and disciplinary actions. The school reserves the right to dismiss a student based on a parent's lack of support for disciplinary actions, policies, or lack of respect for teachers, staff, or administration. The school also reserves the right to restrict a parent's involvement in the school or interactions with the staff due to what the administration deems to be disrespectful behavior.

We believe all students have the right to learn, pray, and play in a safe and healthy environment. Behavior that negatively impacts the environment for students or staff members will not be permitted. The following is a list of behavior infractions that have a negative impact on the school environment and will not be tolerated at St. Cecelia Catholic School. Any of the following behaviors may result in disciplinary action.

The following expectations must be observed at all times -- in all classrooms, field trips, cafeteria, gymnasium, playground, sporting events, general assemblies and after-care.

Students will be respectful to other students at all times.

- Verbal or physical harassment of other students; name calling, verbal intimidation, threats, continual teasing, etc. through personal interaction, media, or the use of an electronic device. (Students may be disciplined for harassment of other students outside of the school day, if there is reason to believe that the harassment has created an impaired learning opportunity for any student.)
- Physical aggression or physical harm, fighting and/or physical violence
- Bullying or harassment as defined in the Diocese of St. Petersburg Harassment Policy
- Vulgar language or gestures, physically or through the use of media or an electronic device
- Property damage or vandalizing students' possessions
- Stealing, or using property without permission.

Students will be respectful to teachers at all times.

- Interrupting classroom instruction
- Not following the classroom rules for direct instruction, collaboration, or independent work time
- Not following the class rules in the cafeteria, at recess, assemblies, or field trips.
- Not responding appropriately to redirected behavior from a teacher, such as arguing, disregarding, or disrespectful gestures/attitude.
- Displaying a poor attitude, including disrespectful gestures.
- Arriving late for class
- Cheating - copying - plagiarism - forgery

Students will be respectful of the school rules at all times.

- Possession and/or use of cigarettes, matches, vaping, alcohol, illegal drugs, over the counter medications, or prescription drugs, knives, weapons (real or facsimile), laser pointers, or inappropriate pictures/media
- Possessing cell phones, smartwatches, I-Pods or any other non-approved electronic devices on school grounds.
- Possession of potentially hazardous items such as, but not limited to aerosol sprays, skateboards, toys, etc.
- Disregard for uniform policy or dress code.
- Leaving any activity or learning environment, inside or outside, without permission
- Violation of the Internet Use Agreement
- Violation of the Technology Use Agreement
- Damage or vandalism to school property.
- Running, yelling, throwing objects/food, or any such disruptive or potentially harmful behavior
- Public display of affection
- Chewing gum
- Eating or drinking in the classroom, other than bottled water, without teacher permission.
- Repeated violations of any rules of the School

Because it is impossible to foresee all situations that may arise the principal reserves the right, as deemed necessary, to take action for any behavior which violates the spirit and philosophy of our school, even though not specified in this handbook.

Discipline Policy

One of our primary roles as a Catholic school is to partner with parents to teach children the importance of making good choices and treating others with respect. We understand that childhood is a time of learning and development, and during this time, children are going to make mistakes. When this happens, our job is to help children learn from their mistakes and make positive changes to their behavior. Therefore, in most situations, the first step is to work in partnership with parents to help children change their behavior. This often involves, but is not limited to, the following behavior interventions or disciplinary actions:

The following behavior interventions are not steps and are not necessarily issued in the order they appear.

Teacher Intervention

All teachers follow their own classroom procedures, which align to the school expectations and are clearly posted and regularly reviewed. The three most common behavior expectations posted are for the following teaching and learning times:

- Direct Instruction
- Collaboration
- Individual Work or Quiet Time

Teacher responses to inappropriate behavior typically include a reminder to follow the classroom expectations, positive encouragement, verbal warnings, visual warnings (name on board, name moved up or down on behavior chart, etc) change in seating, and/or removal from activities. After repeated disruptions, at the teacher's discretion, the teacher will call or email the parents to inform them of their student's inappropriate behavior and enlist their help and support. The teacher may also administer disciplinary action such as, but not limited to;

- Lunch, Recess, or After School Detentions
- Loss of privileges, such as attending field trips or special events
- Overnight Assignment (See Below for Details)
- Referral to the administration

Meeting with the School Counselor:

Students of all ages may meet with the school counselor for support, not discipline. The role of the counselor is to provide an additional level of support by helping students to achieve in the areas of social, emotional, or academic growth. This support often gives students the tools they need to improve behavior. Students in EC 3 – Grade 2 often benefit from an opportunity to meet with the counselor to learn new skills for improving behaviors. For this reason, students in EC3 – grade 2 will usually be referred to the school counselor if the teacher's interventions are unsuccessful. Like the teacher, the school counselor will continue to communicate with parents.

Administered by teacher after consultation with administration.

- Overnight Assignment
 - Overnight assignments are given by the teacher, with support from the administration. These assignments take precedence over all other assignments and must be turned in upon entering the classroom on the next school day.
 - The teacher and the administration work together to create a developmentally appropriate assignment that will allow the student time to reflect on his/her behavior, and understand the importance of making changes. Students are often required to read a short story that teaches a lesson, followed by reflective questions that relate specifically to their situation.
 - Students who fail to complete an overnight assignment to the satisfaction of the teacher will be prohibited from attending class the following day and receive an immediate referral to the administration.

Administered by Administration:

- **In-School Suspension**
 - In-school suspensions are given after a student exhibits behavior that results in the loss of the privilege to return to class.
 - Students are assigned an area where they will be supervised by a staff member and work alone to complete their assignments.
- **Out-of-School Suspension:**
 - Students may be given an out-of-school suspension any time their behavior is unacceptable. Out-of-school suspensions are typically issued for 1, 2, or 3 days. All out-of-school suspensions are accompanied by a project that must be completed by the child during their time out of school. Students are provided with a project that has been intentionally developed to align to their developmental level and specific needs. The goal of each project is to give students an opportunity to reflect on their choices and understand the importance of making positive changes upon their return to school. Suspension projects are designed to be an opportunity for students to view their behavior from a different perspective and provide the time that is needed outside of school to stop, think, and refocus on positive changes. With parent support, the results can be positive and successful.
 - Each project includes a specific list of criteria that must be met. Failure to meet all of the criteria will result in the child not being permitted to return to class until all the criteria has met the satisfaction of the administration. Students are prohibited from taking part in any school activity/function while on suspension.
 - Removal from the National Junior Honor Society and extra-curricular activities, such as sports, performing arts, Student Council, ambassadors, etc.

- **Expulsion:**

Expulsion usually occurs when the above behavior interventions have not resulted in a positive and continual change in a student's behavior. However, expulsion may also be the first punishment issued, if the serious nature of the behavior, in the sole judgment of the school administration, warrants expulsion. The decision made by the Pastor and Principal shall be final.

The above behavior interventions are not steps and not necessarily issued in the order they are listed. Each child and each situation is completely different. We believe, as a Catholic school, we are called to see the uniqueness of each child, each situation, and the details of the circumstances surrounding each event. It is only after all of these important components are given thoughtful consideration that a disciplinary decision is made.

Formal Appeal Process

If in serious cases (those involving more than five days of suspension or expulsion), the parent or legal guardian wishes to invoke a formal appeal's process, the following procedure must be followed:

1. This policy pertains only to serious disciplinary matters (more than five-day's suspension or expulsion) and is not for academic or other disciplinary sanctions.
2. This appeal process must be initiated by the student or parent(s)/legal guardian as a written request to the school administrator. It must be made within 5 business days from the date of official communication by the school administrator of the disciplinary decision. Failure to request a hearing before the school's panel within these 5 business days forfeits the right to a hearing.
3. The panel shall consist of five members comprised from any of the following selected by the principal in consultation with the pastor:
 - A member of St. Cecelia School Advisory Commission designated by the principal and pastor. (one) □
 - A priest/priests designated by the pastor. (one or two)
 - Teacher/teachers or professional staff member/members designated by the principal and pastor. (one to four)
4. The panel will convene within five business days after a request for a hearing.
5. The panel may review written material and hear oral testimony, including that from the student and his/her parent(s)/legal guardian.
6. The deliberation of the panel is limited to determining the following:
 - An act has taken place in clear violation of the code of conduct, the mission of the school or the parameters indicated in the Parent/Student Handbook.
 - The student(s) is/are known to have committed the violation.
 - The sanction was issued based on the parameters in the Parent/Student Handbook. If the sanction is found not to be within the parameters of the Parent/Student Handbook, the issue will be returned to the principal and the disciplinary committee for reconsideration.
7. The decision of the panel and the action taken should be documented and placed in the student's file with copies mailed to the parent(s) or legal guardian and to the Diocesan Office of Catholic Schools within 3 business days of the completion of the local appeal panel's hearing.
8. If the student or parent(s)/legal guardian wish to appeal the local panel's decision, a written request to do so must be made by the student/parent(s)/legal guardian within 10 business days from the date of the official communication by the local appeal panel. This next written request is to be directed to the Office of Catholic Schools and Centers with a copy to the local school administrator.
9. The Office of Catholic Schools and Centers may not be involved in any local panel's decision until such time as all the aspects of Item 7 have been fulfilled.
10. The Office of Catholic Schools and Centers will conduct an internal, administrative review only of the local appeal panel's decision to determine if the process was followed. There is no hearing at this level.
11. The Office of Catholic Schools and Centers will render a decision within 10 business days from the receipt of request for a diocesan level appeal. Copies of the Superintendent's decision will be mailed to the student and his/her parent(s)/legal guardian as well as to the local school administrator.
12. The decision of the Superintendent in the appeal process is final. If the process was not followed, the matter is returned to the school for re-evaluation using proper procedures.

Harassment and Anti-Bullying

Harassment Policy

St. Cecelia Catholic School, Clearwater, Florida strives to establish a Christian, professional and supportive educational community for administrators, faculty and staff, parents, and students. The Diocese of St. Petersburg has adopted and promulgated a harassment policy for its schools which addresses behaviors that interfere with fulfilling the school's mission. We, at St. Cecelia Catholic School, condemn any form of harassment. Concerns should be reported directly to the School Counselor. All credible allegations will be addressed according to the Diocesan policy.

Anti-Bullying Policy The Office of Catholic Schools and Centers of the Diocese of St. Petersburg (herein referred to as the "DOSP") and each school within the DOSP (herein referred to as the "School") are committed to promoting a safe, healthy, caring, spiritual, and respectful learning environment for all of its students. The DOSP and each school is committed to protecting its students from bullying and/or harassment. As such, bullying and/or harassment is strictly prohibited, will not be tolerated and shall be just cause for disciplinary action. Therefore, this anti-bullying policy prohibits any unwelcome physical, social, electronic, nonverbal, verbal or written conduct directed at a student by another student.

St. Cecelia Catholic School (SCS)
Student iPad Use Agreement 2022-2023

I understand the iPad I have been issued is not a personal iPad. It is owned by the school and is for school use only. As a student I agree to:

1. **Only use my iPad when instructed by my teachers.**
2. **Only use apps on my iPad that a teacher has agreed I can use in the lesson.**
3. **During a school assignment, I will never record or photograph a classmate without their permission.**
4. **I will not visit websites unrelated to school assignments.**
5. **I will not use the iPad for personal use or have any personal photos or videos on my iPad.**
6. **I will not share my iPad with classmates or touch anyone else's ipad.**
7. **I will not email anyone during school hours such as friends or family members.**
8. **No gaming other than teacher approved apps during teacher approved times.**
9. **I will not place decorations (such as stickers, markers, etc.) on my iPad or case. I will not deface the serial number iPad sticker.**
10. Bring a fully charged iPad to school each day.
11. Keep the iPad with me or secured at all times and I will never leave my iPad unattended.
12. Keep food and beverages away from my iPad since they may cause damage to the device.
13. Not disassemble any part of my iPad or attempt any repairs.
14. Protect my iPad by only carrying it in the school provided protective case.
15. Have no expectation of privacy on any information stored on, accessed from, or used with the iPad, and that appropriate school officials and technicians may monitor it or access its contents at any time.
16. Submit my iPad for inspection at any time without notice.
17. Bring my iPad to the Tech department when a repair or replacement is needed. An assessment will be made to determine what repair is needed and a loaner may be issued based upon the expected replacement time.
18. Be responsible for all damage and/or loss of my iPad.
19. Have a police report filed in case of theft or vandalism, and report other acts to the school immediately.
20. Return my iPad, case and power cords in good working condition at the end of the school year or on the date I graduate, withdraw, or my enrollment at SCS is terminated for any reason.

As an SCS student, I understand I am responsible for following all of the above rules. I also understand that if I choose not to follow the rules listed in **BOLD**, or I do not take care of my iPad responsibly, I will receive a mandatory overnight assignment which must be signed by my parents and turned into Mrs. Letizia before returning to class the following school day.

Student signature

Date

I understand the iPad my child has been issued is not a personal iPad. It is owned by the school and is for school use only. As a parent, I agree:

21. Review this agreement with my child prior to signing it.
22. Never email or message my child during the school day.
23. Ensure my child cares for and respects their iPad.
24. Immediately report any loss or theft which happens out of school firstly to the police and then to the school.
25. I understand the iPad will be labeled with a SCS approved label that cannot be removed for any reason.
26. iPad is for school use only. No summer use is permitted. Students will be required to return the iPad, protective case, charging block and cable at the end of the school year.
27. I understand AppleCare covers the device, charging block and charging cable. Screen breaks along with water damage are considered accidental damage and are assessed a fee of \$49 (each) for the first and second incidents. The need for a third repair is not covered and would be the full responsibility of the family. Any

repairs not covered by AppleCare will be charged to the student's family. Upon receipt of payment another iPad will be issued.

A charge of \$40 (grades 2-8) will be assessed for each lost power cord and/or adapter, and a \$90 (grades 6-8), \$35 (grades 2-5) charge for a lost or damaged case. Upon receipt of payment another iPad will be issued.

Theft is not covered by AppleCare+, therefore the family will be charged for the replacement cost of a lost or stolen iPad. Upon receipt of payment another iPad will be issued.

Parent Signature _____ Date _____

SCS agrees to:

- Provide each student with an iPad to access a range of eLearning apps.
- Provide students with a range of learning opportunities which make use of the iPad both in school and at home.
- Provide a protective case, charging block and charging cable for the iPad. Students may only use the school issued protective case.
- Enroll the iPad in Airwatch Mobile Device Manager.
- Enroll iPad in AppleCare which includes 24/7 Apple Technical Support.

Student Name _____ Homeroom_____

COMMUNICATIONS

Contact Information

Please inform the school office immediately in writing if you change your address, telephone, email, job or emergency information in any manner. **It is vital that we are able to contact parents at any time during the day in case of an emergency.** Forms are available for this in the school office.

Communication

As a parent or guardian, **please contact your child's teacher** if you have questions or problems regarding your child (academically or behaviorally). If additional assistance is needed after speaking with the teacher, contact the Assistant Principal who will work with the parents and teacher. The next level of communication would be the Principal and finally the Pastor-In-Charge.

The administration and faculty of St. Cecelia Catholic School are committed to working with parents regarding the academic and behavioral progress of your child(ren). In fairness to all the children at St. Cecelia Catholic School, we are unable to conference with parents while we are engaged in other responsibilities that require our full attention. Spontaneous conferences at drop off and pick up times are not appropriate and compromise the teacher's supervision. If you have a question or concern about your child(ren)'s academic and/or behavioral progress, you are asked to schedule an appointment with the teacher at a time that is mutually convenient in order to facilitate a focused and productive conversation about your child(ren).

We expect the faculty and staff of St. Cecelia Catholic School to conduct themselves in a professional, respectful, and Christian manner in all aspects of their teaching responsibilities, including their interactions with you, the parents. We hold these same expectations of parents or guardians when interacting with the members of our administration, faculty and staff. Parental behavior that violates these expectations may result in the removal of your child(ren) from St. Cecelia Catholic School or other parental restrictions.

Messages

Urgent messages must be delivered through the school office. Emergency messages regarding dismissal should be made before 2:15pm to ensure communication with the student and the teacher. As a proactive security measure, parents are not allowed in the halls or in classrooms after the morning bell or before the final dismissal bell in the afternoon unless they have signed in as a volunteer or for a specific reason.

Conferences

At no time should a parent be in doubt about his/her child's academic progress or behavior. Parents are notified of a child's academic progress through the Parent Portal and the report card. **If there are questions, the parent should email the teacher and request an appointment with the teacher before or after school or at a time that is convenient to both.** Please avoid impromptu conferences at drop-off or dismissal. Teachers may also request conferences with a student and/or his or her parents in order to give or arrange individual help or to clear up misunderstandings. There will be scheduled conference times available during the first semester. Communication between parents/guardians and the teachers is encouraged throughout the school year.

Newsletter

The school's newsletter is emailed on a weekly basis. Please notify the school office if you do not receive the weekly newsletter.

School Notices

Announcements and general notices will be emailed or sent home during the school year to keep you informed about school activities and expectations. Please read these publications carefully and, when requested, sign and return them to school promptly. A weekly newsletter and other notices will be emailed at the end of each week. The Parent Portal is our main tool of communication. All announcements, written or verbal, must be approved by the principal before distribution. The deadline for submitting items for the weekly bulletin is Tuesday afternoon. Personal advertisements are not accepted.

Web Site

The St. Cecelia Catholic School website may be accessed online. Type in www.st-cecelia.org to find the weekly calendar, Parent/Student Handbook, and other items of interest.

STUDENT INTERNET USE POLICY

Student Internet Account Agreement

I. Student Section

By signing the Parent Student Handbook Form, I state that, I have read the Diocesan Student Internet Use Policy and the Wireless Network Internet Access Policy which is made a part of this Agreement, by reference. I agree to follow the rules contained in this policy. I understand if I violate the rules, my account can be terminated and I may face other disciplinary measures.

II. Parent or Guardian Section

By signing the Parent Student Handbook Form, I agree that I have read the Diocesan Student Internet Use Policy, which is made a part of this Agreement, by reference. I hereby release the Diocese and school, its personnel, and any institutions with which it is affiliated from any and all claims and damages of any nature arising from my child's use of, or inability to use, the School Internet system, including but not limited to claims arising from the unauthorized use of the system to purchase products or services or exposure to potentially harmful or inappropriate material or people. I understand I can be held liable for damages caused by my child's use or misuse of the School Internet system.

I will instruct my child regarding restrictions against accessing material in addition to the restrictions set forth in the Diocesan/school policy. I will emphasize to my child the importance of following the rules for personal safety.

By signing the Parent Student Form, I agree that I hereby give permission for my child to use the School Internet system. I understand this permission includes permission for my child to access information on-line through the World Wide Web, receive e-mail communications through a class account or individual e-mail account, if applicable, and engage in other educationally relevant electronic communication activities.

Wireless Network Internet Access Policy

Students are expected to abide by both aforementioned policies.

1. Purpose

Use of wireless mobile learning devices (WMLD) are becoming increasingly prevalent in education. These devices can greatly supplement and enhance the academic learning environment. Your teacher has asked for student use of WMLD as an instructional aide to add to the student learning process. For this reason the internet access use policy addendum needs to be added.

2. Policy

While in some instances the possession and use of WMLDs by students at school may be appropriate, the possession and use of such devices or objects by students at school can have the effect of distracting, disrupting, and intimidating others in academic setting and leading to opportunities for academic dishonesty and other disruptions of the educational process. The purpose of this policy is to vest with school administrators and staff the authority to enforce reasonable rules relating to student use of such objects or devices at St. Cecelia Catholic School.

Background

St. Cecelia Catholic School offers wireless Internet access for school owned and personally owned devices (POD). In addition, the St. Cecelia Catholic School wireless network utilizes a WPA2 wireless security protocol.

3. Procedure

3.1. Definitions:

3.1.1. Acceptable Use: Students are not permitted to use any type of WMLD during class time, passing periods or breaks without the permission of the teacher or school administration. All WMLDs must remain turned off and out of sight while on campus. Some teachers may allow students to use these devices in class, but such use should not disrupt the learning environment and must conform to the policies set forth.

3.1.2. Prohibited Use: Any use that violates local, state and/or federal laws.

3.2. Prohibited Uses:

Students are not to use material, images or text message to invade personal privacy or harass another person, or disrupt the instructional day, or engage in dishonest acts. The following are inappropriate uses of electronic WMLDs:

- 3.2.1** Harassment, threats, intimidation, cyber bullying/cyber threats of other students, teachers, staff or school administration via cellular phone calls, SMS text messaging or by the use of MMS picture messaging.
- 3.2.2** Passing or transmitting otherwise secure information, i.e. electronic forgery.
- 3.2.3** Invasion of personal rights in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include but are not limited to locker rooms, restrooms, and any other areas where students or others may change or be in any stage or degree of disrobing or changing clothes.
- 3.2.4** Cheating on tests/exams by either transmitting or receiving test/exam information or images before, during, or after the administration of the test/exam.
- 3.2.5** Violation of any other school policy or other forms of illegal behavior during the instructional and non- instructional day.
- 3.2.5** Image capture or intended image capture anywhere on the campus of St. Cecelia Catholic School either indoors or outdoors, without administrative approval. “Image capture,” “photography” and “videoing” refer to any kind of image capture, still or moving, obtained by any photographic device including still image cameras, video cameras, CCTV cameras, webcams and photographic/video enabled cell phones, and any other type of image capture device not specified here, whether digital or not, using technology existent at this time or in the future. In addition, the uploading of said images to public venues, such as social networking sites.

3.3 Privileges and Discipline:

- 3.3.1** Students may have WMLDs in their possession or in their lockers at other times as long as the device is powered down and the device is out of sight in a pocket, bag or backpack.
- 3.3.2** If a student receives permission by a teacher or school administration to use a WMLD, it shall not disrupt the educational program.
- 3.3.3** If disruption occurs, the school staff shall direct the student to turn off the WMLD and confiscate it. In the event a school staff member finds it necessary to confiscate a device, it will be returned in accordance with school policy as stated in the St. Cecelia Catholic School 2016 – 2017 Parent/Student Handbook.

4. Non-Employee Use

Each time someone accesses the St. Cecelia Catholic School wireless network (SCSWN), they agree to the terms listed below.

Terms

St. Cecelia Catholic School will not be held liable for any damage that may occur as a result of connecting to the SCSWN or any electrical power source.

St. Cecelia Catholic School will not be held responsible for any physical damage, loss or theft of the personally owned device.

The SCSWN will provide filtered Internet access and related web-based services only.

St. Cecelia Catholic School reserves the right to inspect, at any time, any personally-owned device while connected to the SCSWN. Any other inspection of any personally-owned device is subject to the requirements set forth in the St. Cecelia School Parent/Student Handbook.

Personally-owned WMLDs will only be connected to the network at designated locations.

St. Cecelia Catholic School will not be obligated to supply electrical power access where such access does not already exist.

Persons connecting computers to the SCSWN agree to maintain current anti-virus software enabled on said devices.

Illegal, destructive, harmful or any other inappropriate activities, including, but not limited to computer hacking, cyber-bullying, accessing offensive/obscene materials, engaging in illegal activity are strictly prohibited as set forth in St. Cecelia Catholic School Parent/Student Handbook and local, state and federal laws.

The parents and/or guardians of any student bringing personal technology to school agree to be responsible for and to reimburse St. Cecelia Catholic School for any damage that their student may cause arising out of and relating to the use of the SCWN with his/her personally owned device.

6. Monitoring

Through the use of sophisticated hardware, all users accessing the Internet through the St. Cecelia Catholic School wireless network will be monitored and all website activity tracked.

Any WMLD accessing inappropriate material on the Internet will be added to a device blacklist, preventing future connection to the St. Cecelia Catholic School wireless network.

7. Enforcement

The St. Cecelia Catholic School administration reserves the right to pursue legal recourse for activities conducted upon the devices and networks utilized in the education setting on campus in which it deems inappropriate or illegal by local, state and federal laws. Any abuse of the law will be immediately reported to law enforcement.

EXTRA-CURRICULAR ACTIVITIES

St. Cecelia Catholic School sponsors a variety of extra- curricular and/or after school activities and organizations. These extra-curricular activities provide students with an opportunity for experiences and accomplishments beyond the regular classroom.

Student participation in an activity or an organization is always optional. Any student participating in an activity or an organization accepts the responsibility of representing St. Cecelia Catholic School. Therefore, the school reserves the right to decide which students deserve the honor of participating in the name of St. Cecelia Catholic School.

Philosophy

The goal of St. Cecelia Catholic School is to develop each child spiritually, morally, academically, socially, emotionally and physically. To meet this goal it is incumbent upon the school to offer various opportunities for students to maximize their individual growth in each of these areas, realizing that each child's talents will vary. However, to accomplish the goal of developing the whole child, all these interdependent areas must remain in balance. Focus on one area, regardless of the success attained, can lessen the possibility of the student's full development and cannot substitute for development in all of these areas. The following policy is offered in order to ensure the proper balance between these critical areas of development.

Extra-Curricular Eligibility (K-8)

Participation in a school sponsored extracurricular event, such as sports, performing arts, cheerleading, Odyssey of the Mind, etc. is a privilege that requires a student to balance participation times, games and their academic responsibilities. Students must maintain a 70 percent or above in all subject areas and an S in all specials. Students with a Student Support Plan may have alternative criteria and will be assessed by teachers for consistent academic effort. If a student does not meet these requirements, they may be ineligible for one or more games.

Unacceptable behavior during the school day or during any school sponsored activity may result in suspension from a club, activity or sport for a determined amount of time. Suspension decisions are made in consultation with administration. When such a suspension occurs the parent will be notified by the director and the student will not participate in the club, activity or sport. In addition, other appropriate disciplinary sanctions may be imposed as indicated in the Discipline Policy.

The student must have a 3 or above in conduct for all subject areas. If a student is serving a detention the day of an extracurricular activity, he/she will not be able to participate in the event until after the detention is served. Students may not participate in an extra-curricular activity on the day he/she serves an in/out of school suspension.

Students must be present for a minimum of 4 hours of the school day in order to be considered eligible to participate in an extracurricular activity. If a student is absent from school or leaves school early due to illness (even if they meet the 4 hour minimum), the student cannot participate. If the activity is on a Saturday, the student must be at school on the Friday before.

If a student is shadowing at a high school, it is the student's responsibility to get a shadowing form signed by the high school office, at the end of the day, to ensure they are present. The shadowing form needs to be turned in to the school office to ensure eligibility for the SCS extra-curricular activity.

The athletic director, adviser, or coach, in consultation with the principal, reserves the right to suspend or remove any student from the school sponsored activity. The principal maintains the discretion to adjust consequences as needed.

Extra-Curricular Activities

The Performing Arts Drama Club

Students gain valuable life skills through their participation in our performing arts productions. Drama Club is offered to students in grades K-8 and performs a winter and spring production each year. A Participation Fee and a Volunteer Commitment Form is required from all families.

A drama production requires many hours of hard work not only from the student, but from the parent(s) as well. Students typically rehearse 3-4 days a week for approximately 1 ½ to 2 hours.

It is important for students to commit to attending all rehearsals. Drama performances are a team effort and multiple absences create a need for more rehearsals and longer rehearsal times. Cast members who are in the main cast roles must be in attendance at rehearsals they are called to attend or they will be replaced by an understudy. If any student must miss a rehearsal due to an illness or an appointment, they must contact the director before the rehearsal time.

There are many volunteer positions that need to be filled in order to have a successful performance. For this reason, each family is required to complete a Volunteer Commitment Form.

Any student who is not picked up within ten minutes of the rehearsal dismissal time will be sent to the Extended Day Program. Any charges assessed will be the responsibility of the parent.

Unacceptable behavior during the school day or during any school sponsored activity may result in suspension from a club, activity or sport for a determined amount of time. Suspension decisions are made in consultation with administration. When such a suspension occurs the parent will be notified by the director and the student will not participate in the club, activity or sport. In addition, other appropriate disciplinary sanctions may be imposed as indicated in the Discipline Policy.

Altar Servers

Catholics students in third grade and above who have completed a parish-based training program are invited to Altar serve at school Masses. Altar servers must be reverent, polite, and a positive role model for their peers in every aspect of school life.

Liturgical Leaders

Liturgical Leaders are senior altar servers chosen from among the 8th grade class who assist the school DRE and priests with the organization of school liturgies.

Cantors

Cantors are by audition only and students must have completed 1 year of choir. Cantors lead the school community in the musical celebration of the Mass.

Choir

Choir is offered to students in grades 3-8. Practices may be set up before or after school.

Guardian Angels

Students in grade 5-6 assist primary students with getting out of their cars and walk them to their classrooms. Four students will be on duty for a given morning. A rotating schedule will be used to ensure every member has a chance to participate.

Scouting

St. Cecelia Catholic School supports our feeder parishes' scouting programs. **Requests for space must be in writing** with an advance notice of 30 days before the first meeting. Space is assigned on a first-come, first served basis. Once approved, additional information will be needed.

Middle School: The following extra-curricular activities are available for Middle School students only.

Student Council

The Student Council is an elected organization through which students express their opinions, assist the administration and school staff, and participate in the management of school enterprises. The Student Council tries to promote leadership, initiative, and self-control. Each year, a president, vice president, recording secretary, and corresponding secretary are elected from the eighth grade and a vice president and treasurer are elected from the seventh grade. Two representatives are elected by each middle school homeroom in the fall. One At-Large representative will be chosen by each homeroom teacher. Middle school students vote in the annual elections. Members of Student Council must not receive a final grade of less than 80% in any subject

National Junior Honor Society

Being a member of the St. Cecelia Interparochial Catholic School National Junior Honor Society (SCSNJHS) is a prestigious designation for our 8th grade students. Students involved in NJHS not only maintain excellent grades and provide services to their community, but they are looked up to as role models. Students must meet the follow criteria to be considered for induction into the NJHS:

- A GPA of 3.5 in all subjects in 6th and 7th grade.
- No after-school detentions, in-school or out-of-school suspensions or a behavior plan in 6th and 7th grade.
- A score of 3 or 4 in behavior skills in 6th and 7th grade. Acceptable behavior while on campus from arrival to dismissal.

Students who meet the above requirements are evaluated by the Faculty Council on the basis of leadership, service, character, and citizenship. Students who qualify to be candidates for induction will receive a written “Invitation to Apply.” The Faculty Council will review applications and select students meeting all criteria to be a candidate for induction. Seventh grade candidates will be announced at a “NJHS Tapping Ceremony” during morning blacktop. Parents will be notified in advance so they may attend. Once “tapped” as a candidate, the students will be recognized as NJHS recruits until they are officially inducted in May of their eighth grade year. As a NJHS Recruit, each student is required to provide an additional 25 hours of individual and group service work. The eighth grade community service project hours are separate and cannot be counted toward NJHS service hours. Once inducted, members must maintain the requirements for GPA, behavior, leadership, service, character, and citizenship.

Ambassadors (7th Grade Students)

The SCS Ambassador Club is a 7th grade service organization supporting the St. Cecelia Catholic School community. It is composed of student leaders who have applied, qualified, and been chosen by a committee to represent St. Cecelia Catholic School. Ambassadors represent the International Baccalaureate Learner Profile attributes and the values of SCS role model students at all times.

Eighth Grade Officers

These officers are elected by the eighth grade class to help coordinate 8th grade activities.

Athletics

Junior Varsity: Grades 5-6. Varsity: Grades 7-8

JV and Varsity Girls Sports:

- Basketball
- Cheerleading (3-8)
- Soccer
- Softball
- Track
- Volleyball

JV and Varsity Boys Sports:

- Baseball
- Basketball
- Flag Football
- Track
- Soccer
- Volleyball

Athlete Eligibility

Each after-school sports participant must complete a school Sports Physical and Emergency Medical Release Form. Forms must be turned in by the first week of school in August for fall sports and turned in by the last day preceding Christmas vacation for spring sports. A \$75 fee per after school sport is due and must be paid upon making the team.

All student athletes are required to maintain a 70% in each subject area and an S in specials. Students averaging below a 70% will be notified and given time to improve. Students who do not improve the grade before each game could be ineligible to participate until the grade improves. Ineligible athletes may not attend games. Students with a documented disability who have a Student Support Plan may or may not be held to the same requirements. Each student will be dealt with on an individual basis and according to the nature of the disability.

Unacceptable behavior during the school day or during any school sponsored activity may result in suspension from sports for a determined amount of time by the athletic director. Suspension decisions are made in consultation with administration. When such a suspension occurs the parent will be notified by the athletic director and the student will not participate in the sport. In addition, other appropriate disciplinary sanctions may be imposed as indicated in the Discipline Policy.

Tryouts

St. Cecelia Catholic School participates with other Catholic and private schools in the Pinellas Youth Conference (PYC). Tryouts for team sports are open to all eligible students in grades five through eight. Students are chosen for teams based on skill level, talent, sportsmanship, and effort. **Tryouts are closed to all parents and spectators.** A student may not try out unless all sports participation forms have been turned in.

Playtime

The Pinellas Youth Conference is a competitive league. Making a team does not guarantee play time in every game. The Athletic Director and coaches determine playing time based on individual game situations and individual athlete's playing ability.

Supervision at Athletic Events

We encourage students to attend games and cheer on our sports teams. Any student staying after school to watch an athletic event, must have an adult (other than school staff) with them at all times. **STUDENTS MAY NOT ATTEND AN EVENT WITHOUT ADULT SUPERVISION.** Coaches are unable to provide this supervision because of their other responsibilities. One parent may take the responsibility for a number of students. Students should remain in the gym and should not be returning to lockers and/or roaming the campus during or after the event. This is for the safety of our children. Students need to be supervised by their parents before and after school if they are not participating in a school supervised event.

ATHLETIC'S CODE OF CONDUCT

Our program is governed by a code of conduct for coaches, athletes, and spectators. Our philosophy is to promote good sportsmanship, fellowship, and youth development through competition. It is important to maintain these high standards in all of our athletic endeavors.

PLAYERS' CODE OF CONDUCT

As an athlete for St. Cecelia Catholic School and the Pinellas Youth Conference, I subscribe to the principles of good sportsmanship, fellowship, and youth development through athletic competition. Recognizing these principles, I understand that profanity and/or any unsportsmanlike conduct will cause:

- 1) Suspension from one league game;
- 2) Removal from the team;
- 3) Major offense - reviewed by athletic director and principal.

SPECTATORS' CODE OF CONDUCT

I understand, as a spectator, the St. Cecelia Athletic Program is designed to teach the principles of good sportsmanship, fellowship, and youth development. Recognizing these principles, I understand profanity, yelling at the referees, coaches, Athletic Director, spectators, players, and any other unsportsmanlike conduct is not acceptable. I, as a parent, understand that failure to adhere to these principles may result in my being asked to leave the athletic event in question and may result in absence from any remaining games in the season.

COACHES' CODE OF CONDUCT

As a coach for the Pinellas Youth Conference and St. Cecelia Catholic School, I subscribe to the principles of good sportsmanship, fellowship, and youth development through athletic competition. Recognizing these principles, I understand that profanity and/or unsportsmanlike conduct will result in my resignation as coach. As the coach, I understand I have authority at the athletic event over my players and parents. All coaches will abide by diocesan regulations which they will receive at a coach's orientation. All St. Cecelia Catholic School coaches must attend an in-house orientation presented by the Athletic Director.

(Ethics for Coaches).

The Catholic school is unique because of its total commitment to the three-fold purpose of Christian education: message, community, and service. It creates an atmosphere where Catholic faith is integrated with life and learning. All those involved in a Catholic school – parents, pastors, faculty and staff, administrators, and students—must strive to make it a community of faith which indeed is living, conscious, and active. Recognizing athletics plays an integral role in the overall development of the whole person, the Catholic schools in the Diocese of St. Petersburg support such programs as part of their ministry.

In carrying out this ministry, the coach will:

- Place the spiritual, emotional and physical welfare of the players above a personal desire to win. Affirm effort and good sportsmanship whether the game has been won or lost.
- Be aware he or she has a tremendous influence, for either good or ill, on the education and formation of the student-athlete, and thus, shall never place the value of winning above the value of instilling the highest Christian ideals.
- Uphold the honor and dignity of the profession. In all dealings with student-athletes, game personnel, athletic directors, school administrators, and the public.
- The coach shall strive to set an example of the highest ethical and moral conduct in the sole judgment of the principal.
- Respect and support game personnel. The coach shall not indulge in conduct which would incite players or spectators against the officials. Public criticism of officials or players is unethical and is not tolerated.
- Meet and exchange greetings with the coaches of the competing team in order to set a correct and proper tone for the event and begin each game with a prayer.
- Encourage students to give priority to their studies, so they can remain academically eligible.
- Treat each player as an individual, remembering the great range of emotional and physical development for students of the same age group.
- Take an active role in the education and prevention of drug, alcohol and tobacco abuse. Coaches must also abstain from the use of alcohol and tobacco products when in contact or in proximity to players.
- Schedules for practices and competitions should be coordinated with other co-curricular events, so students may participate in more than one activity if they choose.
- Master the contest rules and teach these rules to the members of the team and the working staff. The coach shall not seek an advantage by circumvention of the rules or of the spirit for which they were intended.
- Exert influence to increase sportsmanship by spectators, both directly and by working closely with the Athletic Director, and school personnel.
- Opponents will not be scouted.

SCHOOL UNIFORM REQUIREMENTS

All uniforms must be purchased from Risse Brothers or the used uniform room on our campus. Uniforms must be clean and fit properly. Parents of students out of compliance with the Uniform Requirements will receive a formal notice via email. Students have one week from the date on the notice to make corrections. If corrections are not made within one week, the student will complete classwork in the office until the proper uniform can be worn to class. The school administration does not accept parent requests to discuss the Uniform Requirements. Exceptions will not be granted to students whose parents do not agree with the written policy. It is the parent's responsibility to partner with the school in teaching their child respect for school rules. The school staff has the authority to decide if a student is out of compliance with any part of the Uniform Requirements and their decision is final.

Black, Brown, or Navy Belt
White, short or long sleeve Oxford w/ SCS logo
Carolina Blue short or long sleeve Oxford w/logo
*Black Shoes
White or Solid Black Socks

Uniform sweater, jacket, or sweatshirt
Uniform white or light blue long sleeve shirt

*Shoes and St. Cecelia Catholic School accessories are available at the Risse Brothers School Uniforms Store.

Dress Out Day Requirements

Dress out days are out-of-uniform days when students may wear regular clothes with their uniform shoes. These are usually associated with a special event or fundraiser. Students who choose to participate must follow the dress out day requirements, which are announced ahead of time and sent home via email. **Uniform shoes are to be worn on dressout days.** The following clothing is not permitted.

- Ripped/torn Jeans
- Leggings (Except K-3) *
- Spandex
- Shorts more than 4" above the top of the knee cap
- Message Shirts (Christian Only)
- Tank Tops, see through or spaghetti straps, midriffs showing, underwear showing, flip flops, dyed hair and hats.
- *Pre-K3 through grade 3 students may wear leggings on dress out days.

Students who are not in compliance will be given a uniform from the school used uniform store, to wear for the day. Students may not call home for a change of clothes.

Crusader Spirit Dress-Out Days (CSD): Once a month (usually the last Friday) as a school spirit day, students may wear a Christian T-shirt, School Spirit Wear T-shirt, Blue Ribbon T-shirt, SCS fundraiser T-shirts, SCS sports team shirts, or drama production T-shirts **with uniform bottoms (shorts, pants, or skorts) and uniform shoes.** Any student not dressing out for CSD should wear the regular school uniform.

Colors: Red, White, and Powder Blue

Mascot: Crusader

Dates for Crusader Spirit Days:

August 26	January 27
September 30	February 24
October 28	March 31
November 18	April 28
December 16	May 24

Personal Property: All clothing and personal items should include a clearly written first and last name. Personal play items (e.g. balls, toys, etc.) are not permitted.

PERSONAL APPEARANCE

Parents of students out of compliance with the Personal Appearance Policy will receive a formal notice via email. **Haircut and color corrections must be made within 6 calendar days of email notification.** The school administration does not accept parent requests to discuss the Personal Appearance Policy. Exceptions will not be granted to students whose parents do not agree with the written policy. It is the parent's responsibility to partner with the school in teaching their child respect for school rules. The school staff has the authority to decide if a student is out of compliance with any part of the Personal Appearance Policy and their decision is final.

Uniforms

All uniform clothing should be in good condition and fit properly. Faded, torn, stained, or tight-fitting clothing should be replaced.

Skorts

Skorts must be modest in length. Students wearing skorts that are too tight or short will be required to replace the skort with one of appropriate size and/or length in the front and back. Students have one week from the time this notice is sent to replace a skort.

Shorts

Shorts may not be too short or too tight.

Shirts

Shirts are to be tucked in. **ONLY A SOLID WHITE** undershirt may be worn under the school shirt.

Shoes

Leather or sneaker style shoes must be all black, black with white soles, or black with white accents, i.e., white Nike swoosh or white Adidas stripes. No other colors are permitted on the shoe.

No high tops, mid tops, or shoes that light up or roll. Leather black shoes may be worn for grades K-8, however, sneakers must be worn for PE. No sandals or backless shoes are permitted at any time.

Belts (Grades 2-8)

Belts must be all black, all brown, or all navy and must be worn with looped uniform shorts/ pants and should be the appropriate size. Chains worn as belts are not permitted. Belts with decorations or logos are not permitted. Belts which cause a safety concern are not acceptable.

Outerwear

Only uniform sweatshirts and sweaters may be worn on campus. In very cold weather a coat may be worn OVER a school sweater or sweatshirt.

Head Wear

Hats or bandanas of any kind are not permitted. Girls may wear bows no longer than 5 inches, head bands, and hair clips. Headwear may not have logos, such as Nike or Addidas.

Underwear

NO undergarments of any kind may be showing. Nothing other than a white undershirt or a white camisole may be worn under the uniform shirt, with the exception of cold weather days. Students may wear a uniform solid white or powder blue long sleeve shirt, under their uniform shirt, during cold weather. Risse Brothers does sell the long sleeve shirts in white and powder blue.

Hairstyles

Parents are expected to comply within 6 calendar days if their child receives a written notice of a haircut, color, or style being out of compliance. Exceptions will not be made for students who are not able to schedule an appointment in time to meet compliance.

Boys' hair length should be out of the eyes and above the shoulders and must be neat in appearance. Hairstyles should not be messy or attention-getting. Hair may not have unnatural color such as extreme highlights, green, purple, ombre, etc.

Students are not permitted to shave their heads, have extreme differences in length of hair, or long hair slicked back or piled high on their head. Middle School boys are expected to shave facial hair.

Jewelry

Boys may not wear earrings. Girls may only wear one pair of small earrings – one in each earlobe. One bracelet or anklet and a watch may be worn. No smart watches are permitted. To avoid loss, expensive jewelry should not be worn.

Makeup

Mascara may be worn by eighth grade girls only. No other students may wear makeup of any kind.

SAFETY INFORMATION

Safety Director

The Safety Director is responsible for the security of the building, fencing, surveillance cameras and the safety of the students at all times. The Safety Director participates in school drug awareness and education programs and in curriculum issues involving safety, e.g. bicycle, strangers, traffic, etc., and also encourages positive character development and peace-making initiatives.

Persons Appearing to be Impaired by Drugs/Alcohol at Pick-Up

The staff at St. Cecelia Catholic School will contact local police and/or the other custodial parent should a parent appear to the staff of SCS to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the agency from denying a custodial parent access to their child even if the parent is or appears to be impaired. However, SCS staff will delay the impaired parent as long as possible, while contacting the other parent, the local police and Child Protective Services. Any other authorized person who appears to be impaired and attempts to pick-up a child will also warrant the staff of SCS to contact the child's parents, local police and Child Protective Services to notify them of the situation.

Department of Children and Families

The school will reasonably cooperate with regard to any investigation by the Department of Children and Families (DCF) pertaining to allegations of child abuse. Since the school is on private property, DCF will be precluded from reasonable access to students at school unless consent of a parent or guardian is obtained. Absent such consent, the school will cooperate in allowing DCF to have access to students if DCF obtains, according to law, an appropriate court order or other legal authority, such as the presence of a police officer or deputy sheriff.

Emergency Closing of School

The decision to close the school due to an emergency is usually made by the principal in conjunction with the School Pastor and the Superintendent of the Diocesan Office of Catholic Schools and Centers.

*In all cases of hurricanes the Diocesan Hurricane Team, who monitors weather and county emergency management offices to determine if any schools, early childhood centers, or the Pastoral Center need to close for safety reasons, will make recommendations to the Bishop of the Diocese of St. Petersburg. It is the Bishop who will make the final decision about school closings and reopenings.

The following procedures have been developed to insure the safety of our students and staff.

- **Emergency School Closings:** If it should become necessary to close school for any reason, the Emergency Notification System and the Parent Portal will be our means of communication.
- **Evacuation of Premises:** If it becomes necessary to evacuate the property at St. Cecelia Catholic School, the following are the staging areas to which students will be brought. The nature of the incident and the need to move away will dictate which site we use.

Immediate evacuation sites: Glen Oaks Park

- Route: Cross Court Street at Hillcrest. Location: (South of Primary building across Court St.)

Secondary Locations

- **Convent Route** - West on Franklin. Location: 1305 Franklin. (West of school)
- **Crest Lake Park Route** - East on Court/Gulf-to-Bay. Location: Gulf-to-Bay and S. Glenwood Ave.

SAFETY PRECAUTIONS: FIRE DRILL—Fire, lock down, and tornado drills are held on a regular basis according to diocesan regulations to train students to respond appropriately in an emergency.

- **Inclement Weather**—The school possesses a NOAA system, which is an early warning system connected to the National Weather Service and Instalert which is connected to Pinellas County. When a tornado watch is issued, students will return to their homerooms and shades will be drawn. If an alert is sounded (a tornado sighted in the area) students will be instructed to duck and cover at specified sites.

- Medical Emergencies—See accidents and illness. The office staff and many other personnel in the buildings are trained in first aid and CPR.
- Other Emergencies—If it is necessary to notify parents during the day of an emergency, the Emergency Notification System will be used. An emergency procedure handbook, covering many possible scenarios, is given to and reviewed by each staff person.
- Trespassers—The school has procedures in place to alert staff about potentially dangerous trespassers. The Safety Director, maintenance and other key personnel possess walkie-talkies. Personnel are instructed to notify the office immediately regarding suspicious activity. The entire facility is fenced. St. Cecelia Catholic School has a gate system. Gates will be opened at 7:30am. They will be locked at 7:50 am. Entrance to the building will be through the office facing Court Street. Gates will be reopened after 3:00pm. All visitors are required to sign in at the office. Students travel in pairs when going from place to place on campus. Kindergarten students always travel with an adult. The campus is monitored by video cameras.

Lockers

All lockers on campus are the property of the school and therefore can and will be subject to random searches by school officials. Additionally, for the safety of all students and faculty, backpacks will be subject to random searches. If there is suspicion that a student and/or students are breaking the law, posing a threat to the school, violating school rules (i.e. substance abuse, bullying, smoking, vaping, etc.) a search will be conducted.

Locks for all middle school lockers must be purchased through the school office. Only school issued locks may be used. Students are required to memorize the combination and keep it confidential. Parents who need to get into their child's locker (ex. due to absence) should get the combination from their child. The lock will be the students to keep and reuse in future years at St. Cecelia Catholic School. If a lock is lost, a new school issued lock must be purchased. If a non-school lock is used, it will be removed and replaced by a school issued lock. Repeated non-use of the locker lock will result in a referral to the administration.

Accidents/Illness

Every accident in the school building, on the school grounds, at school athletic sessions, etc., must be reported immediately to the person in charge and to the school clinic. The school will make every effort to inform parents if an accident or illness occurring at school needs care or observation at home. Students will not be sent home unless a responsible adult is to be there. "Permission to Treat" forms and clinic cards are required for all students. The clinic card along with the "Permission to Treat" form, which is notarized, is to be filled out and turned in with the other paperwork at registration time.

A Medical Alert form must to be filled out on every child who has an exceptional medical situation. This is obtained from the Clinic and kept on file in the clinic. If a student becomes ill during school hours, he/she should notify the teacher before going to the school clinic. A clinic pass is issued and is to be hand-carried by the student or his/her partner to the clinic.

Our goal is to make our school a healthy, safe place for both students and staff. Based upon the nature of the clinic visit we will monitor your child and either send them back to class or call the parent/guardian. If a child is unable to return to class after a visit to the clinic, you will be notified and your child should be picked up as soon as possible. Our school clinic is not equipped or staffed to handle children for long periods of time.

Please inform us immediately if telephone numbers or other information on your child's emergency card changes. The information on your child's emergency card is vital for the safety and well-being of your child.

Student Insurance

Student insurance is provided for all students. This policy runs from the beginning of the school year until the last day of student attendance. To file an insurance claim, the accident must be reported to the school office promptly following the accident. Claim forms are available in the school office and must be completed and returned to the school for mailing to the insurance company within 30 days of the accident.

When to Keep Children Home

We ask you not to send your child to school if any of the signs/symptoms listed below are present:

1. **VOMITING OR DIARRHEA WITHIN PAST 24 HOURS**
2. **FEVER WITHIN PAST 24 HOURS**
3. Sore/red throat
4. Persistent coughing or sneezing
5. Red watery eyes
6. Rash
7. Earache, drainage from the ears
8. Excessive mucus from the nose, particularly green/yellow mucus.

Your child should return to school **24-hours after symptoms are gone without medication**, or when your physician provides a written statement indicating your child is ready to return. **NO STUDENT IS PERMITTED TO CARRY MEDICATION OF ANY KIND.** If it is necessary for a student to receive a medication, prescription or over the counter, written permission must be provided by the parent. All medication must be kept in the clinic and be in its original container. Failure to do so will result in disciplinary action.

Florida Statute 1006.062 clearly states: For each prescribed medication, the student's parent shall provide to the school principal a written statement which grants to the school principal or the principal's designee permission to assist in the administration of such medication and which explains the necessity for the medication to be provided during the school day, including any occasion when the student is away from school property on official school business. The school principal or the principal's trained designee shall assist the student in the administration of the medication. The office/clinic does not keep aspirin, Tylenol, Advil, etc. in the office for general use. The medication permission form may be obtained from the office. Please do not send in aspirin, Tylenol, or any over the counter medicine unless it is absolutely necessary. This should be for a limited time. If the child has been absent due to an illness considered to be contagious, please call and tell us the nature of the illness and when he/she may return. A medical release may be required.

Wellness Plan The Wellness Plan has been created as the result of the school's Strategic Plan. The plan called for an increased awareness to students' physical health including areas such as healthy eating and habits, movement, sun protection, and spiritual well-being. The Wellness Committee developed the following plan [Wellness Plan](#).

Lunch/Cafeteria

The cafeteria serves a variety of items at reasonable prices. A menu and price list will be sent home monthly. Students may bring their lunches or parts of their lunches from home. The cafeteria makes a concerted effort to offer nutritious lunches to students. Please help us by teaching your child basic nutrition at home. If there is something your child should not purchase, please be sure that he/she knows this and the teacher has been notified. This applies to grades one through five only. If a student loses or forgets his lunch, he will be given lunch money from the cafeteria. **The money must be paid back to the cafeteria the next day. This should be an infrequent situation.** There are very limited funds for lunch lending. Email notices will be sent.

Students should enter the cafeteria from their assigned door. Students may not purchase food or drinks for other students. Proper manners should be observed in the cafeteria. Food or drink spilled on the floor, tables, or chairs should be cleaned before leaving. Indoor voices are required. The teacher in charge may require silence if there is some problem. If necessary seats may be assigned on a permanent basis. Lunch must be eaten in the cafeteria and nothing may be taken out of the cafeteria unless it is in a closed lunchbox. **NOTE: Please do not send glass containers with your child since they are potentially dangerous.**

Parents are welcome to eat lunch with their child and are required to observe the following guidelines:

1. Buy or bring lunch for your child only.
2. If you would like to bring lunch for more than your child it must be for the entire class.
3. Sit at the class table with your child.
4. Sit at the outdoor picnic tables with your child only.
5. Other classmates or friends will not be permitted to leave the cafeteria to join a classmate for lunch.

Lost and Found

Lost and Found is located in the cafeteria. However, items of value such as money or jewelry should be turned in to the school office. Unclaimed lost articles are eventually given away. All articles should be labeled with a student's full name.

Asbestos

St. Cecelia Catholic School has an approved asbestos management plan on file in the school office. Parents are free to inspect this plan.

SPECIAL EVENTS

Birthdays and Class Parties

Any scheduled classroom celebration must have the approval of the appropriate teacher. Grades Pre-K through 5 may celebrate birthdays. The parents must make arrangements with the homeroom teacher. All food and drinks must be store bought and ingredients labeled. In keeping with our school's commitment to healthy children, be mindful of the nutritional value of the food item. The Wellness Team can offer healthy food ideas to celebrate. **Invitations to personal parties may be passed out on school grounds under the following conditions:** Every student in the class is invited. Flyer invitations must be used and invitation is reviewed and approved by the teacher. The invitations must clearly state that it is **NOT** a school-sponsored activity.

Field Trips

The St. Cecilia Behavior Expectations and Discipline Policy applies to all off campus school sponsored activities.

- No student may attend without a signed field trip permission form received by the date requested.
- Buses are used for transportation on all field trips.
- Elementary students wear Blue Ribbon t-shirts.
- Middle School students wear IB t-shirts.
- Siblings are not permitted to attend field trips.
- Students are not permitted to bring toys or backpacks on a field trip.
- Students should not bring money on field trips. They will not be allowed to make purchases at gift shops.
- A medical alert list by homeroom is carried by the teacher in charge. All medicines kept in the clinic for particular students will be brought on the field trip.
- The student teacher/adult ratio on field trip depends on the age of the students and the nature of the activity. A 10:1 ratio is the minimum.
- Parent picking up a child while on a field trip, must sign-out the child in the presence of the classroom teacher. A parent is not permitted to sign-out any other child.

All homerooms in grades one through five may have two field trips each year. The cost of the bus will be divided equally per number of students attending the field trip. Students are not allowed to visit gift shops during field trips. Students who exhibit a pattern of inappropriate behavior may be prohibited from participating in field trips at the teacher's discretion.

Gift Giving

Individual gift giving including balloons and flowers is discouraged at school. Students will not be allowed to carry balloons or flowers from class to class. Gifts delivered to the office will be given to the student at the end of the day.

Use of Facility/Community Resources

The school encourages teachers to utilize the resources of the local community in enhancing the curriculum. The use of the local media center system, visits to community helpers such as the fire department, and the Officer Friendly program are all opportunities that enrich the school. The community is encouraged to use the school resources within existing policy. Any requests to utilize the school resources and the school are made directly to the administration. During natural disasters, the local police will utilize the school. The community is also encouraged to use the school resources at times and in situations which do not interfere with the education or safety of the students

FAMILY INVOLVEMENT

All families are required to complete mandatory hours of service. Family involvement adds a great dimension and enrichment to the life of the school. It is vital to both the financial stability and community spirit. Therefore, all families are expected to be equal and active partners.

Volunteer Requirements

In 2002 the US Council of Catholic Bishops issued the Charter for the Protection of Children and Young People. This charter mandates training for individuals who come into contact with children and youth to help them recognize, report and prevent child abuse, including sexual abuse.

A Diocesan Level II Background Check and Safe Environment On-line Training Certificate is mandatory for ALL volunteers. This documentation must be up to date and on file in the school office before volunteering in any capacity. St. Cecelia cannot accept a background screening from any other agency other than the Diocese of St. Petersburg.

[*Diocese of St. Petersburg – Policy for the Protection of Children and Vulnerable Adults](#)

Guidelines for 24 Mandatory Hours of Service: (MHS)

Each Pre-K3 through 8th grade family, single or dual parent, is responsible for 24 MHS. Parent MHS are not transferable from family to family nor from year to year. Each school year, the Home & School Association hosts a fall and a spring meeting. Each family is expected to be in attendance at each of these mandatory meetings. The dates of these meetings are posted on the school calendar.

- Each family is responsible for submitting their MHS on the parent portal in order to receive credit.
- The 24 MHS are divided among the following categories; raffle, mandatory fall and spring Home and School Meetings, field trips, and other; fundraisers, Grandparent's Day, Welcome Back Dinner, class parties, field day, at home projects, etc. Certain categories, listed below, have a limit on the number of MHS that will be credited towards each family's 24 hour requirement.
- Raffle: **Twelve** hours must be earned by selling 30 raffle tickets.
- H&S Mandatory Meetings: **Two** hours must be earned by attending the fall and spring Meeting. (One hour for the fall and one hour for the spring meeting.)
- Field Trips: If more than one adult in the same family chaperones on a field trip, volunteer hours will only be credited to one adult.
- Additional MHS may be earned by volunteering at a fundraiser, Grandparent's Day, Welcome Back Dinner, class parties, at home projects, etc.

Options for Meeting MHS Requirement

- **MHS Buy-Out:** Buy out all 24 hours at \$40.00 each for a total of \$960.00.
- **Earn Some/Buy Some:** Pay for only un-served MHS at a rate of \$40.00 per hour.
- **Materials Purchase:** Purchases made at the request of a teacher for various class activities are credited toward MHS at the rate of \$40.00 per hour. Purchases being made at the request of a teacher for MHS must be submitted on a Home & School Green Form with all receipts attached to receive credit.
- Any family who has not fulfilled their MHS by Friday, May 5th are required to pay the rate of \$40.00 per hour for all remaining hours owed in order for their children to sit for exams, participate in graduation activities, or to be re-registered for the following school year.
- Major fundraisers are vital to the economics of our school and need the support of all family and school community members. Donations to the school for fundraising events and other needed and/or enhancement projects are tax deductible and separate from MHS.

Visitors

Everyone visiting the school, including parents, **must** first report to the office, sign in, and receive a visitor or volunteer sticker that must be worn. No visitors are allowed to visit a class without permission from the office.

Non-Smoking Campus

The school is a smoke-free campus.

Supervision of Volunteers - The Principal and Assistant Principal supervise all who serve in any capacity in the school and in official school-related activities. The Principal and Assistant Principal may delegate the supervision of volunteers to a designated member of the school faculty and/or staff for specific activities. Volunteers are expected to review and adhere to Policies and Procedures contained in the Parent/Student Handbook.

Scheduling and Duties – Teachers and the Family Involvement Coordinator are responsible for sharing specific requirements and routines with the volunteers who have been scheduled, according to the needs of the school and the skill set of the volunteer.

Confidentiality - In the course of volunteering, certain information, confidential or otherwise about students or teachers, may be learned. Respecting others' privacy and our Christian values, please keep this and any information private and share only with the supervising teacher. **This information must remain confidential in any setting inside or outside the school/center, just as one would wish for his/her own child's privacy rights to be respected.** Gossiping about a student, their family, or a SCS faculty or staff member is unacceptable and may jeopardize future volunteer opportunities. At times, the volunteer may come into possession of information about students that may need to be conveyed to the volunteer's supervisor (teacher or administrator). If information is appropriate in the judgment of the administrator, other persons on a "need to know" basis may be advised by the administrator to include, but not be limited to, parents/guardians, and pastor.

Management of Student Behavior – Student behavior is managed by faculty and staff. Volunteers are asked to provide praise for positive behavior observed and to use positive interactions when volunteering with students. If a volunteer notices a student acting inappropriately they should immediately bring it to the attention of the teacher in charge. Volunteers are prohibited from using verbal or physical punishments, including but not limited to isolation, use of sarcasm, yelling, or any physical contact in directing and/or disciplining a child, e.g. pulling, grabbing, etc. Classroom teachers are prepared to act in accordance to the school behavior expectations and discipline policy.

Health Emergency and Safety Procedures - All situations should be dealt with individually with prudent, adult judgment as the primary response to any illness or injury. Simple scrapes, small cuts, bruises, etc., will be taken care of in the classroom or clinic. If the injury is of a more serious nature, the parent will be notified and the office may call 911. Serious injury such as a possible broken bone, severe bleeding or allergic reaction should be dealt with immediately and with caution. DO NOT MOVE THE CHILD. DO NOT LEAVE THE CHILD. Send to the office for assistance. Remove other students from the proximity of the situation as soon as possible. Keep the affected child as still and comfortable as possible until help comes. Never dispense any medication (not even aspirin), to any child. All volunteers are encouraged to undergo first aid and CPR training

Mandatory Reporting - Chapter 415.504, Florida Statutes protects children from abuse and/or neglect. Abuse is defined as including any non-accidental injury, sexual battery, financial or sexual exploitation or injury to the intellectual or psychological capacity of a person by the parents or other persons responsible for the child's welfare. Neglect is failure to provide adequate food, clothing, shelter, and health care or needed supervision. Under Florida Law, anyone who suspects child abuse is legally obligated to report that abuse. It is the volunteer's responsibility to inform the school/center administrator of any suspicions of abuse. If, for some reason, the administrator declines to make a report based on a volunteer's suspicions, the volunteer still has a legal obligation to report. The child abuse hotline number is 1-800-962-2873

Field Trip Chaperone

- All volunteers must complete the Diocesan Level II background screening and complete the Safe Environment Training. This documentation must be on file in the school office before chaperoning.
- Being a chaperone is a serious responsibility. It requires the chaperone's complete attention at all times.
- Consumption of alcohol is not permitted at any time during a field trip.
- Smoking is not permitted at any time during a field trip.
- Cell phones should be muted and used at a minimum.
- Modest and appropriate dress is expected – No Spandex
- If a child goes on a field trip with a parent in a car, he/she must be signed out of school in the office.
- Siblings and/or friends are not permitted to attend field trips.
- Any problems or concerns should be reported immediately to the supervising teacher.
- The chaperone must know where every student in their group is at all times.
- All students must return to school for dismissal unless they have been signed out by a parent.
- Cell phone numbers need to be given to the supervising teacher.

The Home and School Association (H&S)

The Home and School Association is a formal parent and teacher group working for the benefit of the school. The purpose of this organization is to promote cooperation between the school and the parents, facilitate parent enrichment, support school activities and events, as well as monetary assistance to the school's operational budget. Dues are collected with registration fees. All parents are members and encouraged to participate in all Home and School Association functions. The dates for all Home and School Association functions are posted on the school calendar. The Home and School Association officers will be introduced at the Fall Parent Meeting.

Home & School Association Executive Committee

School Advisory Commission (SAC)

Since the 1960s, as a result of Vatican Council II, the role of the laity in the church has been greatly emphasized. In line with this concept, the Diocese of St. Petersburg requests that each school have an Advisory Commission. St. Cecelia Catholic School Advisory Commission is a visionary and advisory body, charged with fiscal responsibility for the school. In discharging its responsibility, SAC must comply with policies established by the Diocese of St. Petersburg. The SAC operates under a constitution which has been approved by the Diocese. A copy of this constitution is available for inspection upon request. SCS families are expected to provide assistance to SAC through such activities as the Home and School Association projects and other school related activities. SAC meetings are open and the dates are posted on the school calendar; you are welcome to attend.

SAC Members 2022-2023

Mrs. Kate Hyc – St. Brendan
Mr. Pete Pergola – St. Cecelia
Mrs. Christina Flynn – St. Cecelia
Mrs. Michele Swiderek – St. Cecelia
Mrs. Brandy Peckham – St. Cecelia
Mrs. Elizabeth Boyle – St. Cecelia
Mrs. Tara White – St. Cecelia
Mrs. Carrie Layne – St. Cecelia
Mrs. Melissa Pineda – St. Catherine
Mr. Mike Bishop – Light of Christ
Mrs. Denise Klein – At Large

Father Tim Sherwood – St. Cecelia School, Pastor in Charge
Ms. Valerie Wostbrock - Principal
Mrs. Gerda Letizia – Assistant Principal
Mrs. Maryanne Del Monte – Development Director

Mrs. Lauren Jursik – H & S President
Mrs. Michelle Towns – Past H & S President

“In Unity We are One in the Lord”

*A Code of Conduct
for
Parents, Guardians, Caregivers,
Volunteers, and Visitors
of Catholic Schools
in the
Diocese of St. Petersburg*

“Search Me, O God, and Know My Heart”
-Psalm 139

This **Code of Conduct** applies to all parents, guardians, caregivers, volunteers, and visitors who interact with our schools and Catholic Education in the Diocese of St. Petersburg. It also applies to all parents, guardians, caregivers, volunteers, and visitors who are present at school and school sponsored activities, meetings, and/or functions within and outside of school hours. As parents, guardians, caregivers, volunteers, and visitors, there is an expectation of support for the Vision and Mission of Catholic Education in the Diocese of St. Petersburg.

Code of Conduct for Catholic Schools in the Diocese of St. Petersburg

The school is a multifaceted organization comprising a diversity of populations that have distinctive relationships to one another. Relationships are at the very core of our Catholic Christian belief in our Triune (three persons in one) God. The Holy Trinity is God in relationship! This beautiful doctrine inspires all of us in Catholic Schools, to attempt to be a living Christian community in relationship with God and others. It is essential in such a community that all members recognize and respect not only their own rights and responsibilities but also the rights and responsibilities of other members of the community and those of the school itself. “All rights have to be balanced by responsibilities because we are in relationship” (Putney, 2005).

The responsibility for promoting and upholding these core values of the school community must fall on all those with the greatest capacity to reason and control their actions. Therefore, it is the expectation of the school that all parents/guardians/caregivers/volunteers and visitors model acceptable behavior always within the school setting, at school sponsored activities or when the school can be involved in any social or professional media. “It is incumbent upon parents to cooperate closely with the school teachers to whom they entrust their children to be educated; and in fulfilling their duty, teachers are to collaborate closely with parents who are to be willingly heard and for whom associations or meetings are to be inaugurated and held in great esteem” (*The Code of Canon Law*, Canon 796, Para. 2).

As a parent, celebrate that you play a foundational role in the development of your child's sense of justice, equity, and worth of all members of the school community. You are one of the most instrumental role models within your child's life. “Since parents have given children their life, they are bound by the most serious obligation to educate their offspring and therefore must be recognized as the primary and principal educators” (*Gravissimum Educationis*, 1965, para. 3).

This Code is designed to guide all stakeholders in their dealings with staff, other parents, students, and the wider school community. All staff and students at our Catholic schools are guided by similar codes. The Code is written in line with the school's values and expectations. The Code stands beside, but does not of course exclude or replace, the rights and obligations of individuals under common law. All Catholic schools are private property owned by the Roman Catholic Diocese of St. Petersburg. The school joyfully exercises its responsibility to teach Catholic faith and morals in all fullness. Parents whose religious practices and beliefs run counter to Church teaching might experience conflicts as we maintain mission integrity. Sincere questioning of the practices and doctrines of the Catholic faith—whether by students or their parents—in order to more deeply understand them are welcome; but openly hostile or persistent defiance of Catholic truths or morality are a violation of the Family-School Agreement and may result in denial of admission or dismissal from the school.

The Gospel and Our Values:

We are called to emulate Jesus' call to love God and to love each other. We look to the values taught to us in scripture and the Christian belief to guide us, including: **Love** (1 John 4:7-19); **Promoting Life in Abundance** (John 10:10); **Inclusion** (Luke 19: 1-10); **Reconciliation** (Luke 15: 11-32); **Compassion** (Luke 10: 30-37); **Justice** (Matthew 25: 31-460); **Liberation** (Luke 4: 16-21); **Community** (John 15); and **Hope** (Luke 24: 13-35).

In living out these Gospel values, we strive to develop the following:

- An inclusive approach including a non-judgmental and welcoming attitude towards all people
- An ability to appreciate the situation of others
- A cooperative attitude in working with others
- Open, positive and honest communication
- The ability to work civilly with other people

- Reverence for Creation
- Trusting relationships
- Responsible actions

As a Parent, Guardian, Caregiver, Volunteer, and/or Visitor, we ask that you:

- Respect the decisions made by the administration, even if you disagree with them.
- Value the school community and its reputation especially when engaging with social media
- Support in words and actions the philosophy of Catholic Education
- Work in trust with the school for the common goal of achieving what is best for all
- Support your child/ren in all educational endeavors by giving praise and showing interest in school activities
- Help your child/ren to discover that it is more the process that is experienced, rather than the end-product, that makes it all worthwhile
- Model flexibility – encourage healthy problem solving
- Help your child/ren to understand that ‘giving of your very best’ is what matters rather than always comparing yourself against the capabilities or achievements of others
- Listen to your child/ren, but remember that a different version of the event may be interpreted by others
- Understand the importance of a healthy parent/teacher/child relationship and communicate any concerns to your school in a constructive and appropriate manner
- Validate that both parents and teachers work together for the benefit of the child/ren
- Observe the school’s policies, as outlined on the school webpage and/or the school’s handbook and endeavor to support them in the home
- Cooperate where your child’s behavior has overstepped accepted school standards, as outlined in the Student Code of Conduct, and follow specified protocol for communication with faculty/staff members
- Support the school in its efforts to maintain a positive teaching and learning environment
- Cast off gossip and hearsay by communicating with the school and always model good manners for your child/ren
- Sustain a positive and co-operative attitude and interact positively with other parents and members of the school community
- Encourage community building with other parents in your year, level, and across the school
- Do not smoke or use offensive language on school premises

Rights of a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- To be treated with respect and courtesy by staff, students and other parents
- To be listened to, and clearly communicated with by the school, regarding your child/ren’s education and development
- To have confidentiality over sensitive issues respected by faculty/staff
- To be treated in a caring and polite manner
- To have a timely response to concerns raised, usually within 24-48 hours
- To be treated with professionalism by all faculty/staff members

Responsibilities of a Parent, Guardian, Caregiver, Volunteer, and Visitor:

- Value and advocate for your school and its reputation. Be mindful of the hurt and damage social media may cause to faculty/staff members and other parents
- Under no circumstances approach another child while in the care of the school to address, discuss or reprimand them because of actions towards your own child/ren
- Respect the rights of faculty/staff members and other individuals
- Respect the reputation of teachers and be mindful of communications especially social media; e.g. tone of emails

- Follow the correct procedures to resolve a grievance or conflict, as outlined in the school's handbook
- Respect teachers' preparation time before, during, and after school. Make an appointment for long discussions at a mutually convenient time. If you wish to speak to a teacher, please do not expect a meeting unless pre-arranged
- To protect our children do not discuss any grievances or perceived failings in front them regarding the school
- On excursions, helping in class or on campus, parents must follow the instructions and directions of the teacher. A parent may remind students of the rules but at no time issue consequences and should refer the student to the teacher if the behavior continues
- As valued members of the school community attend and participate appropriately in school liturgies or special events including athletics, concerts, academic and cultural events

Grievance Process for a Parent, Guardian, Caregiver, Volunteer, and Visitor:

Our Catholic schools want to work in partnership with our families. If anyone has a **current complaint, criticism, or concern**, it is expected the following steps be followed in the first instance:

1. Speak to the appropriate school person involved (e.g. class teacher) first and try to resolve the concern with mutual respect and clear communication. Where/if possible make an appointment with the relevant person. Follow the chain of command.
2. If for some reason this is not possible, then make an appointment to see an administrator, or other designated leadership personnel
3. The Administrator (or designee) should attempt to mediate and find resolution in the presence of both parties.
4. If, having followed Steps 1-3 with no satisfaction, you may complete the online form found on the website of the Diocese of St. Petersburg - Office of Catholic Schools and Centers for further facilitation.

It is important to note that criticism regarding a faculty/staff member will only be heard if it is related to their professional conduct.

Deliberate breaches and inability to respect the Diocese of St. Petersburg – Office of Catholic Schools and Centers Code of Conduct for Parents, Guardians, Caregivers, Volunteers, and Visitors, or exasperating complaints, may result in exclusion of a parent, guardian, caregiver, volunteer, and/or visitor from a school, and/or possible termination of enrollment of their child/ren.

If your complaint relates to Sexual Abuse by a faculty/staff member towards a child in both an historical or current matter, you should, contact the statewide toll free abuse and neglect registry at 1-800-96ABUSE (1-800-962-2873) and/or law enforcement.

Excerpts of this policy have been used by permission of the Diocese of Townsville, AU.

Parents, Guardians, and/or Caregivers, when signing off on accepting the school's policies in the Enrollment Application Form, and by the act of accepting enrollment at a Diocese of St. Petersburg Catholic School, are accepting of this Code of Conduct in its entirety.

Diocese of St. Petersburg **Code of Conduct for Volunteers Working with Minors**

Any form of sexual misconduct is sinful. It is a violation of the sixth commandment, and it is a “failure in genuine love for God and neighbor, caused by a perverse attachment to certain goods” (CCC 1849). Certain forms of sexual misconduct may also be criminal. Adults, including and especially Church Personnel (hereafter referred to as “Adults”), who engage in any form of sexual misconduct with minors violate the ministerial relationship of trust by misusing their authority to take advantage of the vulnerability of those they serve. Because of the unique position of those in ministerial service, there is always an absence of meaningful consent to any sexual activity.

It is the responsibility of Adults to maintain appropriate physical and emotional boundaries with those with whom they work or serve. While it is not possible to identify every form of inappropriate conduct that violates a person’s boundaries, the following section includes behaviors that should be practiced, as well as those that are to be avoided.

Church Personnel/Volunteers will:

- Treat everyone with respect, loyalty, patience, integrity, courtesy, dignity, and consideration.
- Try to avoid situations in which one is alone with a child at Church activities.
- Use positive reinforcement with children and youth rather than criticism, competition, or comparison.
- Refuse to accept expensive gifts from children and youth or parents without previous written approval of the pastor or administrator.
- Refrain from giving expensive gifts to children or youth without prior approval of the parents or guardian and the pastor or administrator.
- Report actual or reasonably suspected abuse to the Department of Children and Families (DCF Abuse Hotline: 800-962-2873), and the Diocesan Victim Assistance Coordinator (1-866-407-4505). The Pastor/Administrator or Principal must also be notified.
- Be familiar with the Diocese of St. Petersburg Safe Environment Policy for the Protection of Children and Vulnerable Adults.
- Cooperate fully in any investigation of abuse of children or youth.
- Demonstrate respect for the teachings of the Church as well as the provisions of secular and canon law.
- Provide appropriate adult supervision of minors.

Church Personnel/Volunteers are not to:

- Smoke or use tobacco products in the presence of children to whom they are not related.
- Use, possess, or be under the influence of illegal drugs at any time while volunteering.
- Use, possess, or be under the influence of alcohol at any time while volunteering.
- Pose any health risk to children and youth. If the employee or volunteer is ill, he/she should stay home.
- Strike, spank, shake, or slap children and youth.
- Humiliate, ridicule, threaten, or degrade children and youth.
- Touch a child in a sexual or other inappropriate manner.
- Use any discipline that frightens or humiliates children and youth.
- Use profanity in the presence of children and youth.
- Engage in any conversation of a sexual nature which does not comport with church teaching.
- Wear sexually suggestive or immodest attire.
- Show sexually suggestive objects or pornography*.

- Use any electronic device, desktop, laptop, tablet, mobile phone or any other means to accessing the internet to view pornographic* images of any type.
- Examine the genitalia of any person for any reason.
- Provide free medical advice or medical procedures unless authorized or are required by law.
- Administer drugs, including over-the-counter medication, in the absence of express written permission.
- Offer a prolonged hug when a brief hug is customary behavior, behavior must be initiated by the child.
- Kiss any part of the body of a minor.
- Invite children and young people to one's home unsupervised or for overnight stays, even with the permission of the parent or guardian.
- All Adults are required to comply with the Policies of the Diocese of St. Petersburg, including but not limited to the *Policy for Social Media*.

*According to the *Charter for the Protection of Children and Young People*, the federal legal age for defining child pornography includes pornographic images of minors under the age of eighteen.

Behaviors that raise serious concerns with respect to maintaining a safe environment for children include, but are not limited to:

- Acting like a peer around children and youth rather than an adult
- Failure to set appropriate limits with children
- Indications of anxiety regarding adult sexuality
- Overly anxious in interviews or under supervision
- Success in getting around the rules
- No sense of responsibility for one's actions
- Keeping secrets with children and youth
- Allowing special relationships with or giving gifts to an individual child or youth
- Allowing individuals to break some rules (favoritism)

PLEASE NOTE: Any action inconsistent with this Code of Conduct or failure to act appropriately as mandated by the same may result in the removal of an individual as a volunteer with children and youth.

**Office of Catholic Schools and Centers
Diocese of St. Petersburg**

The Diocese of St. Petersburg Anti-Bullying Policy

The Office of Catholic Schools and Centers of the Diocese of St. Petersburg (herein referred to as the “DOSP”) and each school within the DOSP (herein referred to as the “School”) are committed to promoting a safe, healthy, caring, spiritual, and respectful learning environment for all of its students. The DOSP and each School is committed to protecting its students from bullying and/or harassment. As such, bullying and/or harassment is strictly prohibited, will not be tolerated and shall be just cause for disciplinary action. Therefore, this anti-bullying policy prohibits any unwelcome physical, social, electronic, nonverbal, verbal or written conduct directed at a student by another student.

- (1) physically, emotionally, or mentally harming a student;
- (2) damaging, exhorting or taking a student's personal property;
- (3) placing a student in reasonable fear of emotional or mental harm;
- (4) placing a student in reasonable fear of damage to or loss of personal property; or
- (5) creating an intimidating or hostile environment that substantially interferes with a student's educational opportunities of the Catholic mission of the school; or (6) disrupting the orderly operation of a School.

I. Definitions

- a. **Bullying** is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Bullying results in physical hurt or psychological distress of an individual. Bullying is unwanted purposeful written, verbal, nonverbal, or physical behavior and/or actions, including, but not limited to, teasing, name-calling, slurs, rumors, jokes, false accusations, intimidation, threatening, stalking, innuendos, demeaning comments, pranks, social isolation, gestures, public humiliation, theft, destruction of personal property, physical violence, cyber-bullying and cyber-stalking.
- b. **Harassment** means to engage in a course of conduct directed at a specific student, which causes emotional distress to that student and serves no legitimate purpose.
- c. **Cyber-stalking** means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific student, causing emotional distress to that student and serving no legitimate purpose.
- d. **Cyber.bullying** is the willful and repeated harassment and intimidation of a student through the use of digital technologies, including, but not limited to, email, blogs, texting on cell phones, social websites (e.g. Facebook, Instagram, SnapChat, MySpace, Twitter, etc.) chat rooms and instant messaging. Cyber.bullying includes the following misuses of digital and/or electronic technology: teasing, intimidating, or making false accusations about another student by way of any technological tool.
- e. **Course of conduct** means a pattern of conduct composed of a series of acts over a period of time, however short, which evidences a continuity of purpose.
- f. The definitions hereunder apply to any student who either directly engage in an act of bullying and/or harassment, or who, by their behavior, actions and/or conduct, support another student's act of bullying and/or harassment.

II. Scope/Expectations:

The DOSP and each School expects students to conduct themselves in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students and the educational purpose underlying all School activities. As such, the DOSP and each School prohibits bullying and/or harassment of any student:

- i. that occurs on school premises at any time;
- ii. during any educational program or activity conducted by the DOSP or the School;
- iii. during any school related or school sponsored program or activity;
- iv. that occurs on any bus or vehicle as part of any school activity; or
- v. through threats and/or other communications made outside of school hours, which are intended to be carried out during any school related or school sponsored activity or program; though an incident of alleged bullying and/or harassment may occur off of the School's campus and may not entail threats of acts to occur during school hours, if a student's ability to receive an education or a School's ability to provide an education is significantly impaired, as determined by the School and/or the DOSP, disciplinary sanctions may be issued.

III. Reporting Complaints

a. Each student, parent and/or any other members of the School's community has a duty to immediately report any incident of bullying and/or harassment to the student's homeroom teacher and/or to the School Counselor. The School Counselor will provide the reporting party with the Bullying Complaint Report Form which must be completed, dated, and signed by the reporting party, so the School may initiate further inquiry and investigation, when appropriate.

IV. Disciplinary Action

a. Concluding whether a student's action, conduct, behavior or a particular incident constitutes a violation of this policy requires a determination based on the facts and circumstances of each complaint, followed by the determination of disciplinary sanctions. Any student found to have violated this anti-bullying policy will be subject to the appropriate disciplinary action, which may include, but is not limited to, temporary removal from the classroom, loss of privileges, detention, counseling, parent conference, suspension, expulsion, and/or notification to appropriate authorities. The disciplinary action may be unique to the individual incident and may vary in method and severity based on the School's and/or DOSP's sole discretion. False reports or accusations of bullying and/or harassment also constitute a violation of this anti-bullying policy and will subject the offending party to appropriate disciplinary action.

**Office of Catholic Schools and Centers
Diocese of St. Petersburg**

Grading Policy with Best Grading Practices

A. Philosophy

We believe ...

- Students should have a clear understanding of the learning objectives.
- Our system of grading should be timely, specific, fair and accurate.
- Grades should be based on a well-defined set of standards.
- Grades should be an accurate measure of a student's ability to demonstrate understanding.
- Criteria that are not a direct measure of student learning, such as work habits and behavior, should be reported separately from the academic grade.

B. Purpose of Assessment

Assessments are critical to the teaching and learning process. An assessment is defined as any instrument that is able to indicate or provide feedback on student achievement or performance. The purpose of an assessment may be summarized as follows:

- To provide information to students in regard to their progress towards mastery of a learning standard(s). In addition, it provides information for self-evaluation and the incentives to learn.
- To provide information to teachers on the individual student's level of mastery of the content/skill.
- To allow teachers to use assessment data to plan instruction that will meet the needs of students.
- To communicate information to parents about student achievement and performance in school.

C. Types of Assessments

While assessments will take many forms and types, they will be grouped under two broad categories.

Formative

Whenever a student learns new material, he or she needs time to practice and gain familiarity with the material. It is expected that the student will make mistakes during this learning process. Any work done during this learning period is considered *formative*. The purpose of a *formative* assessment is to evaluate where a student is in the learning process, diagnose any problems, and motivate and help the student learn the material. Formative assessments also inform the teacher of learning areas that may need reinforcement or re-teaching.

Summative

After a student has had instruction and practice on a topic, including assessments of a formative nature, it is then necessary to evaluate mastery of understanding, content or skills. The purpose of a summative assessment is to evaluate how well a student knows and understands the material.

D. Purpose of Grades

A grade is a recorded score derived from an assessment or assessments. The purpose of grades may be summarized as follows:

- To provide information to students with regard to their performance relative to the learning standard(s).
- To provide information to teachers on the individual student's level of mastery of the content/skill.
- To communicate information to parents about student achievement and performance in school.
- To document student performance for transcripts.
-

E. The Grade Composition

In order to represent an accurate measure of student performance, the academic trimester grade needs to be based on work that is evaluated for an appropriate level of mastery of the standards. Summative assessments will therefore be the primary constituent of the trimester grade. They will account for no less than 70% of the trimester grade. Formative assessments will account for no more than 30% of the trimester grade.

- All grading is done using the 100-point scale.
- The lowest “earned” grade is 50.
- An “earned” grade is derived from any assessment that is attempted and handed in.
- An attempted assessment is one where the student has made a diligent attempt to follow the instructions and complete the assessment.
- Assessments not attempted or not handed in will receive zero points.

Completed student work will be assessed and is a direct measure of student learning. Non-academic attributes will be reported separately. Please see *Section G: Reporting Conduct and Approaches to Learning*.

F. Grading Scale

Letter Grade	% Score
A	90-100
B	80-89
C	70-79
D	60-69
F	50-59

• **Make-Up of Academic Work during Absence**

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed. The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that the work is completed. The student may log on to the portal to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed will be recorded as a zero.

In the case of prolonged absence, three or more days, parents should call the office before 8:30 a.m. for missed class work and homework so that the work can be prepared and be ready for pickup at dismissal time or sent via e-mail. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Homework assignments for extended absences should be arranged with the teacher. Parents may pick up textbooks, if necessary, at the end of the school day but should email the teacher by 9:00 a.m. to arrange this. Requests for homework should be made by contacting the classroom/subject teacher. Due to teaching schedules requests may take up to twenty-four hours to be completed.

• **Make-Up of a Scheduled Summative Assessment during Absence**

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (Ex. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

- **Retakes**

*The focus of our Catholic schools is to always encourage and support the learning process that leads to mastery. This retake policy supports this emphasis on learning and relearning. Teachers have the discretion to refuse retakes to students who do not fully engage in the learning process prior to the summative.**

The following retake policy is designed to encourage relearning on the part of the student.

Criteria for Retakes Grades K-5

4. The retake process is initiated by the teacher. The teacher will communicate with the parent when a retake is necessary.
5. A student may retake a summative once.
6. Students may be required to participate in additional practice in order to qualify for a retake.

Grades 6-8

6. The retake process **must** be initiated by the student.
7. A student may retake a summative once.
8. The Application for a Retake should be completed by the student (with parent, if needed), signed by student and parent, and returned to the examining teacher no more than five (5) school days after the grade has been posted.
9. On the Application for a Retake, the student will identify the deficient standards/topics and include a clear learning plan and timeline to close the learning gap.
10. Students may be required to participate in additional practice in order to qualify for a retake.

Limitations and Deadlines

7. Only one retake will be allowed per summative.
8. All graded formative assessments must be completed prior to the original summative.
9. The retake for any summative in a unit must be completed before the date of the first summative of the following unit.
10. Semester/Trimester exams and summatives that are extended projects with ongoing feedback and clear completion deadlines do not qualify for retakes.
11. The student will forfeit the retake opportunity if either the scheduled retake date or a scheduled teacher required additional practice is missed, unless excused or rescheduled by the teacher.

Teacher Facilitations

5. Teachers will group summative assessments around specific learning standards to help the student identify deficiencies and plan a successful retake. Teachers will post retake dates when the summative assessments are returned.
6. The retake will only assess the deficient standards, allowing the student to focus on closing the learning gap and improving the assessment score. The higher grade (out of the retake or the original grade) will be recorded for credit in the grade book.
7. Teachers have discretion and may require that a student complete missing ungraded assignments correlated to the deficiencies before the retake is administered.
8. Teachers have discretion over the format of the retake assessment.

*Teachers reserve the right to deny a student from a retake before, during, or after the retake form is completed if the teacher can show due cause as to why there should not be a retake. This may include, but is not limited to, situations that involve academic dishonesty.

**Office of Catholic Schools and Centers
Diocese of St. Petersburg**

Extracurricular Eligibility (K-8)

Participation in a school sponsored extracurricular, i.e. sports, junior varsity, varsity, drama, robotics, etc. is a privilege that requires a student to balance participation times, games and their academic responsibilities. Students must maintain a 70 percent or above in all subject areas. Students with a Student Support Plan may have alternative criteria and will be assessed by teachers for consistent academic effort. Grades will be checked on Fridays for the next week of extracurricular eligibility. It is the responsibility of the student to let the athletic director or advisor know that they brought the grade up to eligibility. If a student does not meet these requirements, they will be ineligible for the first game that week and/or meeting of the week.

The student must have a 3 or above in both conduct and Approaches to Learning (ATL) for all subject areas. If a student is serving a detention the day of an extracurricular activity, he/she will not be able to participate in the event until after the detention is served. Students may not participate in an extra-curricular activity on the day he/she serves an in/out of school suspension.

Students must be present for a minimum of 4 hours of the school day in order to be considered eligible for an extracurricular activity. If a student is absent from school or leaves school early due to illness (even if they meet the 4 hour minimum), the student cannot participate. If the activity is on a Saturday, the student must be at school on the Friday before.

If a student is shadowing at a high school, it is the student's responsibility to get a shadowing form signed by the high school office, at the end of the day, to ensure they are present. The shadowing form needs to be turned in to the athletic director or school office to ensure eligibility for their game.

The athletic director, adviser, or coach, in consultation with the principal, reserves the right to suspend or remove any student from the school sponsored activity. The principal does have the discretion to adjust the consequences as needed.

**Office of Catholic Schools and Centers
Diocese of St. Petersburg**

Computer and Internet Use Policies

Computer Policy Statement - The following is a policy statement regarding the use of microcomputer software: *The Diocese of St. Petersburg and St. Cecelia Catholic School purchase or license the use of copies of computer software from a variety of outside companies. The Diocese of St. Petersburg and St. Cecelia Catholic School do not own the copyright of this software or its related documentation and, unless authorized by the software developer, does not have the right to reproduce it for use on more than one computer.*

Employees, parents, volunteers, and students of schools and centers shall use software on local area networks and multiple machines only in accordance with the license agreement.

Employees, volunteers, and students learning of any misuse of software or related documentation within the school or center shall notify the school/center administrator or the Superintendent of the Diocese of St. Petersburg. According to the US Copyright Law, illegal reproduction of software can be a serious offense punishable by fine and criminal penalties. The Diocese of St. Petersburg will not tolerate the use of illegal, pirated software. Any employee, parent, volunteer or student who makes, acquires or uses unauthorized software shall be disciplined as appropriate under the circumstances.

This document sets forth the rights and responsibilities for students under the Diocese of St. Petersburg Student Internet Use Policy. This Student Internet Use Policy is, by reference, a part of the Student Internet Account Agreement which must be executed by each Student and each Student's Parent or Guardian.

A. EDUCATIONAL PURPOSE:

1. The School Network has been established for a limited educational purpose. Educational purposes include classroom activities, continuing education, professional or career development, and high quality, educationally enriching personal research.
2. The School Internet system has not been established as a public access service or a public forum. The Diocese and school has the right to place restrictions on the material you access or post through the School Internet system. You are expected to follow the rules set forth in this policy, the student disciplinary code, and the law in your use of the School Internet system. The student disciplinary code will govern any violations of this policy.
3. You may not use the School Internet system for commercial purposes. This means you may not offer, provide, or purchase products or services through the School Internet system.

B. ACCESS TO ONLINE MATERIALS:

1. The material you access through the School Internet system should be for class assignments or for personal research on subjects you study in a class or would otherwise research in the school media center. Use for entertainment purposes is not allowed.
2. You are not allowed to use the School Internet system to access inappropriate information, which includes, but is not limited to, the following: obscene material, child pornography, material which depicts or describes in an offensive way violence, nudity, sex, death, or bodily functions, material designated as for adults only, material which promotes or advocates illegal activities, material which promotes the use of alcohol or tobacco, school cheating, or weapons, or material advocating participation in hate groups or other potentially dangerous groups.

3. If you mistakenly access inappropriate information through the School Internet system, you are required to immediately report this access in the manner specified by your school. This will protect you against a claim you have intentionally violated this policy.
4. The school has installed filtering software to attempt to prevent access to inappropriate material.
 - a. If you feel filtering software is blocking your access to an appropriate site, report this to your teacher.
 - b. You are not allowed to seek to bypass the filtering software by using a proxy site or some other technology.

C. PRIVACY AND COMMUNICATION SAFETY REQUIREMENTS:

1. "Personal contact information" includes your full name, together with other information which would allow an individual to locate you, including your family name, your home address or location, your work address or location, or your phone number.
2. If you are an elementary or middle school student, you are not allowed to use the School Internet system to disclose your full name or any other personal contact information online for any reason.
3. If you are a high school student, you may disclose, through the School Internet system, personal contact information to educational institutions, companies or other entities for continuing education, professional or career development purposes with specific staff approval.
4. You are not allowed to disclose names, personal contact information, or any other private or personal contact information about other students. You are not allowed to forward a message sent to you privately without documented permission from the person who sent you the message.
5. You are required to promptly disclose to your teacher or other school staff member any message you receive through the School Internet system which is inappropriate or makes you feel uncomfortable. You should not delete such messages until instructed to do so by a teacher or other staff member.

D. UNLAWFUL, UNAUTHORIZED, AND INAPPROPRIATE USES AND ACTIVITIES:

1. Unlawful activities:
 - a. You are not allowed to attempt to gain unauthorized access to the School Internet system or to any other computer system through the School Internet system or go beyond your authorized access. This prohibition includes attempting to log-in through another person's account or to access another person's files.
 - b. You are not allowed to disrupt or attempt to disrupt the School Internet system or any other computer system or destroy data by spreading computer viruses, or by any other means, using the School Internet system.
 - c. You are not allowed to use the School Internet system to engage in any unlawful act, including but not limited to arranging the sale or purchase of drugs or alcohol, engaging in criminal gang activity, or threatening the safety of any person.
2. Inappropriate language:
 - a. Restrictions against inappropriate language apply to all speech communicated through the School Internet system, including public messages, private messages, and material posted on Webpages.
 - b. You are not allowed to use obscene, profane, lewd, vulgar, rude, inflammatory, threatening, or disrespectful language on the School Internet system.
 - c. You are not allowed to post information which could cause damage or a danger of disruption to your school or any other organization or person on the School Internet system.
 - d. You are not allowed to engage in personal attacks, including prejudicial or discriminatory attacks on the School Internet system.
 - e. You are not allowed to harass or bully another person on the School Internet system.
 - f. You are not allowed to post false or defamatory information about a person or organization on the School Internet system.

- g. You are required to promptly disclose to your teacher or another school employee any message you receive on the School Internet system in violation of the restrictions on inappropriate language.

3. Plagiarism and copyright infringement:

- a. You are not allowed to plagiarize works you find on the Internet. Plagiarism is taking the ideas or writings of others, and presenting them as if they were yours, without proper attribution.
- b. You are required to respect the rights of copyright owners in your use of materials found on, disseminated through, or posted to the Internet. Copyright infringement occurs when you inappropriately reproduce a work that is protected by a copyright.

4. Specific Activities prohibited:

- a. Inappropriate activities subject to discipline under this policy include but are not limited to:
- b. The transmission of material, information or software in violation of school policy, or c. local, state and federal law,
- d. Changing of Windows/Mac platform settings (desktop, screensavers, etc.),
- e. Downloading software or plug-ins into the School Network or Computer,
- f. The use of web-based email accounts,
- g. Online chatting or any instant messaging,
- h. Making purchases via the internet,
- i. The installation of any software on the system by a student. Software can only be installed by the School, using software purchased by the School and appropriately licensed by law for use on School computers, violating copyright or other laws, accessing personal files belonging to others, accessing areas of the network which are not designated for your use.

5. Limited Privacy:

- a. You are notified by reading and signing this document that you have only a limited expectation of privacy in your files on the School Internet system and in the records of your online activity. All student use of the School Internet system may be supervised and is subject to being closely monitored at all times. You are notified that the school's monitoring of Internet usage can reveal all activities you engage in using the School Internet system.
- b. Routine maintenance and random monitoring of the School Internet system may disclose information indicating you have violated this policy, the student disciplinary code, or the law. A detailed search of your individual School Internet system account, and its historical activity, may be conducted if there is reasonable suspicion you have violated this policy, the student disciplinary code, or the law.

E. SYSTEM SECURITY AND RESOURCE LIMITS:

1. System security:

- a. You are responsible for your School Internet system individual account and should take all reasonable precautions to prevent others from being able to use your account. You should not provide your password to another person.
- b. You are required to immediately notify a teacher or the system administrator if you have identified a possible security problem involving the School Internet system. However, you are not required to look for security problems; this may be construed as an unlawful attempt to gain access.
- c. You are required to avoid the inadvertent spread of computer viruses by following the school virus protection procedures.

2. Resource limits:

- a. You are required to use the School Internet system only for educational, professional or career development activities and limited, high-quality personal research.

- b. You are not allowed to download large files from or to any computer on the School Internet system unless absolutely necessary, and then only with approval of a teacher or another school employee. If necessary, and allowed, you may download large files when the system is not being heavily used; you are required to immediately remove the file from the School Internet system computer as soon as possible after appropriate copying or use.
- c. You are not allowed to use Diocesan, school, or personal distribution lists or discussion groups for sending irrelevant messages.

F. DISCIPLINE

Violations of this Student Internet Use Policy can result in termination of the student's account, denial of access to the School Internet system, suspension, expulsion, or referral of matters to the appropriate law enforcement agency, depending on the severity of the actions. Such determination is within the sole discretion of the School and the Diocese.

G. LIMITATION OF LIABILITY:

Neither the Diocese nor school guarantees the functions or services provided through the School Internet system or its internet service provider will be without error. The Diocese and/or school will not be responsible for any damage you may suffer, including but not limited to loss of data, interruptions of service, or exposure to inappropriate material or people. The Diocese and/or school will not be responsible for the accuracy or quality of the information obtained through the School Internet system. The Diocese and/or school will not be responsible for financial obligations arising through the unauthorized use of the School Internet system. Your parents can be held financially responsible for any harm resulting from your use or misuse of the School Internet system. You may use the School Internet system only if your parents have signed a disclaimer of claims for damages against the school and Diocese.

Attendance Policy and Recommended Procedures

Attendance (K-8)

Success in any field requires a continuous daily effort. Nowhere is this truer than in education. The quality of learning for any student reflects the regularity with which he/she attends classes. Our attendance regulations have been formulated as a means of helping our students develop habits which will serve them best while in school and in later years.

State of Florida law requires those children between the ages of 5 and 16 attend school. Regular attendance and punctuality have a marked influence upon scholastic achievement. Attendance is an essential element to good progress in school.

School calendars are distributed to families to aid them in planning family vacations. Schools strongly encourage families to plan vacations during scheduled school vacations. Any vacation related absences will be included in the student's total number of absences.

Parents/guardians must notify the school office of a child's absence prior to 8:00 a.m. As a safety procedure, if a child is absent and the parents have not contacted the school, the school will attempt to contact the parents. When a student is absent, the school must receive communication from parents/guardians explaining the reason for the absence. The communication must include 1) the child's full name, 2) dates of absence, and 3) the nature of illness or reason for absence.

In the case of prolonged medical absence, three or more days, parents should call the office before 8:00 a.m. for missed class work and homework, so the work can be prepared and be ready for pickup at dismissal time. Due to teaching schedules it may take up to 24 hours to have materials prepared for pick up in the school office. Based on the number of days absent and the amount of work missed, a reasonable amount of time will be allowed for its completion.

Ten (10) tardies in a trimester are considered excessive. A notification will be sent home on the tenth tardy. A conference with the school counselor and homeroom teacher will be mandatory.

Six (6) absences in a trimester are considered excessive. A notification will be sent home on the sixth absence. A conference with the school counselor and homeroom teacher will be mandatory. On the seventh absence, consequences may be given. If your child is going to be out for any length of time due to a family commitment, please send a note to the school office at least a week in advance.

Students should not be permitted to return to school unless well enough to participate in school activities. Students must be present for at least four (4) hours of the school day to be considered present that day. In order to participate in any after school activities, including the extended day program, students must be present on that day. Students who are absent more than 20 school days during the year may be under administrative review for academic retention and may be asked to withdraw from St. Cecelia Interparochial Catholic School.

Students who are absent are required to make up work missed in each class. If a student is out for only one or two days, upon return to school, the student should meet with the teacher about the work missed. The student will be given a deadline by the teacher to complete and turn in these assignments. It is the responsibility of the student to see that

the work is completed. The student may log on to the portal to check the homework missed. If work is not made up by the deadline specified by the teacher, the grade for work missed will be recorded as a 50.

Any student who is absent on the day of a scheduled summative assessment will be expected to make it up upon his/her return to school. For every day a student is absent, he/she has that number of days to make up the summative assessment (Ex. 1 day missed = 1 day for summative assessment.) It is the student's responsibility to speak with his/her teacher regarding missed assessments. In the event of multiple-day absences, the teacher will determine when all assessments will be taken.

Parents, Guardians, and/or Caregivers,
when signing off on accepting the school's policies in the Enrollment
Application Form, and by the act of accepting enrollment at a Diocese of St. Petersburg Catholic School, are
accepting of this Code of Conduct in its entirety.
Excerpts of this policy have been used by permission of the Diocese of Townsville, AU.
