

## 2026 Upcoming Fifth Graders - Required Summer Homework -

**Dear Parents:** Did you know that studies have found that students lose one to two months of math and reading skills over the summer? To help avoid this, your child will have access to **IXL** and **MobyMax**, two award-winning learning platforms, all summer!

Below are the **IXL ELAs** that your student is required to complete by the first day of school. Your student must earn at least an 85% on each of the following IXL ELAs or they will earn zero.

*(You will notice that I have not assigned all of the IXL ELA Summer Boost assignments available; if you would like your child to be further challenged, he / she may do the other IXL ELAs, as well.)*

Students will use the same logins for IXL ELAs and Maths that they have used during Fourth Grade, and they will need the **three-digit codes** listed below; for MobyMax, students will use their same login credentials from Fourth Grade.

### **IXL ELAs weekly:**

#### **Week #1:**

Day 1 Compare mythological illustrations **Code J5P**

Day 2 Use academic vocabulary in context **Code QQC**

Day 3 Identify story elements **Code SRQ**

Day 4 Multiple-meaning words with pictures **Code 7MT**

#### **Week #2:**

Day 5 Is it a complete sentence or a fragment? **Code L7P**

Day 6 Determine the meanings of similes and metaphors **Code F7J**

Day 7 Find words using context **Code LT5**

Day 8 Organize information by topic **Code 6GA**

#### **Week #3:**

Day 9 Read fantasy with illustrations **Code 26L**

Day 10 Create compound sentences **Code XA7**

Day 11 Choose the best topic sentence **Code C5Z**

#### **Week #4:**

Day 12 Use relative pronouns: who, whom, whose, which, and that **Code 5AY**

Day 13 Read about famous places **Code EM5**

**Language Arts and Reading:**

**ELA:** We expect that our incoming fifth graders can: read at grade level, *write complete sentences correctly, organize a three-paragraph essay independently, and correctly and legibly write in print and cursive*, as these were your fourth-grade expectations.

**Reading:** Your student must read **one Accelerated Reader book over the summer**; this is his / her choice of book. It may be nonfiction, fiction, mystery, biography or historical fiction. Every student will take an AR test on a summer book during the first two weeks of school.

+++++

**Math:** Students will spend 20 minutes online with Moby Max daily practicing their Math skills this summer; they will click the button for Math and complete the activities.

**IXL Maths weekly:**

**Week #1:**

Day 1 Identify factors **Code 2S9**

Day 2 Place value review **Code B5N**

Day 3 Find equivalent fractions using multiplication and division **Code K8C**

**Week #2:**

Day 4 Divide larger numbers by 1-digit numbers **Code GE8**

Day 5 Add and subtract fractions with like denominators **Code XD**

Day 6 Estimate sums, differences, products, and quotients: word problems **Code CRD**

**Week #3:**

Day 7 Add fractions: denominators 10 and 100 **Code 9RJ**

Day 8 Find the area of rectangles using formulas **Code JBF**

Day 9 Choose numbers with a particular sum, difference, product, or quotient **Code X9G**

**Week #4:**

Day 10 Model decimals and fractions **Code TPV**

Day 11 Add and subtract money amounts: word problems **Code 2D5**

**We hope that you have a wonderful summer break! See you in August!**
