**Summer Reading Assignment**

**Grades 6-8**

**Read Two Sunshine State Novels**

Read two novels of your choice from the [Sunshine State Young Readers Award Books 2023-2024 List for Grades 6-8](#).

You will take an [Accelerated Reader](#) (AR) quiz for each book you read when you return to school. Those two quizzes will be your first two formative grades in the gradebook.

**Complete Summer Boost IXLs**

Complete the summer boost [IXLs](#) for the grade level which you will begin next year. There are 20 IXLs to complete. Try to work each IXL until you reach 100% mastery.

Your IXLs will be averaged together, and the average of those IXLs will be your first summative grade in the gradebook.
