

Students can access school applications through Clever.

1. Go to Clever and select the Microsoft Entra login option.
2. Sign in using your school email address.
3. Enter the password provided by the school. If you do not know your password, please contact the school office or your teacher.

For IXL:

1. Use your school email address as your username.
2. Enter your assigned password.
3. If your password has been changed and you cannot log in, please contact your teacher for assistance.
