

THE CHILDREN'S CARE NETWORK

BEHAVIORAL AND MENTAL HEALTH MOC PROGRAM

Welcome to The Children's Care Network's MOC program to promote provider awareness around Behavioral and Mental Health issues for children with chronic diseases. Thank you for participating!

While this initiative targets our Sub-specialty providers, any pediatrician credentialed through the American Board of Pediatrics is eligible to participate as a diplomate. This activity earns 10 MOC Part 2 points in a physician's certification 5-year cycle.

To enroll in the activity- follow these steps:

1. Go to the American Board of Pediatrics website at abp.org – make sure you have your Username and Password (you can reset them if need be)
2. Log in to your ABP Portfolio
3. Click on the “My Activities” button in the MOC section
4. Click on the “Self-Assessment (Part 2) Search” button
5. Use the “Filter Options” and enter “Emotional Health and Resilience for patients and families with Chronic Pediatric Conditions” in the Search field
6. Click “View”
7. Review and click “Launch”

MOC INSTRUCTIONS

You will have 3 attempts to complete the activity. Answers are not entered or counted toward an attempt until you select an answer and click “Commit” for a given question. You can exit and resume the activity at any time by clicking the “Exit” button at the top right of the screen and then logging back in at your leisure using the process above and choosing “Resume activities” at Step 4. Exiting and resuming does not count as an attempt to complete the activity so you can pace the activity as needed.

There are 7 references (videos or articles) listed at the bottom of the Overview page. These can be accessed independently directly from the website or in body of the activity itself. Each has an associated set of questions and can serve as a way to break up the course into smaller segments.

- Reference 1 – Questions 1-2
- Reference 2 – Questions 3-5
- Reference 3 – Questions 6-8
- Reference 4 – Questions 9-10
- Reference 5 – Questions 11-12
- Reference 6 – Questions 13-14
- Reference 7 – Questions 15-20

Once you have completed all the sections, follow the instructions to view your results and claim your MOC and CME credit.

Your MOC credit will appear in your “ABP Portfolio”. We ask that you forward to us proof of your completion for our records.

For providers with specialty certifications maintained through the ABP:

After the activity has been completed and you have successfully passed, you can fill out an attestation and upload the certificate of completion via a SurveyMonkey link that TCCN will send you. Your Part 2 MOC points will appear in your ABP portfolio with no further action necessary on your part.

For specialists with non ABP certifications:

After completion of the activity, you will be asked to complete a PDF version of the survey that TCCN will send you to attest to completion of the MOC program. Your Part 2 MOC points will then appear in your ABP portfolio.

Thanks again for your participation and your dedication to your patients!
