

## **Vestry Meetings June 17 Highlights**

- Both Ascensions' expenses and revenue are down due to COVID-19. Some tenants have requested rent relief, and Ascension agreed to a 50% reduction in La Petite École's rent for July and August.
- The clergy continues to want to hear from anyone not joining Zoom services.
- Our pantry is continuing apace. Food Bank of NYC recommended that we purchase some equipment, so we ordered hand trucks, and a double door commercial size refrigerator and freezer. This will allow us to purchase more produce. We have continued to receive generous donations as well.
