Dear Liz,

On behalf of the people of Martel Haiti, thank you for your additional generous donation of \$150.00, which brings your parish's total donation in 2022 up to \$3,200.00. In a recent video that Fr. Phanord sent to me to show the progress on the school building construction, we could hear the music from the equipment that you helped purchase. It made us so happy to hear amplified music coming from this simple rural church. I will ask Fr. Phanord to send us another video.

God bless you and Church of the Ascension. Thank you for continuing to support the New York Haiti Project and our work in Martel.

Christ's peace,

The Rev. Sam Owen  
Director, New York Haiti Project
