WHAT IT IS AND WHY YOU NEED ONE

WHAT IS A PATIENT PORTAL?

A secure online website that gives patients convenient 24-hour access to personal health information from anywhere with an Internet connection. Using a secure username and password, patients can view health information such as: recent doctor visits, discharge summaries, medications...

WHY DO I NEED A PATIENT PORTAL?

Important patient information is stored here after a qualifying visit at Box Butte General Hospital or Greater Nebraska Medical & Surgical Services. Medications, allergies, lab results, and discharge summaries are some examples of information that is kept in your patient portal. Knowing this information creates a more effective visit with your provider. All information in the portal is confidential and protected.

HOW DO I ACCESS MY PATIENT PORTAL?

- Visit <http://www.bbgh.org/>
- Go to "Patients and Visitors" on the top left of the page and click on "Patient Portal" in the drop down menu.
- Click the link and follow the instructions.
