

Mystery Quilt Fall 2019

Yardage and Fabric Descriptions

Yankee Pride is pleased to announce the design description and fabric yardages for the Fall 2019 Mystery Quilt. As always, the quilt comes in three size: Wall, Throw/Twin, and Queen.

The quilt this fall is a two-color field of stars with chains surrounding them. The Main color is the dominant one and forms the outside border. The piecing extends right to the edge of the quilt. There is no outer border on the Throw or Queen, but one could certainly be added if a larger quilt is desired.

The pieces for the Wall size are smaller than the pieces for the Throw and Queen.

****You will be dealing with small pieces, so the fabrics for this Mystery need to be solids, tone-on-tones, or subtle prints. As this is a two-color quilt, contrast between your fabrics is very important.**

You will need two fabrics for this quilt:

- Main Fabric (a medium-dark or dark fabric – black in our diagrams)
- Contrast Fabric (a medium/light or light fabric – white in our diagrams)
