Mystery Quilt – Spring 2018
Stars Over the Mountain

Description and Fabric Yardages

Description

A quilt of many stars, large to small. None of the sewing techniques are hard, but there are a lot of pieces, so there is a lot of sewing. Techniques are Half-Square Triangles, Flying Geese, and Square-In-A Square. The quilt design uses Deb Tucker's Tucker Trimmer I, Wing Clipper I, and Square Squared rulers.

Quilt Sizes

	Wall quilt	Throw size	Queen size
Quilt sizes (with borders)	44" x 44"	72"x 90"	92" x 110"

Yardages (amounts are in yards)

Fabric	Wall quilt	Throw size	Queen size
Background 1 (B1)	⅝	2¼	3½
Background 2 (B2)	1½	3½	5⅛
Design (D)	½	1¾	3⅛
Accent (A)	½	1¼	1⅝
Focus (F)	¾	2⅞	3⅛
Backing	52" x 52"	5½	8¼
Binding	½	1	1¼

Rulers Needed

- Deb Tucker's Tucker Trimmer I™ tool
- Deb Tucker's Wing Clipper I™ tool
- Deb Tucker's Square Squared™ tool

Fabric Descriptions

Five fabrics are used: background 1 and 2, design, accent, and focus.

Background 1 (B1)

The background 1 fabric is the background for the center of the quilt. It is also a design color on the background 2 fabric.

Background 2 (B2)

The background 2 fabric is the background at the edge of the quilt. It is the main color of the quilt.

Design (D)

The design fabric is used for stars on both background 1 and background 2 fabric.

Accent (A)

The accent fabric is used in the stars and as the inner border.

Focus (F)

The focus fabric is used at the center of some of the stars and as the outer border.

The background 1, design, and accent fabrics should have strong contrasts to each other and to background 2. The pieces in this quilt are small. Tone-on-tone or small-scale, subtle prints are the best choices. The design and accent fabrics are used for the small triangles in a 1" x 2" finished flying geese shape, so a print that reads solid would be best.

Scheduled Class Times

February 17
March 3 and 17
April 7 and 21
May 5 and 19
June 2
