

Mystery Quilt Spring 2020

Yankee Pride is pleased to announce the design description and fabric yardages for the Spring 2020 Mystery Quilt. As always, the quilt comes in three size: Wall, Throw/Twin, and Queen.

There are a lot of pieces in this quilt, therefore there's a lot of sewing, but the finished design is spectacular.

*All pieced units will be made slightly larger, and trimmed down to ensure accuracy.

*The following shapes will be used:

*Four-patches

*Hourglasses

*Partial four-patches

*Corner Beams

*The pieces for the Wall size are smaller than the pieces for the Throw and Queen.

You will need five fabrics for this quilt:

- Background 1 – This should be a very light fabric
- Background 2 – This should be a bit darker than your Background 1
- Background 3 – This should be a medium-light
- Design – This should be a dark fabric
- Accent – This should be a dark or medium.

Since the pieces are small, solids, ton-on-tones, and quiet prints should be used for the best effect. The accent fabric forms stars. There should be good contrast between the Design and Accent fabrics, and all of the backgrounds. The background fabrics do not touch each other.
