Setting the **Gold Standard** in the Management of Construction

Établir la **norme d'or** en gestion de la construction

***This is the only location to get the gold seal accredited 2-day supervisor course.**

Do you meet the tender obligation of having your supervisors complete a 2 day course? When was last time they took it? Are they doing what they need to to limit their and your liability?

You are liable NOW...TODAY, for your actions.

Learn the latest on legislation, MOL Guidelines, roles and responsibilities of all workplace parties and the tools that our supervisors need to be compliant with the law.

Limited space available. We limit our class sizes to 8 to ensure that each participant has individual attention.

Must bring: Copy of the Occupational Health and Safety Act (**OHSA**) tabbed green book *available to purchase at NCA for \$40 +HST and copy of current log book *available to purchase at NCA for \$47 +HST * Email to purchase books.

*Pre-payment is required for this registration. We require 48 business hour advance notice for cancellation. *No shows will be billed.*

WHY YOU NEED TO TAKE THIS COURSE:

- * You are a new Supervisor
- * You haven't done any training for a while and aren't sure of your legal obligations
- * You need to know the tools that are available to you on the job
- * You want to be successful and limit your liability!

WHO SHOULD ATTEND? Supervisors, Foremen and anyone who acts in a supervisory role.

LOCATION: NCA, 34 Scott Street West, St. Catharines, ON, L2R 1C9

After taking the Course, participants tell us...

"Real life stories give a good perspective of our jobs."

"Really put into perspective my responsibilities / consequences."

"I enjoyed the way Ella presented everything. Easy to learn and understand."

"Love the visual displays that accompany the text. The course was very thorough and eye opening. Great day!"

"Awesome!"

Instructed by Ellaline Davies of Safety Works Consulting Inc.

"I finished the course with a much deeper knowledge of the importance and responsibility of a supervisor...So much has changed since I started in this industry... Ella did a great job of updating us on the Regulations and expectations of a safe work place."

Charlie Bufalino, Sapphire Construction
