INJURED WORKER? SUCCESSFUL WSIB OUTCOMES FOR CONSTRUCTION WORKPLACE INDUSTRY CLAIMS

There have been significant changes to the WSIB in Ontario in recent years and how injuries are to be managed by employers.

This course delivers information on managing workplace injuries to prevent financial impacts on the company. It combines a review of the WSIB protocols and a practical component in the completion of forms.

You'll also learn how to manage the case of the injured worker and how to use the WSIB help that is available to you.

The course has a lecture format followed by small group participation and large group discussion.

Who Should Attend:

- Anyone who completes the WSIB forms – Office Managers, HR Managers
- Anyone who oversees the case of an injured worker – H & S Coordinators, Managers
- Anyone who works with the injured worker – Supervisors, Employers
