

Construction Industry Ethics ONLINE

MANDATORY FOR GOLD SEAL CERTIFICATION

3 Gold Seal Credits (this component of course is two credits)

By maintaining high ethical standards, and being consistent in our practices, we thrive both personally and professionally. The Construction Industry Ethics course can help your employees navigate the ethical grey areas they face every day.

This course has been designed to help you understand ethics as it relates to the construction industry. The course contains interactive elements, case studies, practical examples, videos, and a course glossary.

Objectives:

Upon completing this course, you will:

- Understand what is included in "ethical behaviour"
- Be aware of the importance of ethics in business
- Know how to make ethical decisions
- Recognize ethics in the context of the law
- Understand the direct link between ethics and a company's success

Who Should Attend: senior management, clients, contractors, supervisors, project managers, estimators, and employers

It is recommended that learners complete the online course as a prerequisite for classroom training. The online course (\$200 +HST) duration is approximately 4 hours and available in English and French. Contact the office at 905-682-6661 to obtain a pin number.
