

# Women in Construction Christmas Urn Workshop

## *Your Urn, Your Way!*

**Wednesday November 23, 2022 – The Watering Can**

**6:00 pm Registration / 6:30 pm Workshop**

**3711 King Street, Vineland, ON L0R 2C0**

### Event Details

Can't decide which urn you would like to make? No need to fret! We have made it easy and hassle free... just make your decision at the time of the workshop, and create the urn which will compliment your home the best.

You may decide on a Canadian style, with skis or snowshoes, the ever-popular gnomes, a happy snowman, jolly St Nick, or the cute penguin.

We have an assortment of eight different designs to choose from. Whatever your choice it will be the right one and that's because you chose it. As usual, this urn features a variety of the freshest Christmas greens and your colour choice of decorations.

\*New larger space with more parking and modern facilities. Join us for a fun, creative night! The price includes a raffle ticket and a wide selection of food. This is a BYOB event.
