The transition to WHMIS 2015 must be complete for all manufacturers, importers distributors, suppliers and employers.

There should be no hazardous products in the workplace with old WHMIS labels and safety data sheets.

The Ministry of Labour enforces the new provincial WHMIS 2015 requirements and will continue to enforce the WHMIS 1988 requirements until December 1, 2018 for employers and workers.

***Legislation indicates that all workplaces must be trained in WHMIS 2015 by December 1, 2018.**

Course covers:

- *Legislation*
- *Responsibilities*
- *Pictograms*
- *Labels*
- *SDS*
- *New Health Hazards*
- *Discussion of Controls*

Participants MUST bring: 1 MSDS / SDS from their OWN company and will receive a card of completion. Pre-payment is needed for this registration. We require 48 business hour advance notice for cancellation.

Download a [registration form](#) and e-mail to office@niagaraconstruction.org or fax (905) 688-5029.
