REGISTRATION FORM: NCA COR WORKSHOP SERIES
Wednesday, June 4, 2025 | 8:30 am to 12:30 pm
Location: Niagara Construction Association
34 Scott Street West, St. Catharines, ON L2R1C9

Limited Space. Please do not hesitate to save your seat today!

In partnership with Daedalus Safety Group, the NCA will host a four-part series on the Certificate of Recognition (COR) program, which is a great way to ensure workplace safety standards are met and maintained.
This series will cover important aspects of COR, such as auditing processes, safety management systems, and continuous improvement.

Presenter: Scott Halling, a Niagara-based safety professional, brings over a decade of experience in occupational health and safety to Ontario's construction industry. As a CRSP and ISO Lead Auditor for 9001 and 45001 standards, Scott also holds COR auditor certification, which he first obtained in 2014. Since becoming IHSA-certified for Ontario's COR program in 2019, he has conducted over 100 COR audits, including 20+ to the COR 2020 standard. His expertise spans ICI, heavy civil, roofing, paving, transportation, rail, and mining sectors. Through Daedalus Safety Group, Scott offers comprehensive OHS consulting, auditing, and training services across Ontario, emphasizing a team-based approach to safety management.

Registration (***Deadline to Register: Wednesday May 28, 2025)***
