What is the Child & Adult Care Food Program (CACFP)?

The CACFP is funded by the US Department of Agriculture through the PA Department of Education. Certified home-based Group and Family child care providers are able to participate under the sponsorship of Child Care Consultants, Inc. (CCC). The goal of the CACFP is to help children ages birth-12 years receive nutritious meals, while promoting healthy eating habits at an early age.

Joining the food program makes "cents."

You're partially reimbursed for serving healthy meals to children.

Reimbursements = extra income, even after taxes.

Your food costs count as a business expense, so you only pay taxes on the amount of reimbursement that is more than your food expense.

The quality, nutritious foods you serve meet federal guidelines for whole meals for children.

AVERAGE CACFP PARTICIPANTS REIMBURSEMENTS PER MONTH*:
TIER 1: \$400
TIER 2: \$200

*Calculations based on enrollment of 6 children, 3 meals/day; 5 days/week; 52 weeks/year.

Who you choose to be your sponsor makes a difference.

You will benefit under CCC's sponsorship:

Downloadable forms online.

Email, mail or fax your monthly menus.

Recipes and guidance in menu planning.

Free resources given throughout the year.

Annual training held live or via online webinar.

Easy electronic tracking/submission using Minute Menu KidKare.

Studies show that a **key indicator** of a quality child care home is participation in the CACFP.

THE CACFP BENEFITS YOUR BUSINESS AND FAMILIES. GET STARTED TODAY!
