Wegmans Williamsport - February 22

Lancaster Farm and Home - February 28

Childcare Consultants - March 1

The **After School Quality** Initiative is a powerful framework for motivating and engaging your staff, parents and other stakeholders in the process of providing high quality school age care. Bring your leadership team to this information gathering and networking opportunity to learn how ASQ can motivate and engage your staff, parents and child-care community in ways that transform your program!

*Please RSVP to the event you wish to attend*
