Coaching and Consulting Supports

As Early Learning Resource Centers 8, 9, & 10, Community Connections for Children has a plethora of individuals available to support providers.

TEAM LEADS

Team Leads support Community Connections for Children's Leadership Team and STARS Team Members in various aspects of operations, including but not limited to Grant Processing, Provider Coaching, and Designation Processing.

QUALITY COACHES

Quality Coaches work with specific caseloads in each Region, and they are your first line of defense for any of your needs. They can assist with STARS paperwork, Continuous Quality Improvement goals, professional development needs, staff development, family engagement, and much more. Quality Coaches work mainly with program directors and owners, and are also available for classroom and teacher support.

When a program submits a Coaching/Consultation Request, your Quality Coach will help determine who is best suited to meet your needs. It may be your own Quality Coach, or another Quality Coach, Support Coach, or Consultant, based on your request.

SUPPORT COACHES

Support Coaches include our Technical Assistance Coaches, who support programs in developmentally appropriate practices (DAP), lesson planning, behavior challenges, assistance with your chosen internal assessment tool(s), and many other areas. Our Inclusion Support Coaches help develop inclusive practices in the classroom for children with special needs. These coaches do not have specific caseloads and work with directors, owners, and classroom teachers.

SUPPORT STAFF & CONSULTANTS

Our Support Staff individuals support Team Leads and Coaches with administrative tasks and grant processing, designating programs at higher STAR levels, and community outreach.

Community Connections for Children partners with consultants to provide additional support in specific areas. Similar to our Support Coaches, our Consultants support both classroom teachers and directors on identified needs.

Provider Liaison Contacts

ELRCs 8, 9, & 10

For any questions or concerns regarding your program's Child Care Works (CCW) invoices and billing, please contact the Provider Liaison assigned to your county.
